MINISTERS' OF SANDY RUN HOLD MEETING

The ministers' conference of the Sandy Run association held its regular monthly meeting Monday morning, December 29, at the Alexander Baptist church. Rev. J. A. Brock, president, called the meeting to order at ten-thirty. The beautiful old hymn, "Down at the Cross Where My Saviour Died," was sung with enthusiasm, after which Rev. B. P. Parks lead the opening prayer. Rev. J. A. Hunnicutt conducted the devotional service, using Phil. 3:8-17. His thoughts and application to verses eight and thirteen were fruitful to our hearts and each was touched as he looked forward to the things ahead and gave up the things behind. "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before," was Paul's great message unto all. The minutes of the December 1st, meeting were read and approved. The treasurer's report was adopted. President Brock introduced and welcomed into the conference Rev. R. G. Melton and Rev. M. M. Huntley. A motion was made and carried, that the Sandy Run association Ministers' conference meet at Boiling Springs Junior college in joint session with the Kings Mountain association Ministers' conference and the Gaston association Ministers' conference on Monday, January 5th, 1931, in a regular quarterly meeting. All ministers of the Sandy Run association are urged to attend that joint session at ten-thirty o'clock.

Dr. W. A. Ayers was the speaker of the morning. His subject was, "The Paramount Values of 1930." Dr. Ayers discussed some wonderful thoughts pertaining to the values of 1930. In part, he reminded us of the failures in the material world, and how God was using these things to bring about His work here on earth. People are learning the wonderful lesson of putting first things and people are coming to realize more and more that the material things are only temporal and only means to an end and God is increasingly working in the world. God's plan from the beginning is one-seventh of our time and one-tenth of our income. Christ is the only necessity for man and Christ is the answer to all lives and with this great truth which has come upon us, the next year should be a great spiritual awakening and revival period through out the land. "While we look not at the things which are seen, but at the things which are not seen; for the things which are seen are temporal; but the things which are not seen are eternal." 2-Cor. 4:18. Many thanks and appreciation to Dr. Ayers for his great soul filling message on God's truths pertaining to man's possessions and God's ownership of all material things intrusted to man to glorify Jesus Christ our Lord and Master.

At the next regular meeting Dr. Welchel will discuss, "The Outlook for 1931." How we shall face the future. There being no further business.
