"GIVE SOMETHING MADE IN STATE" IS THE NEW SLOGAN

Raleigh, Dec. 15.—A new slogan, "Give Something Made in North Carolina for Christmas," is offered today to shoppers by the State Department of Conservation and Development as a means of stimulating the commercial and industrial position of the state.

The new "Made-in-Carolina-Gift" campaign follows closely on the heels of the "Live-at-Home" and general "Made-in-Carolina" campaigns recently conducted.

Letters urging manufacturers and merchants to co-operate in making North Carolina-made goods available to the public during the Christmas shopping season have been sent out by the Department.

It takes 27 days for the moon to make its circuit around the earth, but we have moonshine every day in the year.

Among the other fading illusions is the one that two can live as cheaply as one after there are a half dozen.
