

Big Tent Meeting Will Begin Sunday

Big Tent Now In Place On Court House Square; Large Choir Will Be Trained; Various Committees Have Been Appointed; First Service Sunday Evening.

The first regular service of the tent meeting to be conducted by Mr. W. Carey Barker of Lynchburg, Va., will be held in the big tent on the Court House square next Sunday night beginning at 7:30. From the growing interest manifested in these evangelistic services throughout the county, it is predicted that there will be an unusually large crowd to greet Mr. Barker from the very first service. Mr. W. Plunkett Martin, who is one of the finest choir directors in the south, has called for a choir rehearsal at 3:30 Sunday afternoon in the tent. More than one hundred and fifty voices have been invited by the choir committee to join Mr. Martin's choir. It is hoped that the majority of these can meet Mr. Martin for the first rehearsal. The choir committee in charge of this work is Mr. M. Leslie Davis, chairman, Mrs. U. E. Swann, H. D. Paul, Mrs. James Rumley, Jr., and Miss Hazel Noe. They are doing excellent work in preparing the way for Mr. Barker to have the largest and best chorus choir ever brought together in Carteret county. Another committee that will function efficiently for the benefit of all those who attend these services will be the tent committee composed of the following men appointed by Mayor Chadwick to act under the direction of one of his regular men on the police force; Mr. David Willis, Mr. D. C. Congleton, Mr. Denard Glover, Mr. Alex Graham and Mr. W. D. Skarren. These men will be on hand to assist those who drive their cars to the tent to the most convenient parking spaces. Mr. W. H. Taylor is organizing a crew of 26 ushers to look after seating the people in the tent. Every detail for the success of the campaign and the comfort of the people who attend is being looked after by the various committees in charge. The tent arrived last week and has been put in place on the square.

Letters of Endorsement

Strong letters of endorsement of Evangelist Barker have been received by Reverend J. P. Harris. They are given below.

Emporia, Va. Sept. 11, 1929
Dear Bro. Harris:

We had Brother Carey Barker with us in a three week's meeting here in Emporia last year. He did a splendid and lasting work in our community. His sermons are strong and straight, his theology is sound to the core, and his life is clean and consecrated. He is the type of Evangelist that can go back for the second meeting. I can endorse him enthusiastically. He has a warm heart and a warm message for all classes. Last month he was in our nearby town Franklin, Va., and had 66 for baptism at the close of the meeting. Hoping that you will have a great meeting and with kindest regards to you and yours, I am,

Geo. T. Tunstall, pastor.
West Point, Va. Sept. 10, 1929

Dear Sir:

I have been pastor here for more than four years and W. Carey Barker gave us the very best meeting that has ever been held by any person during that period. My people tell me that it was by far the best that has ever been held in West Point. There were more than 100 additions to the two larger churches alone. Our people were revived and the good effects of the meeting is still running high. May the blessings of God be upon you and upon Mr. Barker as you labor together.

Very truly yours,
Herbert R. Carlton, Pastor.

SIX PERSONS CONFIRMED AT ST. PAUL'S SUNDAY

Last Sunday morning in an inspiring service, attended by a congregation that taxed the capacity of St. Paul's Episcopal Church, the Right Reverend Thomas C. Darst, administered the Rite of Confirmation to a class of six, presented to him by the Rector, Reverend J. A. Vache. Bishop Darst delivered a most able sermon particularly fitted to the present day time and needs not only of that congregation but of the community at large. His text was Matthew 16th chapter, verse 24 "If any man will come after me, let him deny himself and take up his cross and follow me."

At the conclusion of the Confirmation service, the organ, given by Mr. and Mrs. Earl Webb to the church in memory of Miss Ann Elizabeth O'Bryan, who was killed in an automobile accident some time ago, was dedicated. The offertory was played on this organ by Mr. Theodore Webb. The two choirs, St. Paul's and St. Andrew's rendered special music for the service.

At eight o'clock Sunday morning the Holy Communion was celebrated by a large number.

