WHY DO THEY LIKE THIS MAN?

It is Because He Has the Life and Energy that Red Blood Gives

He has a good color. He is strong and virile, and looks it. He is good humored. He laughs easily. In short, he is "full of life," which is simply another way of saying he is full of red blood. If you are weak and run-down and nervous, don't sleep very well and have a poor appetite go to your druggist and buy a few bottles of Gude's Pepto-Mangan and take it for a few weeks at meal-time. See how it will build you up by giving you plenty of good blood. Don't drag around half sick and half well. Get some "pep" into you by taking Pepto-Mangan. Sold in both liquid and tablet form. Adv.
