SUMMER ROMANCE ENDS IN MARRIAGE

MOREHEAD CITY, Aug. 26.—A wedding of much interest took place when Miss Jean Elizabeth Buckhead of El Paso, Tex., became the bride of Mr. William A. Finch, Jr., of Wilson. The ceremony was performed Friday, Aug. 21st., in Conway, S. C., after which the bridal couple went to Myrtle Beach, S. C. where they spent a ten-days honeymoon. The marriage was the culmination of a summer romance in this city where the bride was spending a vacation with her parents. It came as a surprise to the many friends of the young couple as the bride was to complete her studies at college this winter. Mrs. Finch is the lovely and accomplished daughter of Captain Calvin Holcomb Buckhead of Signal Corps, U. S. Army and Mrs. Buckhead of Fort Bliss, El Paso, Tex. Although in her teens, Mrs. Finch is an expert horsewoman, having won many places in the first cavalry division horse show held annually at Fort Bliss. At the age of fourteen she rode in the Kansas City horse show. The bridegroom is the son of Mr. and Mrs. William Atlas Finch, Jr., and is a rising young attorney of Wilson, being a member of the law firm of Finch, Rand and Finch of Wilson. He is popularly known throughout the state. He was graduated from V. M. I., and attended the law school at Duke University.

Mr. and Mrs. Finch will be at home to their friends in Wilson on September 1st.
The bride is the daughter of a former citizen resident of Beaufort, who before her marriage was Miss Ora Borden.

LAST OF COUNTY CASES ARE NOW BEING TRIED

(Continued from page one)

whole investigation was a political conspiracy on the part of certain Republican leaders. Mr. Hamilton stated that he maintained that the action was not brought in good faith. Plaintiff was subject to a vigorous cross-examination by four or five of the defendants' lawyers, in an effort to shake his testimony and bring out facts favorable to their side. Mr. Wallace was put on the stand to prove the signatures of J. E. Woodland, W. L. Stancil and others and to identify certain vouchers and other records.

Just before court adjourned for the dinner recess a hot argument between counsel started over the manner in which Mr. Guion was submitting vouchers to the witness Aycock of amounts paid the Simmons Construction Corporation. Judge Moore suggested that they should all be introduced in a lump but attorneys for the defense vigorously resisted this and were finally allowed to proceed. Court opened again at two o'clock and its proceedings from that point will appear in the next issue of this newspaper.

Huntley and Stancil Win.

As stated in the News last week the suit against County Attorney Luther Hamilton for an accounting of certain delinquent tax matters was decided in favor of the defendant, Judge Moore having directed the jury to bring in a verdict to that effect. County attorneys gave notice of an appeal. In the case against G. W. Huntley in which it was alleged that he permitted and condoned certain alleged improper and alleged illegal acts of W. L. Stancil, former county auditor, a non suit was ordered by Judge Moore after the testimony was heard.

The jury for the Huntley-Stancil trial was selected late Thursday afternoon and the trial began Friday morning the 21st. The complaints for the county were read by E. Walter Hill. J. F. Duncan responded for Stancil, Luther Hamilton for Huntley and Henry Whitehurst for the New Amsterdam Casualty Company. It was alleged by the plaintiff that W. L. Stancil while auditor for the county, willfully and negligently failed to keep his records properly, that he failed to account for certain certificates delivered to him by Sheriff's Thomas and Wade, that he failed to account for money amounting to about \$1,332.00 paid for taxes by W. L. Arthur and that he overdraw his salary account.

The county put on testimony as to unaccounted for tax certificates

at the regular meeting Monday night August 31, as there are special business matters to be discussed. Refreshments will be served, also there will be a program of entertainment.

amounting to \$5,429.45, but this was rebutted by the defense with proof that over \$3,000 worth of these tax certificates were in the office of the Clerk of the Court, and that he was entitled to various other credits which eliminated the tax certificate charge. The W. L. Arthur tax item was eliminated by certain credits and so when the case finally went to the jury all that was left of the original amount sued for, some \$14,000 was whittled down to \$491, over payment of salary. As to the salary item Stancil claimed that the county had allowed him \$500 for doing some work on the tax books and claimed therefore that the county owed him a balance of about eight dollars. The jury was addressed by attorneys Hedrick and Guion for the county, and A. D. Ward, Thos. O. Moore and Luther Hamilton for Stancil. The latter made a red hot speech saying that the whole charge against Stancil was trumped up by somebody or other who was behind the scenes and apparently afraid to come out in the open. The jury was out about half an hour and brought in a verdict that Stancil owed the county nothing.

In the Stancil case the county's attorneys contended that the minutes of the board did not show that a resolution had been passed to allow Stancil extra pay for services as clerk to the board and for making up tax books and so on. The defendant, however, testified that the board did pass such a resolution, and he was corroborated by former commissioner Huntley. As to the Arthur tax payment the defendant admitted this was paid and he did not know to whose credit the money was deposited, but other credits were allowed him which offset this item. J. C. Council, one of the accountants who made the Delamar audit, was the principal witness against Stancil. It was proved by the county that the minutes books were rarely ever signed by the chairman and the clerk to the board as the law requires. It was also proved that the board had made many purchases from the Hancock-Huntley Company while Huntley was a member of the board. Register of Deeds R. W. Wallace testified that for the first two years of his term he did not attend the board meetings as the law requires. Character witnesses for the defendant Stancil were Clerk of the Court L. W. Hassell, Deputy Register of Deeds J. R. Jinnett, former sheriffs T. M. Thomas, Jr., T. C. Wade and Justice of the Peace J. R. Bell.

THE COST OF A FUNERAL

"How Much Should A Funeral Cost?"

This is a question we often hear, or see in the eyes of those who are confronted by an unfamiliar problem.

The answer is simple. A funeral may cost as much or as little as the desires and the financial circumstances of the family warrant. In our display room we offer a wide choice of merchandise, all representing full value for the price. And the intangible elements of our service — sympathy, reverence and reliability — are the same for all, regardless of the cost.
