On motion B. W. Vincent of Gaston Township was appointed as Supervisor to attend to the cutting out and changing county road near Vulture and said to be about 400 yards long, by the Camp Mfg. Co. for their own convenience. Said road must be put in good condition for travel by said company, said Supervisor to report said road at the next meeting of the Board.
On motion it was ordered that the keeper of Branch's bridge be discharged as the Board thought it was unnecessary to continue keeper any longer.
No other business appearing the Board adjourned to meet on the first Monday in October, 1913.
JOHN E. MOORE, Chairman.
C. L. N. STEPHENSON, Sec.

Policy Holders Meet.

The annual meeting of the policy holders of the Farmers Mutual Fire Insurance Association was held Sept. 2, at Ahoskie, N. C.

Meeting called to order by the President, Albert Vann, after which the report of Secretary and Treasurer was read, and is as follows:

Insurance in force \$1,583,000.00 with 1247 policy holders.
The Treasurer reported collections good for past year.
Bal. on hand last report \$3113.71
Collections past year \$5342.22
Interest 72.52

Losses and expenses \$2798.52
Balance on hand \$5729.93
All claims against the association have been paid in full.

The amount of assessment for 1914 was discussed and on motion it was made same as last year (40c per 100.00)

On motion a committee of one from each county of the Branch was to be appointed by the president to visit and examine the property insured by the association and have necessary repairs made to all property insured. If necessary, cancel property that is in bad condition. The compensation to be \$150.00 for each county, the work to be completed as soon as possible.

Assessment No. 18 was ordered to be levied Jan. 15, 1914.

Mr. Albert Vann was reelected President at a salary of \$250.00.

The present Secretary and Treasurer gave notice that he wished to retire and on vote Mr. Willie Edwards was elected Secretary and Treasurer at a salary of \$350.00 per year and the bond fixed at \$10000.00 Mr. J. W. Boone of Winton was elected a director for Hertford county in place of Mr. C. W. Parker, deceased.

Mr. J. T. Williams was reelected a director. Appointment of Supervisor left to be made by President.

No further business the meeting adjourned.

Cotton and Peanut Buyer.

I am now located at Jackson, North Carolina, and pay top prices for cotton and peanuts. I am making standing timber a specialty. I also estimate standing timber at a reasonable price per day, for those who want to sell or buy.

P. M. FLEETWOOD.

NOTICE--LAND POSTED.

All persons are hereby forbidden to hunt with or without gun or dogs on the following lands situated in Rich Square Township, Northampton county: The Shoulars farm and the Peele land, situated on the East side of the Railroad between Rich Square and Roxobel; the Williams land, situated between the Railroad and the Rich Square-Roxobel road and adjoining the lands of Granville Josey, Mrs. Coman and others; the Conner land and the Wall land situated on both sides of the Railroad north of Rich Square, and that part of the Brown and the Daughtry land adjoining the above tracts now owned by me. All violators will be prosecuted to the full extent of the law.

Don't Crank Your Arm Off

No Cranking To Start No Foundation To Build

Let Electricity Start The Engine

Here's the only engine that starts on compression from the simple touch of a button—works sure in any weather—does away with cranking entirely—most sensational improvement ever added to any farm engine. But it's only one of the many big features on the Electric Starting Woodpecker. If you are at all interested in a farm engine, it will pay you well to write us at once. Let us give you the startling facts about the engine that has created a sensation in the power world—No cranking to start—No foundation to build.

Electric Starting WOODPECKER

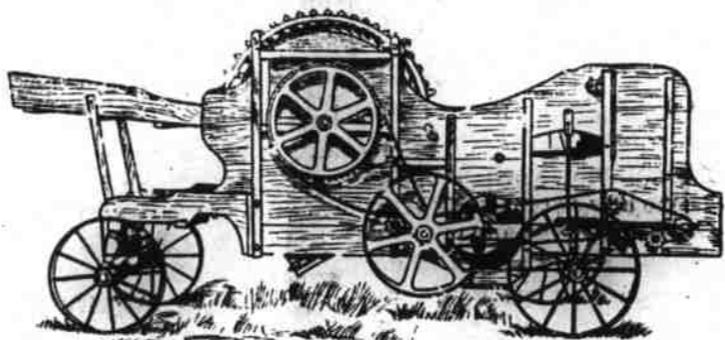

—the one farm engine with all of the big valuable features of farm power, but costs no more than ordinary engine—perhaps not as much. See its big features—25 points of perfection—minimum fuel costs—large surplus over rated H. P. Substantial steel girder chassis—gives you 85 to 90 by making a foundation needless. Self priming fuel mixer, makes cold weather starting easy. Self-contained power plant—jumpspark ignition, same as used on best automobiles. Rigid registration—can change speed while running. Open deeper cooler—can't freeze. Don't wait another day before getting all facts. Write NOW. Let us tell about our astounding Diesel.

NOTICE Building Material.

We have an unusually large stock of building material on hand which we are offering.

FOR SALE AT REASONABLE PRICES FOR CASH, but are not soliciting time orders, in fact don't want them unless given bankable paper. If you contemplate building a house let us quote you prices on your requirements.

We also do custom work and solicit your patronage. Our mill superintendent is instructed to collect for all bills before delivery, or else we would have to add to the price charged those who pay to make up for the loss sustained by bad debts.
