Bob Reynolds Victory A Big Surprise To All

Asheville Man Running on Wet Platform Leads In Senatorial Contest; Will Have Second Primary Ehringhaus Leads For Governor

Perhaps the biggest surprise of the State wide Democratic primary was the victory of "Bob" Reynolds, Asheville lawyer over the veteran politician, Senator and former Governor Cameron Morrison. The biggest office Reynolds ever held was that of solicitor in his district. He ran against Senator Overman six years ago and was easily defeated by the Senator although then he received a right good vote. In his recent campaign Reynolds criticised Senator Morrison for various alleged sins of commission and omission but based his campaign principally on opposition to prohibition. Large crowds turned out to hear him speak and seemed highly pleased with what they heard.

Senator Morrison's headquarters at first claimed that they would carry 95 counties out of the 100 in the State. Morrison did not get into the campaign at first and when he did finally start he found the tide running against him. Reynolds led all five of the candidates and received about 150,000 votes while Morrison got about 138,000, Bowie 38,000, Grist 30,000, Arthur Simmons 4000. The official returns have not been published yet but the figures given are approximately correct. Reynolds and Morrison will fight it out in a second primary and the winner will be opposed by Jake F. Newell Republican nominee. It appears that Senator Morrison will have the support of most of the leaders in his party. Reynolds has been assured of the backing of Bowie and Grist. He also seems to have the support of the young Democrats very largely throughout the State.

The contest for the Democratic nomination for Governor ended with Ehringhaus in the lead over Fountain of about 50,000 majority. Ehringhaus' vote was 166,000, Fountain's 113,000, Maxwel a little over 100,000. Fountain has not decided yet whether he will go to a second primary or not. A. H. Graham of Hillsboro was nominated for Lieutenant-Governor, Baxter Durham is in the lead for Auditor, D. G. Brummitt seems certain of renomination for Attorney-General. Stacy Wade defeated Secretary of State Hartness by about 25,000 majority. Dan C. Boney was nominated for Commissioner of Insurance over D. W. Morton by a vote of about 170,000 to 85,000. It will be several days yet before the official returns are announced. In the meantime preparations are being made for the second primary which takes place on the second of July.

Superior Court Will Try Men For Manslaughter

A two weeks term of Superior Court will convene here Monday morning, with Hon. E. H. Cranmer, of Southport, Judge Presiding. The first three days will be for the trial of criminal cases; the remainder of the time will be taken up with civil actions.

There are only seven or eight criminal cases, and all of these except one are of a minor nature. Two Morehead City Negroes, Ernest and Raynor Hill, are now being held in the county jail on the charge of manslaughter. Maggie May Taylor, young Morehead City Negro child, was killed the first part of this week, and Coroner Geo. W. Dill after an examination had them committed to county jail in default of a \$500 bond.

The civil cases number sixty-four and there are also a docket of seventeen motions.

CLYDE WILLIS GETS HIT IN BASE BALL GAME

WILLISTON, June 7—The Williston baseball team went to Davis Saturday afternoon June 4, expecting to play a good baseball game. The game was going fine when in the fourth inning Clyde Willis, the catcher of the Williston team, was hit a hard lick on the left side of the head with a ball pitched by Charlie Paul, the pitcher of the Davis team. He was hurt very badly and had to stop playing and be taken home.

The teams were going to finish the game but were stopped by the rain. The teams were disappointed in two ways, therefore they are expecting to play the game Saturday afternoon, June 11.

DEMOCRATS SHOW VOTING INTEREST

About Twenty-Five Hundred Votes Cast In Democratic Primary; Republicans Have Light Voting

Quite a bit of interest was manifested in the Democratic primary Saturday here in Carteret, but the Republican primary apparently received very little consideration from members of that party. Taking the contestants for the nomination of sheriff in both primaries—the only county office both parties voted on—as a barometer of the number of voters participating in both primaries, a total of 2546 voted for the four Democratic candidates and 805 for the five Republican candidates.

The Republicans also polled 819 votes for the three candidates for Register of Deeds nomination. Waddell Pridden received a majority of 175 over the other two candidates.

Elbert M. Chadwick received the Democratic nomination for sheriff by a majority of 264 over the other three candidates. Clyde Mason, of Atlantic, was his nearest opponent with a vote of 77. Chadwick received a total of 1405.

The Republicans only had two offices to be voted on, while the Democrats had one county office, U. S. Senate, House of Representatives and a number of state offices including governor and lieutenant governor. This is perhaps the reason that the Republicans seemingly showed very little interest, while the Democrats polled what is considered by many as an average vote.

Several candidates in the Democratic primary will have to go into the second primary. These are for state offices and for U. S. Senate. The Republicans, however, only have one contest for the second primary; R. Hugh Hill, with a vote of 281, and W. Iredell Salter, who polled 313 votes, will again have to be voted on. Three of the candidates were eliminated in the first primary. The second primary will be held July 2.

