Indiana Populist Plan, a New Political Party. Hearst Favors Reorganization. Bryan's Plan for Future.

Indianapolis, Ind., Nov. 9th—A movement to reorganize the Republican party in the United States has been started by leading Populist of Indiana. It is proposed to make Thomas E. Watson, of Georgia, the leader of the reorganization, and their candidate for President in 1908.

Secretary John Medert, of the Populist State committee, said to-day that a conference of Indiana Populists, Democrats, Socialists, and others will be held here soon, looking to promoting the plan of reorganization.

"Nothing can prevent Tom Watson from leading the fight against the Republican party in 1908," said Medert. "Bryan's leadership has been completely discredited in Indiana by his advocacy of Judge Parker's election." Analysis of the returns shows that the sweeping Republican victory in Indiana is largely due to Silver Democrats, who knifed Parker. For every Gold Democrat who returned to the fold about ten Silver Democrats voted for Roosevelt.

Hearst Favors Reorganization.

New York, Nov. 9.—W. R. Hearst issued the following statement to-night with regard to the report that steps were being taken to organize a new party:

"I have no knowledge of any meeting between Mr. Watson, Mr. Bryan, and myself. I think the Democratic party will reorganize itself on a basis of true Democracy, eliminating the Wall street influence that proved so disastrous in this campaign, and I, as a loyal Democrat, will be very happy to see that done. I am always ready to contribute my own services and those of my papers to the Democracy for reorganization or any other purpose if they should be required.

"I shall be glad to work with all loyal Democrats for the success of Democratic principles, but I think the loyal Democrats are quite capable of choosing their own leaders, and I imagine this point will now be conceded by those who endeavored to force leaders upon them."

Bryan's Plan for Future.

Lincoln, Nebr., Nov. 9.—William J. Bryan to-day denied that he would meet William Randolph Hearst and Thomas E. Watson in New York a week from now for the purpose of taking steps toward the organization of a new party. The statement that he would go to New York for such a purpose was made by Malvin G. Palliser, manager of Watson's campaign. Mr. Bryan has some reorganization plans, but he intends to stand sponsor for them himself.

The above coming out on the day after election, whether true or untrue must be treated as ominous of something. We do not put ourselves up as a political prophet but on the day of election, while going from Bayboro to New Bern in company with C. M. Babbitt the Chairman of the Republican Ex. Committee of this county, and the defeated candidate for the Legislature. We in answer

to a question put to us by him—stated that we expected just such a man, as the first and next plan on the political chess board, which shows, that we were looking at least a little further ahead than the end of our nose.

Maribel, N. C. Nov. 4th 1904.

Editor Bayboro Sentinel:

Dear Sir:—I saw in the columns of your paper of Nov. 3rd, a reply to Mr. C. M. Babbitt's circular of Oct. 31st. The reply brought I, J. F. Squires in, and in reply will say Mr. C. A. Flowers can not prove a single word he said about me. I know that there was some talk concerning I and Mr. Greens daughter. But it was all done for a purpose. But when I got straight behind the talk and carried the case to Mr. C. A. Flowers, he himself saw nothing in it but talk so he told me, and he Mr. Flowers instructed me how to stop the talk and the matter was settled before him and Mr. J. W. Rice both J. P. at the time. I have nothing to do with Mr. Flowers and Mr. Babbitts business and should not have said a word if Mr. Flowers had not called my name and the way he is trying to slander me now. No one would think shortly after this talk about me he asked me to support him for commissioner and to do all I could for him to be elected and I did vote for him and canvassed for him too the best I could and I did him some good too, while the colored people was in politics. He also challenge Mr. Babbitt or any one else to successfully deny the above statement. I do deny and what he said was not no hearsay about me but was the fact. All Mr. Flowers knows about it is he was told and that not enough to prove my guilt. Which I was not guilty of no such crime in my life and I can prove it. I call upon Mr. Flowers to prove what he has said about me except about my color. I am black, but I feel my color is just as honorable as his. Though I guess Mr. Flowers likes muggles. So far as he going before the Board of Education to keep me from being appointed Committeeman is untrue he never went in the room where the Board was assembled, if I am not believed ask Mr. John Cowell, who was Chairman of the Board at the time, also Mr. Thomas Sawyer and Mr. W. D. Alfred who was all there. I do not write this reply to Mr. Flowers letter to do Mr. Babbitt any good because I have nothing to do with him and it is too late anyway. So if one part of his letter is untrue you may judge the whole.
