RIGHT OF WAY.

You often win the law-suit
If you had right of way,
"The other driver should have stopped"

That's what the jury'll say.

But right-hand, left-turn, up or down,

You're surely out of luck,

When, though you had the right-of-way,

The other had the truck.

constipation

"I HAD a stubborn case of constipation after a very severe spell of grip," says Mr. John B. Hutchison, of Neosho, Mo. "When I would get constipated, I'd feel so sleepy, tired and worn-out."

"When one feels this way, work is much harder to do, especially farm work. I would have dizzy headaches when I could hardly see to work, but after I read of Black-Draught, I began taking it. I did not have the headaches any more."

"When I have the sluggish, tired feeling, I take a few doses of Black-Draught, and it seems to carry off the poison and I feel just fine. I use Black-Draught at regular intervals. It is easy to take and I know it helps me."

This medicine is composed of pure botanical roots and herbs. Contains no chemicals. In 25-cent packages.

Are You Ready

When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pass away. And it's always ready for the crumpling pangs of colic, or constipation, or diarrhea; effective, too, for older children. Twenty-five million bottles were bought last year.

FURNITURE COSTS MONEY

Have you protected yours with adequate insurance so that a fire can not sweep away all the time and labor it represents?

Adequate insurance means taking care to safeguard the possessions for which you originally spent large sums of money. It makes your home a permanent investment, because disaster can not sweep away the money you have put into it.
