NEWS ITEMS FROM
HARKER'S ISLAND

This week the baby girl of Mr.
and Mrs. Terril Scott died of whoop-
ing cough with other ailments. We
are sorry but cannot help.

Last night some folks from Beau-
fort were here to see us, and one
man from Jones county, Mr. J. S.
Hargett, he together with Mr. L. W.
Hassell spoke in an interesting way.

Our preacher, the Reverend E. B.
Bell and Earnhardt were intend-
ing to hold a revival meeting this
week but for the dangers of the
whooping cough I guess it will be
postponed.

The northeaster this week has
caused lots of damage to the mack-
erel fishermen and ran some big
steam ships and tugs with tows in the
hook.

Well after all I am glad to state
in these little items that Harkers
Island is at last moving the rounds
of its ladder higher up. Gradually
but surely it is on the list of eleva-
tions. The road man is doing his
now and we will do ours.

Harkers Island with a population
of about 1200 should not and shall
not be overlooked by our county.
These people are good people (as a
rule) and they must have their dues.

Well I guess the whooping cough
and mumps have not played their
part well enough among the chil-
dren here and to put a final touch
on them the measles has come. I hope
the doctor will find out for sure so
it can be stopped before flooding the
island as the whooping cough has.

Sunday I had the pleasure of an
introduction to Mr. J. N. O'Neil ac-
companied by Mr. Luther Yoemans,
Mr. Dannie Willis, Mr. Fred Lewis
and Mr. Clayton Guthrie and son,
a few words being passed and we
were invited and taken by Mr. O'Neil
into and all through his beau-
tiful house and its surroundings. It
is being built by Mr. Willie Nelson
of this place. He intends to have it
tipify as nearly as possible a modern
cottage of the bungalow type. We
like him and respect him as one of
Harkers Island high bred citizens.

I see that Mr. Chas. S. Davis and
Mr. Cleveland Davis have their oil
wells down and all arrangements
made for getting gasoline.

Friday while riding and maneu-
vering around in their new car Mr.
and Mrs. Telford Willis ran into an

oak and did some damage to the car
and some to the oak, but no one on
board was hurt.

The pastor here the Rev. Mr. Earn-
hardt has the pleasure of being with
his mother this week. She is here
visiting the island and preaching.
The whole family of the Earnhardts
are preachers. Mrs. Earnhardt can
preach with such force that causes
one to feel hot flashes go up and
down one back. We are glad to
have her with us.

Saturday night while two boys
were talking close by the store of
Cleveland Davis a coco cola bottle
came from the East as from the
muzzle of a gun and struck the store
close by the boys.

Mr. and Mrs. Clayton Guthrie and
little Junior were welcomed visitors
here Sunday.

Our lodge meeting we omitted last
night because of speaking and preach-
ing. Everything seems to happen all
at the same time.

The lodge here on the island is
going to be ahead of any other.
Look out it is going at a good rate.
Stop! Look! Listen! and read the
Beaufort News.

ITEMS FROM CORE CREEK.

The weather man has been giving
us beautiful weather. A little cool
but better than so much rain.

in New Bern.

Mr. and Mrs. L. C. Dickinson and
little daughter spent Sunday with
her parents Mr. and Mrs. C. T. Eu-
banks.

Mrs. W. R. Murdin and little son
Will Jr. of Fairfield are spending
some time with her parents Mr. and
Mrs. D. W. Sabiston.

Mr. G. C. Langdale spent the week
end with his family, returning to his
work Monday morning.

Messrs. L. C. Dickinson and B. B.
Smal made a business visit to South
River Tuesday.

We are looking for the new bus
every day, but so far we have been
disappointed.

Mr. and Mrs. Roy Respass and
Mr. and Mrs. Marvin Foreman of
Washington spent the week end with
their parents Mr. and Mrs. A. W.
Foreman.
