Joe Fisher, a Eeaufort colored man, was tried on the charge of assaulting his wife Florence Fisher. There was no evidence except that given by the two parties and they were rather contradictory in their statements. She claimed that he threw a clam shell at her and cursed her, also that he broke up some lamp shades. Joe denied trying to hit his wife and said that she was always quarreling about something but that they lived together as man and wife. The case was dismissed.

Claude Salter of Atlantic answered to the charge of driving a car on the streets of Morehead City while drunk.
