Restless, could not sleep

"THERE were days when I felt like I could not get my work done. I would get so nervous and 'trembly' I would have to lie down. I was very restless, and could not sleep at night.

My mother advised me to take Cardui, and I certainly am glad she did. It is the first thing that seemed to give me any strength. I felt better after the first bottle. I kept it up and am now feeling fine."—Mrs. T. R. Gibson, Fort Payne, Ala.

CARDUI HELPS WOMEN TO HEALTH

Take Theford's Black-Draught for Constipation, Indigestion, and Biliousness.

AFTER 40 bowel trouble

Constipation may very easily become chronic after forty. And any continued constipation at that time of life may bring attacks of piles and a host of other unpleasant disorders.

Watch your bowels at any age. Guard them with particular care after forty. Whenever they need any help, remember a doctor should know what is best for them.

"Dr. Caldwell's Syrup Pepsin" is a doctor's prescription for the bowels. Tested by 47 years' practice, it has been found thoroughly effective in relieving constipation and its ills for men, women and children of all ages. It has proven perfectly safe even for babies. Made from fresh laxative herbs, pure pepsin and other harmless ingredients, it cannot gripe; will not sicken you or weaken you; can be used without harm as often as your breath is bad, or when your tongue is coated; whenever a headachy, bilious, gassy condition warns of constipation.

Beam Reunion To Be Held August 13

The annual Beam reunion will be held at New Prospect church, on Shelby R. F. D. No. 1, Thursday, August 13th, beginning at 10:00 a. m. Prominent speakers have been invited. Gov. Gardner will attend the meeting.

Elliott Reunion Will Be Held August 22

Shelby, R-5, Aug. 6.—Please permit me to mention an annual festival occasion, that is featured on the fourth Saturday in August of each recurring year at Elliott church, in upper Cleveland, in Township No. 3. To be exact as to calendar, you will find it to be due on August 22, 1931 at Elliott church building and about three miles from far-famed Polkville.

The program is to come when you get ready, but as one important feature is the noon day meal—you had better be on deck at high noon.

This is strictly intended as a social and festal occasion, but an idea prevails that if a man were to be guilty of wind jamming he would die the death of the unrighteous. You know if some obtuse mortals were raked amidst with a 17 inch Krupp gun loaded with a peasantry it would not take effect. In a jocular vein, I have indicated in advertising this occasion that many perils beset the wind jammer on this occasion. But if a man who really had something to say and knew how to say it and when to hush, my fangs might not prove venomous.

We furnish ice water and a remarkably well cooked, appetizing meal, and generally have from 500 to 800 visitors. Besides the home talent, we have sojourners from Shelby, Rutherfordton, Forest City, Gastonia, Charlotte and elsewhere. If any one ever attended one of these occasions and never secured enough to eat it was his own fault. We have a table 110 feet long which is loaded with human provender. An invitation is extended to all visitors as sincere as that rallying song of Christianity invites the way-faring man to secure transportation on "The Old Ship of Zion." This rallying and militant song assures all who hear that the stately old Craft "has landed many thousands, yet there's room for thousands more." Don't be uneasy about being amply fed at Elliott's Reunion. We realize that this is a period of financial depression; but the Lord hath cheered us with the early and the latter rain.
