

# 12,000 DOLLAR STOCK AT COST

## Beginning Saturday, October 29th.

Owing to a change I am going to make in my business Jan. 1st., my entire stock must be turned into cash. All of my stock is new and clean, and consists of the best brands from the best manufacturers of Baltimore and New York, such as Schloss Bros.' Clothing, Stetson Hats, Florsheim, Bostonian and Beacon Shoes for Men, and Shelby Shoes for Ladies in all leathers; everything right up to the minute. Our stock in Men's and Boy's wear is complete, and here is a chance for the men and boys to buy their Winter Outfits at wholesale prices; this is no fake sale, I mean exactly what I say, as my stock must be turned into cash between now and Christmas. Come, everybody, and supply your wants before the stock is gone. It will be to your advantage to do so. I will name you a few prices below to give you an idea how much you can save here.

**PLOWS.**

There are enough John Deere Plows now in use in Scotland County to convince the most skeptical farmer that they are the best plow made, all steel, light draft, most durable, therefore most economical to buy. Come to my warehouse and see the most complete stock of improved implements in North Carolina. We have riding and walking plows, cultivators, Middlebreakers, Newground plows, Mowers, rakes, corn shellers, (hand and power) shuck corn shellers, hay presses, manure spreaders. A car of No. 14 Deere Stalk Cutters to arrive this week, see them before you buy. I have a large stock of the famous R. & V. Gasoline Engines from 2 1-2 to 25 horse power, the kind that go and keep going. These engines are not offered at about one-fourth the price of a cheap horse, but if you want full value for your money see me before placing your order.

Yours truly,
