**NEWS DEPARTMENT.**

**COLORED SCHOOL.**

**GENERAL NEWS**

Although there has been little athletic activity among the students this year, because of the condition of the grounds and building, the desire for self expression has not been dormant. And now that the coming of spring has brought more favorable weather this desire for self expression is manifesting itself in club organizations. All of the classes are organized either in whole or in part into clubs, having as their objective the improvement of the members, and to assist the school in its financial obligations. Special mention should be made of the organizing of the High School. The Principal made the suggestion, and three girls Thelma Williams, Annabel Stanley and Lella Stanley with Thelma Williams as chairman organized the club with the following officers elected by blind ballot:

- President ..... Goldie Dennis
- Vice-President ..... Bessie Stanley
- Secretary ..... Annabel Stanley
- Treasurer ..... John Davis

Contrary to usual club procedure in school they organized and went promptly to work—making and selling candy.

**NEWPORT R. F. D.**

Quite a number from here were visitors at Newport Saturday shopping.

Mr. and Mrs. Monroe Rhue of this place were visitors at Newport Sun-

The "Just Us" Club formed by the sixth grade, and the second and third grades, have constructive programs for organization and development. When we consider the needed practice and experience which can be obtained from this kind of extra curricular activity its importance is obvious.

**PARENT-TEACHER ASSOCIATION**

Last Monday evening the school auditorium was comfortably filled with fully one hundred patrons and friends who had come out to the monthly meeting of the Association. Interest in the school has been increasing rapidly with each succeeding month, and now that work has actually commenced on the new building the increase seems to be with geometric ratio.

**IRON CLAD** silk. Touch it. Feel it. The exquisite beauty of Iron Clad silk hosiery, and the loveliness of the latest shades are irresistible. Graceful feminine curves revealed in dainty silken Iron Clads display a strangely elusive charm that only Iron Clad silk can give. Ask for them at our store. They wear. They wash again and again. And they stay new a long, long time. Remember. **Iron Clads!**

**DAVIS BROS.**  
Front St. Beaufort

After a short program had been rendered, the President introduced two visitors—Mr. U. E. Swann, chairman of Board of Trustees, and Mr. R. L. Fritz, Jr., City Superintendent of Schools. In a business-like and concise manner, Mr. Swann reviewed the difficulties which the school board faced at the opening of school, outlined the plans for the erection of

the two schools this year, and then told the audience of the definite financial contribution which the community would have to make. So great was the interest of the audience, and so magnetic the speaker that despite the fact that an appeal was being made for money, the audience listened with rapt attention for fully thirty minutes, and then unanimously

**Save one-third**

Put one dollar in every three back in your pocket when you use **Stag semi-paste Paint**. It saves one-third the cost. Just mix a gallon of "Stag" with a gallon of linseed oil and you have two gallons of finest quality paint obtainable ready to use. Won't crack, nor peel. Bright, permanent colors. This fresh-mixed paint spreads easier, goes further. Better jobs for less money.

There's a "Stag" dealer near you. See him—or write us for literature and name of dealer. Ask for color cards or booklet showing houses in colors.

**Add \$50 or \$60 to the down payment on a Four —and get a Nash**

Nash 6-cylinder, 7-bearing performance costs little, if any, more than 4-cylinder performance. You can buy a Nash Light Six enclosed car for as little as \$925 f. o. b. factory—an amazingly low price for a car like this. For besides the exceptional smoothness of Nash 6-cylinder, 7-bearing performance, the Nash Light Six has every worth-while feature of modern motoring: Full force-feed lubrication; Nash mechanical 4-wheel brakes, with front wheel brakes totally enclosed. Double-beam headlights; Automatic windshield cleaner; Rear-view mirror; Gasoline gauge on instrument board. 5 Budd-Michelin steel disc wheels; Alemite chassis lubrication, instead of old-fashioned grease cups. Air cleaner and oil filter to seal the engine; steering gear especially engineered for balloon tires. And, in closed car bodies, genuine hardwood frames with rounded rear roofs like the costliest custom cars. You can buy this car for about the same price as one of the higher priced fours. At the most, you'll only need to add \$50 or \$60 to your first payment.
