## SURVEY OF WOMEN IN INDUSTRY CREATES CLASH IN COMMISSION

Matter Will Be Dropped Until Legislature Meets. State Prison Board Fails To Elect A Chaplain. Mother and Infant Released From State Penitentiary.

(BY M. L. SHIPMAN)  
Raleigh, N. C., July 19.—A quiet week was the order of affairs in Raleigh last week. The citizens breathed a sigh of relief when the first of the week brought rains which not only cooled off the atmosphere for the entire week but were very beneficial to the crops in this section of the State.

In official circles there was little of importance. The passing of Judge J. Loyd Horton was mourned and many officials were in attendance at the funeral last Tuesday at Farmville, which gave the young legal giant to the State. Judge Horton, youngest judge ever to grace a Superior Court Bench, died of heart trouble following meningitis. He was 32 years old when he died and had sat for five years on the bench.

The survey of women in industry attracted attention during the week when there was an argument behind closed doors over who shall conduct the survey. From what leaked it was understood E. F. Carter of the Child Welfare Commission and Mrs. Kate Burr Johnson were at odds in the selection of persons to make the survey. The Governor conferred with the members of the survey committee during the week. Nothing will be done about it until the General Assembly meets in January, if it is done then.

The State Prison Board met during the past week to select a new welfare officer to succeed W. S. Shacklette who was "fired" last winter. Some of the members are opposed to having a preacher and some are opposed to having a welfare worker for the job so the matter was not decided at the meeting.

Definite steps were taken during the week to relieve the acute water shortage at the State Hospital at Morganton. The shortage was caused by drought and the Governor has authorized the building of a new system of piping and control of a small stream and the purchase of additional acreage for a water shed. It is believed this will adequately care for the situation. The cost will approximate \$45,000.

Governor McLean during the week paroled the young woman who recently gave birth to a child in State's Prison. She was serving a sentence for immorality and had been at the prison only a week when the child was born. In issuing the parole the Governor said it would not be right to leave the child in the prison and it would not be human to take the child from the mother. He therefore decided to remove both from the prison. The young woman, it was understood by the Governor, would return to her mother in Georgia with a determination to live the right kind of life. The Governor during the week also received many letters of commendation on his action in the Mansel case and he believes that in commuting Mansel's sentence to life from death, he correctly interpreted the feeling of the people on the matter.

North Carolina's good roads continue to take a heavy death toll. The Associated Press reports which are issued each week have showed for several weeks that North Carolina was leading in deaths. Last report, issued last Monday, showed that all Southern States for the week were led by North Carolina, with seven killed and nine injured in auto accidents.

Coroner L. M. Waring of Wake County brought a serious charge against the State Hospital for Insane at Raleigh during the week when he investigated the suicide of a young mentally deficient girl at the institution last week. He said he found the girl in a dark room, poorly ventilated on the hottest night of the year and on a bed infested with vermin. Dr. Albert Anderson, superintendent of the institution, says that he will welcome an investigation. Nothing definite has been done about the matter thus far.

The Auto License Bureau is still working at high speed issuing licenses.

Two new wings, one to replace that destroyed by fire last April and the other to fill he need for additional space at the State Hospital for the Insane here, are to be constructed at once. The contract was recently awarded to W. P. Rose, of Goldsboro, by the board of directors for which the sum of \$345,000 is to be paid. The plumbing is to be done by Dunford & Kern, of Oxford, for (Continued on editorial page)

## FISH COMMISSION HEARING.

The Fisheries Commission Board will hold a meeting and public hearing at the Court House in Beaufort Monday August 16th. at 10:30 a. m. The purpose of the session is to allow fishermen and others interested in changing the present fishing laws or having other laws enacted to express themselves before the Board. All persons in the County who have any complaints to make or any opinions to express should appear before the Board at that time.

## CAROLINA BANQUET TO BE ADVERTISED

Annual Event to be Photographed and Made Known to Alumni Everywhere

The Carolina Banquet, annual social event of University alumni and students living in Carteret County, will be made known to all University alumni in such a way that considerable advertising value may accrue to Carteret County and the local alumni association. Daniel L. Grant, Secretary of the General Alumni Association, after receiving word of the reunion banquet to take place at Morehead Villa tomorrow night, asked for flash light pictures and a complete account of how the affair comes off so that he might make it known to alumni in general.

