**Ministers Of Sandy Run Hold Meeting**

The Ministers' conference of the Sandy Run association met Monday morning, Jan. 26th, at the Alexander Baptist church. President J. A. Brock called the meeting to order promptly at ten-thirty. "Jesus Saviour, Pilot Me," was used as the opening song, Rev. M. M. Huntley lead the morning prayer, after which all sang, "Pass Me Not, O Gentle Saviour." Rev. L. N. Epley conducted the devotional service, reading Matt. 16: This was followed by prayer offered by Rev. B. P. Parks. The minutes of the previous meeting was read and approved. The following visitors were welcomed and introduced by the president; Rev. S. N. Watson, Forest City; Dr. W. B. Jenkins, Rutherfordton; Rev. C. B. Trammel, Columbus; Prof. J. D. Huggins, Boiling Springs and Mr. Drury Morgan. The conference was delighted in having these brethren with us and extend to them a hearty welcome at all times.

Prof. Huggins outlined briefly the work of Boiling Springs junior college and of the success of many of the former students now at Wake Forest college. He also urged that the churches in the Sandy Run association place Boiling Springs junior college in their regular yearly church budget. Let us keep in mind that the school belongs to the people and should receive a large place in our christian education work.

The program for the morning was in charge of Dr. S. E. Welchel who gave a wonderful discussion on the "Sinfulness of Sin." Dr. Welchel used Rom. 4-14 for his discussion. Why is sin sinful? What is the harm of sin? He brought two great thoughts to the conference. First, "Sin takes the good things of nature and makes them a curse." Second, "Sin takes the noble passions of the human life and warps and twist them into curses." In conclusion he proved the facts that Paul recognized the "Sinfulness of Sin" and how he put his entire trust in Jesus Christ the only cure of all sin. We are very grateful to Dr. Welchel for his enlightening thoughts and vivid illustrations on sin. Our souls were touched and many deep thoughts were considered in the treatment of sin that offered to all a stronger weapon with which to overcome the destroyer and defeat the violator of everything that is pure, holy and righteous in the name of Christ Jesus. Brethren, what an opportunity you lose, what a spiritual blessing you miss when you fail to come to the Ministers' conference.

Special prayer was offered for Dr. W. A. Ayers and Rev. J. A. Hunicutt, who were ill at this time. Also for all others who were not present with us.

There being no further business to attend to Dr. Jenkins dismissed the conference with prayer to meet again February 23rd, at Alexander Baptist church at ten thirty o'clock. A good fellowship and hearty hand shake was extended by all before retiring to our respective fields of labor.

Those present were: E. P. White, D. J. Hunt, C. C. Matheny, B. P. Parks, L. N. Epley, S. N. Watson, J. D. Huggins, W. B. Jenkins, C. B. Trammel, Drury Morgan, M. M. Huntley, T. M. Hester, N. L. Wright, J. A. Brock, S. E. Welchel and J. W. Jones.

J. A. Brock, President.  
J. W. Jones, Secretary.

**CARD OF THANKS.**

We wish to thank our neighbors and friends for their many acts of kindness shown us during the illness and death of our husband and father.

MRS. HUNTER CARVER AND FAMILY.

**Adults Contract Children's Diseases.**

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults—White's Cream Vermifuge, which you can get at Peoples Drug Store.

**ELLENBORO TEAM DEFEATS BELWOOD FRIDAY**

Ellenboro, Feb. 3.—The Ellenboro High school basketball teams met the boys' and girls' team from Belwood here last Friday evening.

The "Country Gentlemen" defeated the strong Belwood boys 23 to 20 in a closely played game. The local team captured the lead after the first five minutes of play and held it throughout the game in spite of a late rally by the visiting team. "Dutch" Allen was the offensive star of the game caging 14 points during the first half for his share of the scoring honors of the day. J. L. Hamrick proved to be the defensive star of the day as he broke up many passes of the Belwood boys under their goal. Willis, Giant center for Belwood led his team in scoring with 12 points and proved that he was capable of giving plenty of offensive trouble when not closely guarded by such a player as Myles Jones turned out to be. This was the 10th win

of the local team and the 33rd straight victory by baseball and basketball teams of the local boys team on the home grounds over a period of this and last year.

The Belwood girls proved too strong for the local lassies and defeated them 39 to 13 in spite of their hard playing.
