**HOME-MADE CANDIES**

This is the time of the year when a box of good candy is appreciated.

The following are a few good ones worth trying:

**Butterscotch.**—Take two cupfuls of granulated sugar, one-half cupful of molasses, one cupful of butter and cook until the mixture forms a hard crack in cold water.

**Put one cupful of chopped peanuts in the bottom of a well-buttered dripping pan and pour over the boiling hot sirup. When cool mark into squares and break apart.**

**Divinity Fudge.**—Take two cupfuls of sugar, two-thirds of a cupful of corn sirup, one-third cupful of water, boil without stirring until it forms a brittle ball in cold water. Pour the hot sirup over two well-beaten egg whites and one-half cupful of seedless raisins, one-half cupful of chopped walnuts and a teaspoonful of vanilla. Pour into a greased pan and when cool cut into squares.

**Raisin Fudge.**—Put one-half cupful of milk, two cupfuls of sugar, one square of unsweetened chocolate in a pan and cook without stirring until the mixture forms a soft ball in cold water. Remove from the fire, add a tablespoonful of butter, and cool. Then add one-half cupful of raisins, one teaspoonful of vanilla and beat until the mixture is creamy. Pour into buttered pan and mark into squares as soon as it is cool enough.

**Chocolate Delight.**—Break one pound of chocolate into the top of a double boiler, melt, and add two unbeaten eggs, stir until combined. Add one cupful of blanched almonds, sliced thin and beat well, turn on a buttered plate and mold into one large ball. When partly chilled form into small balls and roll them in sifted powdered sugar.

**Peanut Brittle.**—Shell a quart of peanuts, remove the brown skins and roll or chop, not too fine. Put one pound of sugar into a perfectly smooth omelet pan, place over the fire and stir constantly until melted to a sirup; add the nutmeats with one-fourth teaspoonful of soda and pour into a well-buttered dripping pan. Break into pieces when cold.

Mr. John W. Hamilton, Register of Deeds says that while going to his home at Atlantic last Saturday he and his family were riding along quietly on the Shell road, he saw what he thought to be two dogs fighting, and he drove up near they did not stop, and he saw that while one was a dog the ohtre was a fox, so he got out of his car and picked up a stick to attack the fox, and that the fox immediately made for him, and would have jumped upon him if it had not been for the dog who kept on fighting the fox. Mr. Hamilton says that he got back into his car and drove into Atlantic, secured a gun and went back and killed the fox.

**LETTER FROM THE PASTORS.**

Most people observe Easter and a very large proportion of Christians also pay some attention to Good Friday. This seems to us fitting. On Easter Day we keep in mind our Lord's Resurrection from the dead. There could have been no Rising unless His death had proceeded it.

We observe Memorial Day and maintain silence in memory of those who gave their lives for us in the Great War. It would seem even more appropriate for us to observe each year the death of Him who gave His life that we might live.

We therefore join in suggesting that it will be fitting for all of our people to take some formal and concerted notice of at least Three Hours that commemorate the last suffering of Our Lord upon the cross. To this end we suggest that, as far as possible, the places of business be closed and our people abstain from their ordinary occupations and attend the religious services that have been arranged.

Short services will be held on Good Friday, April 10th, in the Methodist church at 2 P. M. and in the Episcopal church at 2:40 P. M. All are cordially welcome.