The principal speaker at the banquet will be Professor Harold D. Meyer of the Sociology Department who has a distinct record as speaker at such occasions. J. H. Monroe, chef at the Hotel, has prepared one of his best menus and the Carteret County alumni and students are planning to attend in large numbers.

A boat will leave Beaufort at 7:30 p. m. and go direct to the Hotel where the banquet is expected to begin not later than 8:30.

## FORMER BEAUFORT MAN DIES IN NEW YORK

The body of Mr. David C. Rumley who died in New York recently reached Beaufort Monday morning and was taken from the train to Live Oak cemetery and interred in the family burial plot. Reverend E. Frank Lee of Ann Street Methodist Church conducted the burial services which were simple and impressive.

Mr. Rumley was 46 years of age and was the son of Captain Denard and Mrs. Mary E. Rumley. Captain Rumley was the keeper of the lighthouse at Cape Lookout for a number of years and was well known and highly respected in this section of the country. Mr. David Rumley served in the United States army during the late war and since then has been engaged in laboratory work of some kind. He was never married and his nearest surviving relatives are two sisters Mrs. W. L. Hattell of Beaufort, Mrs. John J. Douglas of Jefferson City, Tenn. and a brother Reverend Julian Rumley, of Farmville, N. C. There are also several nieces and nephews surviving him. Although Mr. Rumley never lived in Beaufort very long he had visited here frequently and was known by a good many people here.

## MR. DUNCAN IMPROVES.

Mr. Ernest Duncan who was slightly injured yesterday afternoon is reported this morning as having improved and is expected to be out again in a few days. Mr. Duncan suffered a broken artery when he jumped to avoid a hand car at a railroad crossing on Broad Street and fell, striking the rough concrete pavement with some force.

## MARRIAGE LICENSES.

The following permits to wed have been issued by Register of Deeds John W. Hamilton since last week: Norwood Paul, Norfolk, Va., and Eunice Rose of Sea Level.

Earl Dennis and Elizabeth Davis, both of Marshallburg.

Otis Edwards of Merrimon and Pamela Reels of Merrimon (col.). Harold Hodgkinson of Washington, D. C. and Ellen B. Lay of Beaufort. David Sparrow and Kathleen Henry of Beaufort (col.).

## HODGKINSON-LAY WEDDING MONDAY

Marriage of Harold Hodgkinson and Miss Elen Lay at Episcopal Church.

A wedding of rare simplicity and loveliness, which will be of much interest to friends in the State, took place at six-thirty o'clock on the evening of Monday, July 19th. at St. Paul's Church, Beaufort, N. C. when Miss Allen Booth Lay, the daughter of the Reverend and Mrs. George W. Lay was married to Mr. Harold Hodgkinson of Worcester, Massachusetts.

Tall cathedral candles were used on the altar, which was banked with green. Mosses and phlox, shasta daisies and petunias were used throughout the church to complete the decorations.

The bride entered on the arm of her brother, Mr. George W. Lay, who gave her in marriage. Her wedding gown, of ivory brocade satin, in bouffant style, was made with a banquette waist, and a full, long, hooped skirt. She wore her mother's wedding veil, which was caught with orange blossoms, and carried a bride's bouquet of white phlox and fern, tied with tulle.

The maid of honor, Miss Lucy Lay, wore a dress of orchid georgette over pale yellow, with an orchid picture hat, trimmed with gold ribbon. Miss Katharine Butts, and Miss Virginia Lay, the bridesmaids wore frocks of pale pink organdie, with picture hats of pink taffeta and maline. The attendants carried arm bouquets of pastel flowers, tied with pink tulle.

The groom was attended by his brother, Mr. Ralph Hodgkinson as best man. The ceremony was performed by the bride's father, the Reverend George W. Lay. The ushers were Mr. Joseph House, Mr. Bayard Taylor and Mrs. Henry Lay of Beaufort.

Mrs. Allen O'Bryan, of Beaufort, played the wedding music, using the wedding march by Wagner and Mendelssohn.

Immediately after the ceremony, Mr. and Mrs. Hodgkinson left for a trip of several weeks, after which they will be at home in Washington, D. C.

