SUPERIOR COURT STOPPED FRIDAY

resulted in a conviction and a six Most Of Civil Docket ContinuedTo December; Some True Bills Found

> Last week's issue of the News gave the proceedings of Superior Court up to about noon. Court adjourned Friday afternoon. Some business not reported in this newspaper last week is given herewith. The grand jury found several bills

of indictment. They were: Ray Smith slaying and killing William Willis. This was where the

deceased was run over by an automobile. John Wolfe Jr., and Luke Mason, larceny, a true bill.

George Alferman, embezzlement charge, true bill. Rufus Lewis, Mrs. Rufus Lewis, Pizette Lewis, Mrs. Laura G. Lewis,

larceny, true bill. J. W. Browder, abandonment, a

true bill. In the case of E. W. Spear charged

with larceny the courtd irected a verdict of not guilty. Leroy S. Brown was adjudged in contempt of court for not paying ali-

mony to his wife Elva B. Brown. A judgment was granted to the Pittsburg-Des Moines Steel Co., for \$780 and interest from July 6, 1928 against Morehead Bluffs. This was for materials supplied.

The grand jury reported that examinations had been made of the various county offices, the jail and county home. Every thing was found in good condition. It was recommended that a dozen blankets be bought for the county home.

As other matters took up most of the time of the court not much was done on the civil docket. The cases set for trial were continued to the December term.

County Schools Will Hold Session Saturday

Carteret County Schools will be in session next Saturday, October 26th. This plan has been agreed upon by the teachers in order to give them a day off when other schools are in regswine expert, who had the job of The recent revision of the list of later in schools that are doing special

This plan has been adopted to meet olina, we had prize winning herds names were taken from the tax books days. Any days lost during the year from all parts of the United States and called over one by one and lists must be made up on Saturday or at

In addition to the day provided for requires that those chosen must have ried out for the professional improvepaid their taxes and be persons of ment of teachers in the county. Proggod character and sufficient intelligence to sit on juries. Those in ed at the six largest schools in the county. These are for the use of the very carefully and that there should teachers in those schools and in the be no trouble about the jury question smaller school which are near. The plan is to have a good professional book on every subject taught and to have several books which give general information concerning the newer and better types of teaching. This makes it possible for a teacher to go to a professional book for information on teaching a particular thing place to house them. A large tent Lumber Company, when one of the just as a lawyer goes to a law book

With a day for visiting in another school which is having a high type of sible that his leg has been fractured, work and access to a good professional library Carteret County teachers have a splendid opportunity to advance professionally while they teach.