COUNTY FEDERATION TO HOLD MEETING

TAX BOOKS READY FOR SHERIFF NOW

Collecting Now On 1929 Taxes; Try To Collect Back Taxes Also

The county's tax books for 1929 have been turned over to Sheriff Davis and all who desire to get the tax question settled and off their minds now have an opportunity to do so. One man in fact has already paid and possibly others have done so since this was written. The first man to pay was a Smith—F. R. Smith of New Bern. He owns a lot at Morehead Bluffs and paid his tax—\$4.79 to County Auditor Flint Tuesday afternoon.

At its meeting Monday the Board of Commissioners adopted a resolution fixing the tax levy at \$361,579.79. Members of the board present were C. H. Bushall, S. D. Edwards, Norman Gaskill, Denard Lewis. The report of County Tax Supervisor W. J. Flint was read, discussed at length and a motion passed accepting it. A motion was passed fixing December 2 as the date for a final settlement with former sheriff T. C. Wade.

An earnest effort to collect back taxes is now going to be made by the authorities. Tax certificates for the year 1928 have been placed in the hands of the County Auditor. County Attorney J. Wallace Mason has been instructed to proceed at once on taxes due for 1927 and previous years. Foreclosure proceedings will begin in a very few days on these tax matters. Sheriff Davis' tax collection bond for \$25,000 was passed on by the board and accepted. Some notes were ordered renewed and then the board adjourned.

TWO INJURED WHEN CAR AND TRUCK MEET

Goldsboro, Sept. 25.—D. M. Jones, deputy sheriff of Beaufort, was seriously injured, and C. L. Hardy, Negro of Route 1, LaGrange, was painfully injured in a head-on collision near Adamsville, two miles east of Goldsboro, late this afternoon. Both were taken to the Goldsboro hospital, where it was found that Mr. Jones had suffered serious scalp wounds and cuts about the face. X-ray pictures were made to ascertain whether the skull is fractured. Hardy was cut and bruised.

R. M. Patten, employee of the Benjamin Tractor Company, of Raleigh, was driving the coach in which Mr. Jones was riding. A number of witnesses stated that Mr. Patten was on the wrong side of the highway. Sheriff Grant let him go under a \$500 bond, charged with reckless driving. Riding in the truck with Hardy was another Negro, W. F. Pridden. No charges were preferred against either of these. Both the coach and the truck were practically demolished.

Calvin Jones, son of Mr. Jones, went to Goldsboro early this morning to see his father. He telephoned back that he had one broken rib, a cut on his face and some bruises. He is getting along very well and expects to be out of the hospital in a few days.

DOVER MAN KILLED IN AUTO ACCIDENT

New Bern, Sept. 24.—Marvin Daugherty, aged about 40 years, of Dover, this county, was killed instantly when thrown from an automobile in a collision three miles west of here on route 10 at noon today. A Donaldson, of Dover, companion of Daugherty and Miss Louise Forney, driver of the car which struck the Daugherty machine head-on, were brought here for treatment. Their injuries are serious. FIFTEEN PERCENT RETAIL PROFIT ALLOWED ON HIGH SCHOOL BOOKS

Raleigh, Sept. 25.—High school textbooks may be purchased by the children of the State at prices not to exceed fifteen per cent above the wholesale prices under the new form of high school contract entered into between the State Board of Education and the publishers, which requires that the publisher stamp in each book both the wholesale and retail price, it was learned last week from a letter sent to county and city superintendents of Public Instruction, A. T. Allen.

This information was sent to the local superintendents as a result of complaints coming to the State office that prices in excess of a fifteen per cent commission were being charged by dealers for high school textbooks. With the price stamped in each book, the patrons and pupils will know the

COAST GUARDSMEN SAVE TWENTY ONE

Swedish Steamer Lost Near Kill Devil Hill; No Lives Lost

NORFOLK, Sept. 23.—Twenty men and one woman were saved from certain death in the sea off Kill Devil Hill, N. C., early today when they were snatched from the deck of the Swedish steamer Carl Gerhard which stranded about 300 yards off shore. The vessel broke in two just a few minutes after the rescue was completed.

