CHILEAN NITRATE ON RADIO.

Because of the vital relation of side-dressing to profits this year, approach of side-dressing time is bringing with it unusual activity on the part of organizations such as the Chilean Nitrate of Soda Educational Bureau.

This is exemplified in the announcement today of a series of thirty-nine special radio talks on Chilean Nitrate planned to tie up with the interesting side-dressing advertising campaign that the Chilean Nitrate people have been conducting in this newspaper.

Beginning May 1, these talks will be delivered over Station WBT, Charlotte, N. C.; WPTF, Raleigh, N. C.; WIS, Columbia, S. C. and WSPA, Spartanburg, S. C. They will stress the importance of side-dressing and will quote interesting facts and figures supplied by leading authorities in the South. On WBT the Chilean Nitrate talks will be broadcast every evening, except Sunday, at 7 o'clock. On WIS, WPTF and WSPA they will be broadcast every evening, including Sunday—WIS, at

7:45; WPTF at 5:59 and WSPA at 8:00 o'clock. In order to increase the information on this important subject, valuable literature and other data will be offered without charge to the radio audience.
