Parents And Teachers Meet. Musical Play to be Given Friday Evening

Morehead City, May 19—Monday at 3:30 at the School auditorium the Parents-Teachers Association of this city held the last meeting of the year. The newly elected president, Miss Bettie Harker, took the chair and conducted the meeting. She gave a brief talk to the members soliciting

their earnest cooperation; for without which, she as president would be unable to carry on the work planned for the coming year.

Miss Ola Long gave the treasurer's report. Miss Harker suggested that resolutions of respect be drawn up for the families of Mrs. M. L. Helms and Mrs. Mason Nelson expressing which they are members. A committee composed of Prof. H. L. Joslyn, Mrs. N. W. Jones and Mrs. Geo. Henderson was named. A new member Mrs. P. S. Slaughter was admitted to the association.

An interesting program was given under the direction of Mr. Whitford.

Three excellent papers were prepared by members of the Camp Fire Girls and Boy Scout organizations as follows: "School Attendance" by Jane Meadows Gorham, "Health" by Hazel Wade and "Home Work" by James Helms, to last to be published in the "School News."

Margaret Ball played a piano solo and the Camp Fire Girls gave their song.

The meeting adjourned to be followed by a short session of the executive board to make plans for the summer work conducted by the state.

Friday night May 21st at 8:30 o'clock at the school auditorium the

musical play, "The Prince and the Peasant" with a cast of 60 people will be given for the benefit of the musical Department of the Woman's Club of this city. The play is to be given under the direction of Mr. Theodore Webb. Out of town scenery has been procured to assist in the ball room scene which will form the ensemble. Great preparations are under way in creating the beautiful and elaborate costumes which are to be worn. The musical numbers are lovely and their accompaniments will be heard the well known artists, Prof. E. E. Purnier, violinist of New Bern, Professor Gibb Arthur, cellist, and Mr. Theodore

Webb, pianist.

The play is for a worthy cause, the proceeds of which will go to the scholarship of music fund which the club plans to give.

ABSOLUTELY ASTOUNDING!

That's the only way we can describe it! Never before have you seen anything like it! Imagine a group of explorers discovering a spot where the foot of man never before has trod. And this group of men and a woman trapped—imprisoned in this lost world. Where ape men roam—where animals the size of 15 elephants, and flying reptiles the size of an aero plane, monsters of 10,000,000 years ago still live, battling each other and this group of adventurers. And after a series of hair raising adventures, escaping with a captured monster and carrying it back to London where it breaks its shackles and raises havoc in the city streets. Now these marvels are bared to your eyes. You will gasp with astonishment and wonder. Something never to be forgotten.