All of those on the doomed ship were brought safely to shore in the breeches buoy and the rescue was said to be one of the most thrilling the North Carolina coast has ever furnished.

The Gerhard according to information received over the government seacoast wires, had been partly disabled before she struck the beach. She had been battling a northeast gale since last Friday. Her steering gear had gone wrong and the vessel was almost helpless when she was sighted off Kill Devil Hill this morning by the patrolmen of the coast guard.

Rockets were fired by the men on the beach to apprise the Gerhard of the nearness of the shoals at that point of the coast but the warnings proved of no avail.

The ship was driven nearer and nearer the beach. She was hurled upon the shoals on the crest of a huge wave and then the sea, lashed for days by strong northeast winds, overwhelmed her. She began to go to pieces almost immediately.

The coast guardsmen, unable to launch their life boats in the wild surf, resorted to the use of the Lyle life line, and the breeches buoy which is a part of the life-saving outfit.

When the line, shot with remarkable accuracy from the shore, fell across the deck of the helpless craft, it was seized by eager hands and made fast to the forward mast of the Gerhard. The breeches buoy or basket was shot out to the ship. Mrs. Ethel Acheard, wife of first mate Acheard, was first to come ashore in the basket. The life line sagged considerably and several of those who took the ride in the basket were dragged through the sea for several feet.

A short distance from the Daugherty car a blow out of a tire on the young woman's machine threw it out of control and a few seconds later it crashed head-on into the other car.
Daugherty, a farmer, leaves a widow and three children.
An inquest will be held tomorrow afternoon. Coroner Joseph R. Latham announced.

Music Recital Will Be Given At St. Paul's

All music lovers of Beaufort and Morehead City will be delighted to learn that on Monday evening, September 30 at 8 o'clock a delightful organ recital and musical will be given in St. Paul's Episcopal Church, under the direction of Mr. Theo. Webb. Mr. Webb promises a rare program for the evening. He will be assisted by Miss Mary Brockwell who won her way into the musical group of both communities with her wonderful playing of the old masters on the violin last winter. Mr. Gibb Arthur who needs no introduction as a master of the cello, and Miss Louise Brockwell a sister of Miss Mary Brockwell who was chosen, of all the students at Columbia University this summer, soloist to sing before the school. The richness of her voice and her charming manner have won her a place in those centres where she has lived before coming here this fall.

The Recital and Musical are for the benefit of the church furnishing fund and a silver offering will be received at the door.

UNIVERSITY HAS LARGE ENROLMENT

Despite Money Stringency Over 2500 Students Have Already Enrolled

Chapel Hill, Sept. 24.—Surpassing all expectations, the student enrollment at the State University this year has already passed the 2500 mark, and indications are that the total for the fall term will be around 2600.

The enrolment last year was 2504. Hence last year's mark already has been passed, and the record set in 1927, when 2631 enrolled for the fall term, is being seriously threatened.

President Chase and other University officials are both surpassed and gratified at the increase over last year. Due to the general tightness of money, it was feared that the enrolment this year would show a decided drop.

More than 400 are enrolled in the professional schools. The School of Law has 112, School of Pharmacy 85, and the School of Medicine 83. The School of Medicine has two women students and the School of Law one.

There are 110 in the freshman class in the School of Engineering, showing an increase of 30 percent over last year.

HIGH TIDES DAMAGE ROADS BUT GOOD FOR HUNTERS

Heavy rains for several days last week combined with several very high tides, due to easterly winds, have flooded some of the roads and done considerable damage to them. In fact the rainfall for the whole year has been considerably heavier than the average. The recent rains have hindered cotton picking and damaged some hay crops. It is an ill wind that blows nobody good though and the marsh hen hunters have taken advantage of the high tides to do a good deal of shooting. Reports are that some very good bags have been made.