Mrs. Hodgkinson is the daughter of the Reverend and Mrs. George W. Lay, of Beaufort. She was graduated from St. Mary's School in Raleigh in 1919 and from the University of North Carolina in 1922.

Mr. Hodgkinson is the son of Mr. and Mrs. Harry Hodgkinson of Worcester, Massachusetts. He was graduated from Clark University in Worcester in 1921 and later taught at St. Paul's School, Concord, New Hampshire.

The bridal party and a few intimate friends of the family were entertained informally at the home of the bride on the evening before the wedding.

The out of town guests included Miss Helen Battle and Miss Katherine Batts of Tarboro and Miss Annie Alexander of Scotland Neck.

## PRISONER BREAKS JAIL BUT IS BACK AGAIN

Manly Bailey colored, who has broken out of jail three times in about two weeks, was captured again Monday night and this time Deputy Sheriff R. E. Chaplain thinks he will stay put. That is if a chain will hold him in the cell. Bailey put up a considerable fight when he was arrested Monday night at the factory of the Beaufort Fish Scrap and Oil Company. Deputy Chaplain had given him his pistol to George Smith who was with him and when he started to put the handcuffs on Bailey he proceeded to fight. They had a considerable scuffle in which the clothes of both the officer and the prisoner were considerably torn. However by the use of a piece of pipe which he got hold of Deputy Chaplain succeeded in subduing the negro and he was taken to jail and locked up again. On next Monday Bailey, who is about 23 years old, will stand trial on the charge of breaking jail and possibly one or two other charges which have been hanging over him. He was committed to jail for 30 days for fighting.

## GEORGE D. STYRON IMPROVES.

George D. Styron who has spent the last few weeks at the Morehead City hospital following an accident at the Beach has now returned home; friends state that his condition is improving and they are expecting an early recovery.

Mr. and Mrs. William Bell and their son of Washington, N. C. are visiting their brother Mr. B. A. Bell.

## CLUBS TO STUDY FOOD SUBJECTS

Miss Powell Outlines Plan of Work For Four Years Study

Miss Powell, the home demonstration agent, finds that the clubs which she has organized want to begin the work in Foods and Nutrition first. The following is the Four-year Plan of Work for Women in Foods and Nutrition which will be given at the Home Demonstration meetings.

## Meal Planning and Preparation

I. MEAL PLANNING.  
Why? economy of time, energy, money, makes for better health of the family.

How to plan—consider factors that influence need of group, function of food in the body, source of foods, the daily essentials, the three meals a day as a unit. Plan breakfast menus for own family. Score food and health habits of own family.

## II. BREAKFAST: FRUITS, CEREALS.

Importance of eating breakfast, relation to other two meals, selection of an adequate breakfast.

Study food value, use in the diet and preparation of fruits and cereals. Emphasize fresh fruits and whole grain cereals.

Discuss menus on basis of information gotten in lessons I and II.

## III. EGGS.

Emphasize protein, mineral and vitamin content of eggs. Study the food value and the preparation of eggs for the table. Plan a breakfast to be served at next meeting.

## IV. MILK.

Study composition and food value of milk and milk products, the use of milk in the diet. Preparation of milk dishes. Prepare and serve breakfast.

## V. DINNER.

Classification—light, medium, heavy, study needs of each member of the family and plan the dinner in relation to other two meals. Preparation and serving of one vegetable to be used for main dish. Score food and health habits of family.

## VI. VEGETABLES.

Study the food value of vegetables in the diet, method of cooking, comparison of value of raw and cooked vegetables, need of the year-round garden, value of canned and dried vegetables.

## VII. SALADS. Value of salads in the diet.

Care and preparation of fruits and vegetables for salads. Types and preparation of salad dressings. Prepare several salads of the materials available on the average North Carolina farm home.

## VIII. MEAT AND POULTRY.

Study the composition and food value of meat and poultry. The kinds of meat, the effect of too much meat, methods of cooking meat, or fowl.

## IX. DESSERTS.

Place of milk, fruit, and pastry desserts in the diet. Selection dependent on the rest of the meal. Preparation of milk, fruit or pastry dessert. Prepare and serve a dinner.

