

**CROWAN COLLEGE NOTES.**

**Home Coming Day of Alumnae of Chowan College.**

On Tuesday, October twenty-first the Alumnae Association of Chowan College met in the College auditorium. The morning session opened with scripture reading by Mrs. J. P. Holoman, followed with prayer by Mrs. D. A. Day.

The business of the day consisted first in devising plans for better organization for the association. The President suggested that the State be divided into a Western Division under the supervision of Miss Carrie McLean of Charlotte, an Eastern Division under the president, a Southeastern Division under Mrs. D. L. Gore, of Wilmington, and a Virginia Division under Miss Lizzie Savage, of Franklin, Va.

The Loan Fund, the purpose of which is to help educate deserving girls who could not otherwise attend college was discussed and as present funds did not justify the placing of a girl in college for the present session it was agreed to defer this until session 1914, and the following committee to consider applicants for the use of this fund was appointed, Mrs. W. A. Miller, Union, N. C.; Mrs. T. A. Hawkins, Charlotte, N. C.

The treasurer reported fifty dollars. Expenses for the year were \$19.74. November was selected as the month when all former students of the college are asked to send in \$1.00, dues for the year, to Mrs. A. J. Williams, Ahoskie, N. C.

Mrs. E. L. Gatling reported a Chowan Club organization in the town of Windsor, in which the members keep in touch with their Alma Mater and at the same time are taking a course of study on household art. She read an excellent paper on club organization. Class organization was then discussed and the following representatives became responsible for the organization of their respective classes, Mrs. Norma Deans, 1866; Mrs. R. A. Majette, 1894; Mrs. J. R. Parker, 1901; Miss Lois Vann, 1905; Miss Nettie Brett, 1907; Miss Eddie May Vann, 1909; Miss Etta Banks, 1913; Miss Ruth Lassiter, 1914.

Realizing that the needs of the association demanded more personal work than could be given it by its officers, Mrs. D. A. Day, Mrs. J. P. Parker, and Miss Claude Stephenson were appointed to serve on a committee for the purpose of considering a suitable person who might be employed as field worker for the association during the summer months.

Since there is such a demand for more information concerning the progress of the institution and a medium by which the college may keep in touch with its former students, a College Magazine is to be published quarterly. The first editions are to be Alumnae numbers, and interesting facts furnished by any Alumnae will be appreciated by the editor. Subscription \$ .25 per year.

Interesting talks were made by Mrs. J. P. Holoman on "College Influence," and by Mrs. Norma Deans, on "The College and the Town." Papers were read by Mrs. D. A. Day on "The College as I Knew It;" by Mrs. E. L. Gatling on "Club Organization;" by Mrs. D. R. Britton on "Class Organization."

No further business to be transacted the association adjourned to meet the second Tuesday in October, 1914.

Luncheon was served in the dining hall.

The Alumnae were glad to welcome their former presidents, Prof. John B. Brewer, John C. Scarborough, and Dr. James D. Bruner, whose connection with the college covers half its history.

Mr. Scarborough's address on "The College Woman in the Public Schools" was fitting and enjoyable. No one knows the subject better, nor was more able to give it a thorough discussion, as he has spent nearly half a century in connection with the Public School work of North Carolina.

Prof. Brewer's address on "The Necessity of a College Education" was one in which we were deeply interested. He showed that every vocation of life demands thorough preparation, but that our American commercial ideas are fast creeping into our college education and supplanting old ideas of culture.

The committee on nomination submitted the following report: Miss Esther Wynne, President; Miss Eunice Evans, Vice-President; Mrs. D. R. Britton, Secretary; Mrs. A. J. Williams, Treasurer. Social Committee: Mrs. Bessie Taylor, Miss Annie Barnes, Mrs. U. Watson, Mrs. Norma Deans. Literary Committee: Mrs. E. L. Gatling, Miss Claude Stephenson, Miss Mary McCullors, Miss Lois Vann. Programme Committee: Mrs. D. A. Day, Mrs. E. B. Vaughn; Mrs. W. P. Shaw, Jr.

Nominating Committee: Mrs. W. P. Holloman, Mrs. A. C. Vann, Miss Mary Emmer Long. Respectfully submitted, LOIS VANN, Sec. pro tem.

**DR. SIMMONS Squaw Vine Wine**

A Palatable Medicine especially prepared to relieve and cure the diseases which affect women

This excellent medicine is not only successful in conquering the painful and prostrating diseases that attack the female generative system but it is exceptionally pleasant to take. The usual rule that the nastier the medicine the more effective it is, is reversed in the case of Squaw Vine Wine. It is one of the pleasantest of medicines. The fresh juice of a well ripened sweet orange is not more agreeable. It is indeed a happy combination of sweet herbs compounded with just enough spirits to keep it fresh and active in its medicinal effect. Poor, tired mothers, worn out with the cares of a family and household, and suffering from those distressing aches, bearing down pains and nervousness which women only know, revive wonderfully under its strengthening and exhilarating influence. It eases pain, strengthens weakened parts, corrects irregularities, builds up a strong, vigorous body, restores brightness to the eye and color to the cheeks.
