Misses Ruth Dowell and Lillian Pope, accompanied by Mr. Ralph Parker, visited in Potecasi Saturday evening.

The Farmers' and Women's Institute which was held here last Wednesday was well attended. Many people from the surrounding towns and communities were present. The leaders of the institutes were experts in their line of work, and timely questions were discussed in a practical and masterful way. The prizes offered in the three contests were won respectively by Mr. and Mrs. J. S. Rose, and their son, Master Otis Rose.

We are glad to report that Mrs. W. E. Lassiter and her son, Mr. Wray Lassiter, and Mr. Andrew Draper, nicely recovering from sickness.

He preached a helpful, practical sermon to a good congregation. Rev. Mr. Parker was entertained in the excellent home of Dr. Whims while in our town.

Miss Lina Gray of Boykins, Va., reached our town last Saturday and entered upon duties as music teacher on Monday. She began with a large class and it will no doubt grow rapidly till she has as many pupils as she can teach. Miss Gray is a graduate in music and comes to our town highly recommended as a music teacher. Mrs. J. B. Elliott who has been teaching here for several years, still has a large class. Our people are becoming more deeply interested in music and the teachers will no doubt be kept quite busy. Miss Gray is teaching in the home of Mr. C. W. Draper. She is prepared to teach pianoforte, organ, and voice culture.

YOUR RHEUMATISM

is probably due to uric acid in the system—the blood must be purified—the poisonous acid driven out and general health must be improved.

Thousands testify that **Scott's Emulsion** rids the system of poisonous acid by enriching the impoverished blood, and its concentrated nourishment is converted into red blood corpuscles which drive out rheumatism.

It is especially valuable to aged people.

Ask for and insist on **SCOTT'S.**
