Funeral Held Sunday at Mt. Pleasant Baptist Church For Well Known Citizen.

Forest City, R-2, June 29.—Mr. William Coley Vassey, aged 79, died at his home near Sandy Mush Saturday after an illness of extended duration. Funeral services were held Sunday afternoon at three o'clock at the Mt. Pleasant Baptist church, with Rev. Z. D. Harrill in charge.

### AFTER 40 bowel trouble

Constipation may very easily become chronic after forty. And any continued constipation at that time of life may bring attacks of piles and a host of other unpleasant disorders. Watch your bowels at any age. Guard them with particular care after forty. Whenever they need any help, remember a doctor should know what is best for them.

"Dr. Caldwell's Syrup Pepsin" is a doctor's prescription for the bowels. Tested by 47 years' practice, it has been found thoroughly effective in relieving constipation and its ills for men, women and children of all ages. It has proven perfectly safe even for babies. Made from fresh laxative herbs, pure pepsin and other harmless ingredients, it cannot gripe; will not sicken you or weaken you; can be used without harm as often as your breath is bad, or when your tongue is coated; whenever a headachy, bilious, gassy condition warns of constipation.

### CLIFFSIDE MAN IS SHOT IN LEG

Shelby, June 29.—Walter Canipe, young white man of Cliffside, was shot in the right leg at 1:35 Friday afternoon when a sawed-off shotgun in the automobile of Deputy Sheriff Bob Kendrick was accidentally discharged while officers were preparing to unload nine gallons of captured whiskey from the Kendrick automobile which was parked on the walk at the east entrance of the county court house.

The gun, loaded with buckshot, was lying on the floorboard just in front of the front seat of the touring car. Deputy John Howard crawled into the front seat to help unload the whiskey from the rear seat. Canipe, his cousin and a number of other people were standing on each side of the car looking at the captured whiskey. Just as Deputy Hord got in the car the gun was in some manner discharged. It was first thought that the deputy's foot may have struck it, but how the gun could have been cocked is not known. One supposition is that some of the onlookers may have picked it up and laid it down just before it was jarred and discharged. The load of shot ploughed through the lower portion of the door, leaving a hole a little larger than a silver dollar, and struck Canipe in the right leg, just below the thigh.

Deputy Ben Cooper and Police Officer B. O. Hamrick picked up the wounded man, carried him to an automobile and rushed him to the Shelby hospital.

The shooting attracted considerable attention as a large crowd of people had already gathered about the city hall and court house to view the whiskey.

Canipe's wound was described by Drs. Harbison and Schenck as being of "a serious type." An X-ray photo made at 2 o'clock revealed a compound fracture of the right leg several inches above the knee where the load of shot hit. None of the shot passed entirely through the leg. The flesh wound was described as not being as serious as the slanting break in the bone.

Canipe has been working, he said, at Cliffside but was in Shelby visiting his uncle, Henry Sisk, and his cousins. His home is near Charlotte.

### MULE KICKS CHILD.

Master Owen Irvin, the seven year old son of Mr. and Mrs. G. A. Irvin was seriously hurt Sunday morning. The child had taken a mule to the pasture and when he took off the bridle the mule turned and kicked him in the face. He was rushed to the doctor's office immediately, and it was found that it would be necessary to take several stitches in the little fellow's chin. At latest reports the youngster is resting fine.

### RUN-DOWN and WEAK

"I began taking Cardui when in a weakened, run-down condition," writes Mrs. F. S. Perrit, of Wesson, Miss. "I took one bottle, and I seemed to improve so much that I sent for six bottles. After I had taken the six bottles, I seemed entirely well.

"Before I took Cardui, I was nervous, restless, blue and out of heart. I felt depressed all the time. After I took Cardui, all this disappeared.

### Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria! As harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.
