JUST RECEIVED—3,000
PAIR OF OUR

**Famous \$1.95
Shoes**

For those of you who have not made it a habit of trading at the Bee Hive, we want to tell you that the shoes we sell at \$1.95 are not just cheap shoes but are some of the finest shoes made in America and Europe. Shoes that retail from \$4 to \$16.50. In fact the average wholesale cost of our shoes is over \$7.00 per pair.

We have contracts with over 100 high grade shoe stores all over the country. They are the ones who take the loss, you get the benefit.

These shoes include such famous brands as I. Miller, Strassberger Style, Selby Arch Support, J. & K. Arch Support. In fact nearly every high priced brand made, all at one price.

NO MORE—NO LESS

WE WANT TO THANK MR. C. G. HOLLIFIELD OF SHELBY
FOR THIS LITTLE POEM.

If you trade at the Bee Hive,
You will sure save money.
When they show you their prices,
You will feel a little funny.

They sell everything,
From Hats down to Hose.
How they sell it so cheap,
The Lord only knows.

I am telling you the facts,
For Bull I don't shoot.
For fourteen Ninety-five,
You buy a Thirty Dollar Suit.

For writing these facts,
I don't get a dime.
Just helping you to save,
During these hard times.

You can go to The Bee Hive,
Buy what you wear;
Buy it for less,
And have money to spare.

When you are in town,
Don't fail to come around;
They will show you how,
They bring prices down.

They don't claim to give
Any goods away,
But guarantee to save you money,
Doesn't matter what you say.

Signed,

C. G. HOLLIFIELD.
