1. The meeting will be addressed by Secretary Livingston Johnson, Rev. C. E. Maddry, Dr. R. T. Bryan, Secretary E. L. Middleton and others.
2. The first session will be held Thursday, March 20, 8:00 P. M. There will be three sessions Friday and Saturday, and such on Sunday as may be announced after the opening of the Institute.
3. There will be no discussion of Sunday schools until Friday evening.
4. Let all churches and Sunday schools receiving this program send representatives.
5. Entertainment will be furnished by the community. All who expect to attend are requested to notify Rev. R. L. Gay, Aulander, N. C.

AN ADDITIONAL WORD.

The speakers named on the foregoing program represent the very best among our denominational leaders. The first three will lecture along the lines of Scripture teaching on the subjects of "Missions" and "giving" and their speeches are intended especially for pastors, deacons, representatives of Missionary Societies and other leaders of finance and missionary work. Secretary Middleton's lectures on Sunday School work will be intended especially for Sunday School workers. It is supposed that a number of Sunday School teachers are also teachers in the secular schools; hence the Sunday School lectures will be postponed till Friday evening, giving them the opportunity to attend. Some of these lectures will be illustrated by stereoptican views so as to make them both entertaining and informing. It is confidently believed that to those who attend, this Institute will be worth far more than the ordinary Union Meeting or Sunday School Convention. Let the Churches and Sunday Schools take this up at once and send a large representation, so that the information and inspiration of this meeting may spread over the whole Association.

Strayed.

From my home one Scotch Collie female dog, brown color, answers to the name Trixie. I recently bought this dog of Dr. Alexander of Charlotte and she may be making her way back. Will pay for her return or information where she is.

Milwaukee News.

Springtime is almost here. Everything seems to be moving up.

Mr. M. F. Hart spent Saturday night and Sunday in his home near Pleasant Grove church, this county.

Mrs. J. E. Smith and children of Rich Square spent from Saturday till Monday with her mother, Mrs. Delie Martin.

Quite a crowd gathered at Bethany M. E. church on last Sabbath to listen to a good spirit filled sermon preached by our beloved pastor, Rev. D. L. Earnhardt, on influence, taken from Romans 14 Chap. 7 verse, "For none of us liveth to himself, and no man dieth to himself." At the close of the services 18 were received in the church. There are some yet to come in. We welcome all who will come in and trust we may be a blessing to them and they to us.

The play given by the pupils of Milwaukee Graded School did credit to them.

Mr. Armstead of Berkley, Va., visited in the home of Mr. M. C. Johnson from Saturday till Monday.

The Temperance Literary Society will meet in the home of J. W. Piland Wednesday night, March 5th. A very interesting meeting was held last Wednesday night. Mr. Giles Bridgers was made President, Mrs. Ila Joyner Secretary, Mr. Charlie Coggins Assistant Secretary. We want to make this meeting a blessing to us all.

On next Sunday the Honorary members regular meeting will be held after Sunday School. We hope to have a good meeting.

ANON.

Rather strange, is it not, that our State and National governments will spend so much for hog cholera serums to protect our hogs, and so little for diphtheria antitoxin to protect our children? The time will doubtless come when we will protect our children from diphtheria as well, if not better, than we do our hogs from hog cholera, and then we shall also begin to realize the importance of public provision for anti-rabic treatment for bites from mad dogs, anti-typhoid vaccination and smallpox vaccination, as community or public protection, as well as private personal protection.

NERVOUS MEN WOMEN

are actually weak, run-down—they are slowly deteriorating—they need strength and nourishment for body and brain.

Scott's Emulsion corrects nervousness—it is essentially a food—a concentrated, nourishing, curative food to restore the healthy action of body cells, fortify the blood, sharpen the appetite, make strength, health, energy and vigor.

As pure as milk, it is readily assimilated—nourishes every organ and every tissue. Physicians everywhere recommend Scott's Emulsion with absolute confidence in its beneficial results. Don't wait—start now, but insist on SCOTT'S.

No alcohol or drugs.

The Thrice-a-Week Edition of the NEW YORK WORLD

Practically a Daily at the Price of a Weekly.

No other Newspaper in the world gives so much at so low a price.

This is a time of great events and you will want the news accurately and promptly. The Democrats, for the first time in sixteen years, will have the Presidency and they will also control both branches of Congress. The political news is sure to be of the most absorbing interest.

There is a great war in the Old World and you may read of the extinction of the vast Turkish Empire in Europe, just as a few years ago you read how Spain lost her last foot of soil in America, after having ruled the empire of half the New World.

The World long since established a record for impartiality, and anybody can afford its Thrice-a-Week edition, which comes every other day in the week, except Sunday. It will be of particular value to you now. The Thrice-a-Week World also abounds in other strong features, serial stories, humor, markets, cartoons; in fact, everything that is to be found in a first class daily.

THE Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and ROANOKE-CHOWAN TIMES together for one year for \$1.65.

The regular subscription price of the two papers is \$2.00. Send your subscriptions to THE ROANOKE-CHOWAN TIMES, Rich Square, N. C.

THE ROANOKE-CHOWAN TIMES and Bryan's Commoner \$1.65.
