### Margarettsville News.

Dr. W. W. Stancell was in Bethel a few days last week. He returned Friday very favorably impressed with the surroundings of the town.

Miss Louise DeBerry, Francisville, is spending this week with Mrs. Alma Bailey and family.

Messrs. Guy Britton and Frank Bailey spent the past week-end in Norfolk.

Mrs. R. H. Stancell left Monday for Murfreesboro where she will spend sometime renovating her beautiful home there.

Miss Lillian Edgerton went to Roanoke Rapids Saturday and remained with her friend, Miss Lucille Edwards, until Monday A. M.

Messrs. J. G. Bottoms and S. B. Jones spent Saturday in Weldon.

The friends of Master Clellon Bridgers, little son of Mr. and Mrs. Chas. Bridgers, will be glad to learn that he underwent his operation very successfully in a Baltimore hospital and is improving rapidly.

Mr. C. B. Vick and family motored to Seaboard Sunday afternoon and were guests of Mr. and Mrs. R. W. Edwards.

Mr. Lucius Bridgers attended services in the new Methodist church of Branchville last Sunday A. M. and assisted in the music. This being the first service, special music was prepared and we understand that it was pronounced the best ever rendered there.

The Commencement exercises of the Graded School will take place here Friday, May 19th. Hon. Garland E. Midyette, Jackson, will deliver the address.

### In Second District.

Four years ago, as the Statesville Landmark will recall, Representative Claude Kitchin and Governor W. W. Kitchin went about the State proclaiming the necessity of nominating a man for the United States Senate who would stand behind Wilson, who was almost sure to be elected President of the United States. Senator Simmons had offended in several ways—one of those ways being that he saw the need of incidental protection in the framing of tariff laws and voted his convictions. For which Mr. Claude Kitchin raked him over the coals and attacked Mr. Simmons in every conceivable way. Since that time the President of the United States has addressed a letter or two to Senator Simmons thanking him for his wise leadership, and there is not a responsible paper or person in the United States that has not lauded the senior senator from North Carolina. In this connection it is well to recall that it was the boast during the Simmons-Kitchin campaign, that if Simmons should be re-elected, he would be a better Democrat.

These things are recalled by the announcement that C. W. Mitchell of Anander, admittedly a strong man, has announced his candidacy for the house from the second district. He will make his fight against the so-called leader of the Democratic house, against one of the ablest men in the national Congress. The issue is similar to that of four years ago, and this time Mr. Kitchin's record will be attacked.

In the whirligig of time many things may happen, but none stranger than this has been brought to our attention. The whole country will be interested in the result."—Hickory Record.

## HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

The Presidential contest also will soon be at hand. Already candidates for the nomination are in the field, and the campaign, owing to the extraordinary character of the times, will be of supreme interest. No other newspaper will inform you with the promptness and cheapness of the Thrice-a-Week edition of the New York World.