## X. SUPPER.

Classification, light, medium, heavy. Selection of supper dishes dependent on other two meals of the day. Discuss the buffet supper or plate luncheon for serving large groups, suitable menus, methods of serving. Score food and health habits of family. Prepare and serve a beverage.

## XI. BREADS.

Value of bread in the diet, types of flour used in bread-making emphasis on whole grain flours. Study leavening agents, methods of preparation of quick breads, oven temperatures. Prepare quick breads.

## XII. Yeast Breads.

Prepare yeast breads—rolls.

## XIII. MEAT SUBSTITUTES, AND LEFT OVERS.

Meat substitutes nourish but stimulate less than meats. They may be used in the one-dish (combinations) in which representatives of each of the food groups are combined in one recipe.

## XIV. SCHOOL LUNCHES.

Most of the school children in North Carolina must eat a cold lunch at noon, hence it is necessary for the homemaker to plan ahead and have food that can be easily packed and that will be appetizing when cold. Discuss the container, the types of food needed by a child of school age and the best methods of packing. Plan, prepare and pack a school lunch.

## XV. ACHIEVEMENT.

Community Meeting—Program, music, etc.

Serving a community dinner.

This work will be given in three units, the first unit consisting of assignments I, II, III, and IV, the second

## POLICE COURT ITEMS

Four cases were disposed of by Mayor Thomas in police court Monday. For allowing his dog to run at large E. A. Davenport was assessed the costs under a suspended judgment which is the custom in such cases. Luther Fulford colored, throwing rocks at some boys, judgment suspended on payment of costs. Fairley Styron pleaded guilty to fighting. Judgement was withheld in this case for further consideration. Luson Johnson and Hettie A. Rhodes colored, fighting. They were let off with the costs.

## PIEDMONT SECTION SWELTERS IN HEAT

Beaufort Fortunate as Balance of State Is Gripped in Heat Wave

The Raleigh newspapers on Thursday reported the death of Thomas B. Yates, retired business man, who was overcome by the heat which reached a maximum in that city of 102 degrees, the highest since 1887. Greensboro papers report the collapse of B. B. Hartness and a number of partial prostrations, while the State as a whole, except those towns fortunate enough to be near the modifying influence of the sea breeze, is suffering from a heat wave that apparently covers the entire Middle West and East.

The following Associated Press dispatch explains the situation.

## Sections in East Suffer

Hottest Day of Year  
Easterners took what comfort they could Wednesday, the hottest day of the year in most sections and the hottest July 21 ever recorded in many in prediction of the weather bureau that rain was on the way.

Showers were expected out of the that source to the wilted east, as the heat also had rolled down to the Atlantic Seaboard from the western plains.

In New York city the mercury mounted steadily all day until it reached a new high record for the year of 96. There it stayed and dusk came without any suggestion of relief. Almost a dozen prostrations were reported during the night and one man, a laborer, fell dead in the ditch where he was digging.

## REAL ESTATE TRANSFERS.

The following realty transactions have been recorded by Register of Deeds John W. Hamilton since last week:

J. B. Lange and wife to Coreta Wade, lots 7, 8, 9, 10 block 114, Morehead City, for \$100.

W. B. Blades et al to S. A. Duplanty, lot 4, Morehead City, for \$900.

W. B. Blades et al to S. A. Duplanty et al lot 12, Morehead City, for \$200.

W. B. Blades et al to S. A. Duplanty et al lot 9-10 Morehead City for \$350.

W. B. Blades et al to S. A. Duplanty et al lots 4, 5, 6, 7, Morehead City, for \$1181.70.

W. B. Blades et al to E. H. Gorham lots in Morehead City for \$1250.

T. D. Webb, Jr. to Bernie B. Webb lot 14, square 71, Morehead City, for \$100.

W. L. Paul and wife to Halsey D. Paul part lot 244, Beaufort, for \$2000.

George J. Brooks (Trustee) to Lillie Belle DeNoyer part lot 17 Beaufort, for \$100.

N. W. Taylor and wife to J. F. Duncan (Trustee) land south of Taylor's Creek for \$600.

S. P. Hancock and wife to Hugh Overstreet, 40 acres, West side North River for \$100.

Hugh Overstreet and wife to C. R. Wheatly et al, 40 acres west side North River, for \$1300.

