

Menola News.

Mrs. C. W. Parker spent Sunday with relatives near Mt. Tabor church.

Messrs. O. P. and H. G. Snipes attended services at Eagletown Saturday.

Mrs. E. C. Parker spent several days last week in Potocasi with her parents.

Mr. C. W. Parker, who has been confined to his bed for more than two weeks, is still suffering considerably, though we hear that his condition is considerably improved.

Messrs. J. T. and William Browne were in Woodland Saturday last.

Miss Ada Vinson, who is teaching at Maple Grove near Murfreesboro, spent from Friday until Monday at home here. Mr. William Browne, who teaches near Early's station, also spent Saturday and Sunday at home.

Miss Bessie Parker was the guest of her sister, Mrs. A. M. Browne, of Mt. Tabor Friday night.

Our people were pained to hear of the death of Dr. R. W. Joyner of Woodland. For years this able physician served many of us faithfully and his memory will long be cherished in our homes. We deeply sympathize with widow and other bereaved ones.

Mr. M. J. Britt is suffering from a very painful accident which occurred last Thursday afternoon. While attending to some of his farm duties, he was thrown from his horse against a stump, breaking his collar bone.

Dr. Cook was summoned at once and gave the needed attention. Mr. Britt is doing as well as can be expected, though suffering considerably.

New telephones have been placed in the homes of Messrs. J. T. Browne, M. J. Britt, and H. G. Snipes, and several others will be added soon we hear.

A quiet voice, courtesy and kind acts are as essential to the part in the world of a gentleman as of a gentlewoman.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering. Therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.