TIDE TABLE

Information as to the tides at Beaufort is given in this column. The figures are approximately correct. Some allowances must be made for variations in the wind and also with respect to the locality, that is whether near the inlet or at the heads of the estuaries.

RECORDER'S COURT HAD A BIG DOCKET

Several Cases Of Very Serious Nature Were Heard; John Cannon Acquitted

Fourteen cases were set for trial on the docket of the Recorder's court Tuesday. Several were continued because witnesses or defendants were not present. The offenses charged were varied, including such things as bad checks, violating prohibition laws, larceny, attempt to burn a dwelling and incest.

Two Negro youths, Matthew Collins and William Potter were the first tried. They were charged with transporting whiskey. Attorney C. R. Wheatly appeared for Collins and entered a plea of not guilty. Evidence given by officers Styrone and Holland was that they stopped the car on Ann street near the bridge and that Collins broke a half gallon jar containing liquor when the officers started to arrest them. Collins' defense was that he was merely a passenger in the car and had been in it only a few minutes. The judgment of the court was not guilty as to Collins. Potter was found guilty and fined \$15 and costs or serve 90 days on the roads. He is also to appear every first Tuesday for six months and show that he has not violated any law.

Ike Dudley and Nina Dudley his wife, both colored and residents of Morehead City were tried on a liquor charge. They were defended by Attorney Luther Hamilton. Sheriff Davis, Deputy Stanford Gaskill Chief of Police Willis, Officer Ireddell Salter and D. M. Jones formed a party that made a raid on the home of the Dudleys last Saturday morning at about eight o'clock. They testified that they found Ike asleep; that his wife was rather slow about opening the door and they heard breaking glass. When they got in they found a half gallon jar of whiskey in a tub of dirty water and two broken jars in it also. The Dudley woman grabbed a pistol which was taken away from her by Deputy Gaskill. The officers did not have any evidence of any sale of liquor and the defendants said that it was for home consumption. Ike admitted having sold liquor in the past but denied the impeachment this time. Judge Hill decided that the woman might go free and that Ike was guilty. He at first decided to give him six months on the roads but he yielded to Mr. Hamilton's plea for mercy and gave him a fine of \$25 and costs and a sentence of twelve months on the roads with prayer for judgment continued for two years the defendant to violate no law of the State for that time.

The first case taken up after the noon recess was that of John Cannon, white farmer of the western part of the county on the charge of incest. His attorney Mr. Hamilton pleaded not guilty for his client. Witnesses for the prosecution were two daughters and a son of the defendant. The first witness was Effie Cannon, 22 years old, who appeared with a four months old baby in her arms. She denied any sexual relations with her father and said that one Eugene Overton was the father of her child. The other sister denied any knowledge of any improper conduct between her father and sister. The son was not called to the stand. Judge Hill was sitting as a committing magistrate, as the offense was beyond his jurisdiction, and ordered an entry of not probable cause to be made.

Allen Jones, a Morehead City Negro, was tried on the charge of having a bad check for \$83.31 to E. C. Willis for groceries. Jones, who cannot read or write, said Mr. Willis asked him to sign a check for the amount and that he told him he had no money in a bank but did make his mark on the check. He was willing to make a weekly payment on the debt but had only \$2.25 at that time. Judge Hill let him off with the costs in the case amounting to around \$20 which he did not have. However he still had faith in his credit for a few minutes later he tried to borrow \$20 from Mr. Willis and did succeed in getting a quarter from him. Court recessed to meet Wednesday morning at 9:30.

The first and most important matter taken up Wednesday morning was a trial of Wheeler Smith of Newport on the charge of setting fire to his mother's residence. He seems to be about eighteen years old. Mrs. Smith and a young daughter Ruby were in court and testified. Their testimony was not sufficient to make out a case against the youth. His mother said he gets drunk sometimes and behaves badly. It appears that he was hurt in a car accident a year or so ago and some think his mind was impaired.