Alice W. Pelletier to Cicero Monroe one and one half acres, White Oak Township for \$10.

D. W. Morton and wife to W. F. Taylor and Roland Taylor, 11 acres, Whiteoak Township, for \$100.

D. W. Morton and wife to W. F. Meadows Co. land in Whiteoak Township for \$100.

unit of assignments, VI, VII, VIII, and IX, and the third unit of assignments X, XI, XII, XIII, and XIV with an Achievement Day at the close of each unit. Before receiving a certificate in foods and nutrition a club member should have completed the work as outlined and be able to demonstrate satisfactorily the planning, preparing, and serving of the three meals and should have such understanding of the fundamentals of nutrition that the well being of the family will be the best.

## BUDGET HEARING QUIET RELATIVE TO CITY LIMITS

Rumored Petition Against Proposed Extension Did Not Appear at Meeting

## BUDGET ADOPTION LATER

The special called meeting of the Town Commissioners last Tuesday night at which the town budget for the coming year was to be adopted was quiet as to the matter of extending the town limits to take in certain property east of Beaufort, issuing bonds to the amount of \$100,000 for the improvement of the property.

The town budget, published in the News last week, was read by Town Treasurer, W. L. Stancil, and on advice of Mr. Stancil final adoption of the budget was postponed until the first week in August, when it was thought that the tax books would be ready and it could be found out whether an increase in the rate would be necessary to take care of the \$11,580.00 increase over last year's budget. It was thought that the increase in taxable values would offset the increase in expenses. As stated by Mr. Stancil, over \$7,000.00 of the increase will go to pay the interest on bond issues.

Town Attorney, Graham W. Duncan, who went to Raleigh to interview Attorney General Dennis G. Brummitt on the legality of the town's expending \$100,000 to improve certain lands east of Beaufort, refused to tell the Attorney General's opinion on the matter, saying that his opinion was the property of the Board and that the public would have to await the Board's permission on the matter before learning what the ruling was.

The resolution, passed at the last regular meeting of the Board, authorizing this expenditure is printed in part below:

Now, therefore, be it resolved by the Board of Commissioners of the Town of Beaufort, North Carolina, in meeting regularly assembled, pursuant to recess from regular first Monday of June 1926 meeting:

1. That the report of the Committee (T. M. Thomas, Jr. and W. P. Smith) aforesaid be, and same hereby is, accepted and the recommendation made therein approved:

2. That Front street be extended eastwardly from the present eastern terminus thereof, as shown on the plat or map attached to the committee's report, as so hereby this reference is made part of this resolution;

3. That the improvements be made upon the basis of 100 per cent assessment on abutting properties, such assessment to be made at actual cost per lineal foot, etc.

4. That the estimated cost of said improvements, now contemplated, as reported by the Committee, is One Hundred Thousand Dollars; which sum the Mayor and Clerk to this Board are authorized, empowered, an directed to negotiate loan for, and to evidence such loan they are hereby authorized to issue bonds, etc. of the Town of Beaufort, upon term not exceeding ten years from dating; and to secure said loan the credit of the Town of Beaufort is hereby irrevocably pledged.

5. Be it further resolved that George J. Brooks be, and he hereby is, appointed Engineer for said proposed improvements—his compensation to 5 per cent on the total estimate to final completion, in addition to the sum of \$400.00 expenses incurred in connection with the preliminary surveys and other work preliminary to resolution of this date.

7. Be it resolved further: that the appropriate advertisement be forthwith made, upon the plans and specifications prepared by the Engineer, to the end that contract may be let for the proposed work.

Read, passed, and approved by unanimous vote of the Board of Commissioners of the town of Beaufort, North Carolina, in meeting regularly assembled, at the City Hall, this 20th day of June 1926.

(Signed) M. A. HILL,  
Clerk.

## FIRE DRAWS CROWD

The alarm of fire turned in from box 34 Tuesday morning brought out a big crowd of people in a very few minutes as well as the firemen. The fire occurred about half past nine and was at the home of Mrs. A. L. Nance on Cedar street. It was not serious however, some waste paper caught on fire, and was put out by the firemen in two or three minutes.
