Harker's Island School News

Harker's Island School was favored last Friday morning by a very inspiring chapel talk given by Rev. B. A. Culp of Winston-Salem. His talk covered from the first grade through the High School and runs as follows:

1. Purpose: In which he showed that everyone must have a purpose before any desired end may be reached.

Preparation: In which was shown that we must be prepared before we are competent or successful in any phase of life. He showed us that starting through life with out a purpose and preparation is like starting to sea without chart and compass.

3. Perseverance: He showed us is the big factor to be taken into consideration for anyone who desires to win out in life's problems. Washington, Lincoln and Edison were used as examples.

4. Purity: He amply showed us that in order to be intellectually and morally clean we must be pure and clean in our habits, souls and bodies.

5. Pity: He said was the fine ground rail upon which to build civilization. The young men and women were advised to live pure and Christ like lives.

M. Mr. Culp came to us not as an hireling but as the donor of a week's instructive services.

ATTENDANCE FOR 6TH. MONTH

The sixth and seventh grades made the highest average in the elementary school for the 6th month. With a record of 82 per cent they won a half holiday for the 6th month. The high school made 93.86 per cent and they were supposed to average 95 per cent in order to win a half holiday. We are going to try to improve our attendance for the 7th month so we can take another trip.

EIGHTH GRADE DEBATE

The question debated yesterday between six of our classmates, Resolved That People should put their Money in a Bank instead of hoarding it, was very interesting. It was hard to decide which side won, because both sides had very good points. The judge

decided that the affirmative side won.

FIRST GRADE NEWS

March 22, 1932

Vol. 1 No. 3 Weather Cloudy-windy

Ellen Elliott broke his collar bone Sunday. We hope he will soon be well. We are going to have an Easter egg hunt Friday. We will have it in the Teacherage yard.

We are sorry that the Lindbergh baby has not been found yet.

SECOND GRADE PLANNING

CHAPEL PROGRAM

The second grade (Miss Willis' section) is going to have a chapel program Friday morning. We are giving a play "The Easter Rabbits." Margie Garner, Edna Earl Garner and Margaret Jackson are the rabbits. They have rabbit suits to wear. James Murdock, Margaret Mann and W. D. Heath are the children whom the rabbits go to see. They leave Easter baskets for them. The fairies dance and sing and the rabbits sing, too. We have a duet to be sung by Alstine Quinn and Jason Smith.

All the children will sing songs. We hope our parents will come to see our program and that everybody will enjoy it.

FOURTH GRADE NEWS

We are going to have an Easter party Friday afternoon. We are busy now working on Easter baskets and other things for the party. Our color scheme for the party will be purple and yellow and we will have yellow flowers in our room—Doris Guthrie. The fourth grade of the Newport school has been studying milk. We are studying it because it is healthy for growing children. We have made poems and stories about milk. We have also made posters. We are collecting pictures and other things about milk. Next week we are going to make a booklet on milk.—Lois Smith.

ATTENDS STATE MEETING NCEA

Miss Lydia Willis and Mr. W. E. Powell, president of the Carteret County unit of the North Carolina Education Association, were delegates from this county to the state teachers' convention in Charlotte from March 17 through 9th. They report that a large attendance of teachers was on hand for all meetings despite the fact that this time the state meeting was held in Charlotte instead of Raleigh, where it has met for the last several years. Raleigh is much nearer and more convenient for teachers in this section of the state, however Charlotte proved itself to be an excellent host.

MRS. ADA WILCOX RESIGNS AT NEWPORT TEACHERAGE

Due to the uncertainty of the county being able to pay its obligations to the teachers for the next two months Mrs. Ada Wilcox resigned as matron of the Newport Teacherage and has already left Newport. Mrs. Wilcox has had charge of the Teacherage at Newport ever since it was built some six years ago and she had a host of friends in and around Newport who were sorry to see her leave. Mrs. Lula Bell and Miss Evelyn Mann have taken over the Teacherage and are now operating it. Mrs. Bell used to keep the teachers in her home several years before there was a Teacherage in Newport.

"My Irish Rose" is the name of the play selected to be given by the Newport faculty on Friday night, April 8th. This is one of the best plays from the pen of that well-known playwright, Walter Ben Hare. It is listed as a comedy-drama of Irish life in three acts, and it promises to be a choice bit of entertainment. The leading role will be taken by Miss Edythe Lewis, formerly of White Oak School faculty but now teaching in the Newport school. Miss Lewis made quite a name for herself as an actress while at White Oak and this will be the first opportunity many people in Newport community have had to see her on the stage. Mr. John Robinson of the Newport faculty also has a leading role. He has taken part in several plays and is well-known to a Newport audience. Other characters in the play are well chosen and those who miss seeing this performance will indeed miss a treat.

SENIOR CLASS TO GIVE ORIGINAL PLAY

For the past two years Newport school has prided itself in the original plays written by its students and given on the stage. This year, as in years past, the senior class will give an original play, not a copyrighted one. The class is very much interested in this phase of work at present. Each member of the class is doing his part to make his play the best, and as soon as all plays shall have been finished, a committee will be appointed to select the best one which will be given in the Newport auditorium on April 22.

DEBATERS SELECTED TO REPRESENT NEWPORT IN STATE TRIANGULAR DEBATES

In a preliminary contest held in the Newport school last Friday the following speakers were selected from a list of eight to represent this school in the state triangular debates on

April 1: affirmative, James Mizzelle and Nina Bell; negative, Rosalie Watson and Manley Barfield. Alternates are: affirmative, Robert Jones, and negative, Margaret Bell. Besides the pupils mentioned above the following others took part in the preliminary: Louise Quinn and Prentiss Garner. All speakers made good appearances and it was with a great deal of difficulty that a selection was made. Newport this year will debate against Vanceboro and Jasper. The negative team from Vanceboro will come to Newport; the negative from Newport will go to Jasper and Jasper's negative will go to Vanceboro. The debate will be held on Friday night, April 1. Those schools that win both sides of the debate will go to Chapel Hill on April 14th and 15th to compete there for the Aycock Memorial cup. Newport has sent teams to Chapel Hill for the past two years, and last year the Newport team was one of 18 schools in the State to make the semi-finals.
