HENRIETTA NEWS OF LATE INTEREST

Community Womans Club Honored at District Meeting at Bessemer City—Locals and Personals.

Henrietta, Oct. 28.—The Community Womans Club was represented at the district meeting in Bessemer City on last Saturday by the local president, Mrs. O. J. Mooneyham, Mrs. T. C. Lovelace, Mrs. S. J. Asbury, Jr., and Miss Cleo Sane. This was the annual meeting of district Four of the North Carolina Federation Women's Clubs. Mrs. W. C. Alexander of Shelby, district president, was in the chair and a large attendance of Club Women from this district enjoyed a splendid program. The address from the State president, Mrs. E. M. Land of Statesville was instructive, interesting and most encouraging to the club women of the district and the state. In a most charming manner she reviewed the work of the past year, the hopes and aspirations of the club women of America; and the prospects of a greater international relationship with club women of other countries. The ladies of the Bessemer City club entertained the ladies with a delicious luncheon. At the conclusion of the afternoon session of reports it was the pleasure of the delegation of the Community Womans Club to hear their president of the past two years, Mrs. O. J. Mooneyham given the distinction of being made district president of this Fourth District for the next year, taking effect in May 1931. Mrs. A. W. Falvey of Forest City, who has won the appreciation of all her co-workers in that club for her outstanding work of several years, was given the office of vice president, and Mrs. J. F. Timmerman also of the Community Woman's Club being made district secretary. The Woman's Club of Rutherfordton was reported non-active this year and therefore no officer nominated from this city. The next district meeting will convene in Belmont in the Fall of 1931. Another honor coming to our local club was the presentation of the attendance prize, consisting of a \$2.50 gold piece.

Henrietta has a majority of ten, while the two Colfax precincts have approximately 400 majority registered. Spindale, Avondale and Ferry each report over one hundred Democratic majority registered on the books. All three of Cool Springs' precincts have a heavy Democratic majority, but exact figures are not available.
