**BRYAN ASSAILS COX AND H. S. CUMMINGS**

Call's Choice of Democratic Convention Chairman a 'Tragedy' for the Party.

**COX CANDIDACY A DISGRACE**

His Nomination Would Be an Insult by the Liquor Forces, Nebraskan Asserts.

Special to The New York Times. LINCOLN, Neb., May 13.—William Jennings Bryan turned his head toward the Democratic National Convention and his Chairman, H. S. Cummings, and Governor Cox of Ohio, in a statement given out here he says: "The selection of Chairman Cummings to sound the keynote of the Democratic National Convention is worse than a comedy. It is a tragedy. It is a melancholy beginning if the Democrats have any intention of making a campaign this year. If the Democratic Party is to be wrapped in a wet shroud, locked up in a wall

Street walk and buried at sea, Cummings is just the person to officiate, but his selection is a serious handicap to the party's progress in the country. Mr. Bryan calls the Cox candidacy a disgrace. He says: "The fact that the Democrats of two dry States, Ohio and Kentucky, have instructed for Governor Cox makes it proper to consider his position on the liquor question. It is becoming every day more and more apparent that he is the man about whose standard the wet forces will gather. Governor Edwards is a joke. A drunkard in the last stages of delirium tremens would have sense enough to know that Edwards has no chance of nomination. Senator Hitchcock did not have any chance even before the Nebraska primary, hence he had nothing to lose. Governor Cox is their man and he has fairly won the dishonor that he seeks. After disgracing his State he aspires to a position in which he could disgrace a nation. For years the men engaged in the liquor business have been the real anarchists of the country, far more dangerous than the professional anarchists. Governor Cox has become their candidate. His nomination would make the Democratic Party the leader of the lawless element of the country and his election, if such a thing were possible, would turn the White House over to those who defy the Government and hold law in contempt. There is no likelihood of his nomination and no chance of his election if nominated, but why should any Democrat be willing to support a man whose nomination would insult the conscience of the nation? For the triumph of prohibition is a triumph of the nation's conscience."

**Worth-While Saving.**  
 An efficiency expert found that the girls in a hat manufactory whose work it was to sew silk-ribbon bows and hat bands on hats wasted bits of ribbon valued at \$300 a year in cutting by guess from the rolls of ribbon given to each girl. Now the ribbons in that factory are cut by accurate gauges.
