NOTICE.

Issued by the North Carolina Section of the U.S. Department of Agriculture for week end-

WEEKLY BULLETIN.

ing April 20, 1903. The report of crop correspondents for the past week indicate that the weather conditions have been decidedly unfavorable both or from work and for the growth of crops. The temperature averaged from 2 to 3 degrees daily below the normal, ranging from a maximum of 74 degrees to a minimum of 34 degrees, the latter temperature occurring at Ashewith killing frost; light to heavy

the week, with snow in the moun floral decorations, combining the tains on the 15th. The rainfall Empress of China and other ros 20,300.00 was least in the southeast ptrtion es with the weigelia, Snowball 500.00 of the State and in that section and other products of our hortiplowing and planting made some cultural plats progress. On the 14th severe counties, with much damage to citizens of that city truck and strawberries in limited Capital stock paid in \$ 20,000.00 localities, chiefly in Beaufort, 7,000.00 Craven, Sampson, Cumberland

> and Columbus counties. The lack of sunshine, the cold north. of any kind, and farming opera tions are now very backward: moreover the cold wet soil is germination of seeds.

A few farmers have fininshed east, but very little corn has been for his Master planted elsewhere, and what was planted in the south portion. Tobacco plants are well advanced Notary Public. many correspondents state that

the crop has received much dam. age by the hessian fly, chinch him on this occasion ougs are injuring wheat in many fields; the cold, wet weather has ette, Mr. and Mrs. H. D. Godwin caused much yellowing and rust of St. Johns Township, arrived, is spreading. Irish potatoes are last Wednesday, to become incoming up fairly well. Gardens mates of the Murfreesboro Hotel have made very little progress, and to adopt it as their home. 5,000.00 Fruit in the west was further in The menacing attacks of paralyt 532.35 jured by frost this week, but ical strokes incapacitate Mr. 22,966.54 plums and a good crop apples, wife have decided to spend their In spite of unfavorable conditions | time with Mr. and Mrs. Boyette
