## Often The Kidneys Are

## Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

## Saying the Right Thing.

"I don't seem to be able to say the right thing to women," a bashful young man confided to us the other day, "and that's why I don't shine in society. I'll tell you an instance of it. Not long ago I met a woman I hadn't seen for years and I could see that she was trying to keep young. So I thought I'd say a graceful thing to her."

"You carry your age remarkably well," says I.

"Well, the moment I said it I could see that I was in wrong. She was looking chilly and getting red, so I said:

"Don't mind my little jokes—I never mean what I say. As a matter of fact you don't carry your age a bit well."

"And then she killed me with a haughty look and sailed away without saying goodbye. Saw how should I have put it?"—Cleveland Plain Dealer.
