JUNIOR RED CROSS WORK *

We have again received a re-Northampton Superior Court to get the schools to fill Christmas stockings for the disabled veter ans of the World War. Nearly all schools are now members of the Junior Red Cross and practically all members are enthusiastic about the Christmas opportunity. Already seventy-one stockings, size twelve inch feet by fifteen inch legs have been promised. Last year we remember that fifty odd were first promised and ninety-five actually sent to the Veteran Hospitals. This year we are confident that many more will be sent than have been promised. We feel Wiccacanee-E. M.
