We have special cause to be proud of our boys, the most successful contestant for two successive years being from this school, and others made splendid records also. Last year prizes were won by three of the four Menola contestants. We predict for our farmers much success.

Thousands Have Kidney Trouble and Never Suspect It.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