Charles L. Abernethy polled the largest vote in the county—2209; while his opponent, Rivers D. Johnson, received 312. It is reported that Congressman Abernethy received votes from many hitherto Republicans. The Democratic party had many workers out in the field, especially on election day.

Morrison received a majority for U. S. Senator here in Carteret. Ehringhaus also received a majority here over his opponents for governor.

Beaufort's only candidate out for a state office, D. W. Morton, who was running for Insurance Commissioner, polled 1947 to Dan C. Boney's 268. Stacy Wade, a former Carteret County man out for Secretary of State, received the second largest individual vote in the county—2002; James A. Hartness, the incumbent, polled 197.

In another part of this newspaper the readers will find a Tabulated Statement of the Primary, June 4. In this the individual votes of twenty-nine candidates polled in twenty-six precincts in Carteret are given.

HAS TALLEST CORN STALKS IN CARTERET THIS SEASON

W. L. Hatsell has the tallest corn stalks in the county in his back yard on Queen Street insofar as the News has been able to find out. These stalks are between eight and nine feet high, and they haven't stopped growing yet. One or two of them have just begun to tassle. These were planted where a pipe from the kitchen sink emptied for some time, and therefore the ground was quite rich.

REAL ESTATE TRANSFERS

C. W. Smith and wife to Allen W. Sharp, 1-4 acre White Oak Township, for \$50.
James G. Murdoch and wife to E. L. Bell, 21 acres Morehead Township, for \$1500.
J. M. Ellison, Trustee to Mabel L. Gordon, part lot Beaufort, for \$100.
E. T. Gordon, Mortgagee to J. M. Ellison Trustee, part lot Beaufort, for \$120.

City Board Votes For Debt Service Payment

The balance of the money realized from the sale of the city's water and light system will be used for debt service in the near future according to a decision of the board at the regular meeting Monday night. The question was threshed out by those present who were Commissioners Glover, King, Parkin, Rumley, Mayor Taylor, Clerk Thomas and City Attorney G. W. Duncan.

City Clerk Thomas stated that the city had on deposit with the N. C. Banking and Trust Company in Raleigh between nine and ten thousand dollars and that past due bonds and interest amounted to several thousand more than the cash in hand. He said that Director Johnson of the Local Government Commission kept insisting that this money should be used to pay on debt service, that is bonds and interest, and intimated that if the matter was not attended to promptly that the officials would be indicted. Mr. Duncan read the law to the board which seems to be very strict on this point. Commissioner Parkin offered the motion instructing the Clerk and Mayor to use the money to pay past due obligations and it was carried unanimously.

A motion was passed instructing the Clerk to pay the cost of moving the fire alarm apparatus from the power plant to the city hall and a number of bills were read and ordered paid. No other business was attended to and the board recessed subject to the call of the Mayor.

FRANK N. PINNER PASSES AFTER EXTENDED ILLNESS

The many friends of Frank N. Pinner will be very sorry to learn of his death this morning about nine o'clock. Mr. Pinner has been in ill health for several years and has not been able to work since January. He has been treated at Duke Hospital, but returned home recently, apparently somewhat improved. Early this morning he was taken very seriously sick and passed away a few hours later.

Funeral services will be conducted at the home of the deceased on North River road Friday afternoon at 2:30 and interment will be in a New Bern cemetery at 4:30.

Mr. Pinner was a member of the firm of the Beaufort Grocery Company since July 1930 and made many friends in this section. He moved here from New Bern. He is survived by his wife and one young son, Frank Junior; also one brother Leon Pinner.

FIREMAN HONOR RUFUS SEWELL WITH BANQUET

The local fire department gave a banquet at the Morehead Villa last Friday evening at eight o'clock in honor of Mr. Rufus Sewell. About fifty firemen and other invited guests attended. During the banquet the guests were entertained by the Black Diamond quartette of this city. The evening was greatly enjoyed by the firemen and the guests.

BICYCLE DEMOLISHED WHEN RIDER COLLIDES WITH CAR

The bicycle which James Henry, colored delivery boy for Noe Meat Market, was riding was completely demolished last Friday shortly after noon when he and Wiley H. Taylor's car collided near the House Drug Store on Front Street. The colored youth sustained a badly bruised leg and minor bruises and cuts on other parts of his body. X-ray pictures were made but no serious injury was discovered.

7th. Masonic District Convention Held Here

A convention of the Seventh Masonic District met with Franklin Lodge 109 Wednesday evening, June 8. There were visitors present from Doric Lodge 568, New Bern; Ocean Lodge 405, Morehead City; Kingston Lodge 96, Kingston; Tidewater Lodge, Portsmouth, Va.; Phoenix Lodge 108 Fayetteville; and Mount Pleasant Lodge, Wake Forest.

This convention was presided over by J. E. English, D. D. G. M., of Morehead City. John H. Anderson, Past Grand Master and Present and made a very interesting and instructive address on the Laws and Jurisprudence of Masonry. After the regular exercises refreshments were served. The convention was greatly enjoyed by the many local and visiting Masons who attended.

Recent rains and recovery of tobacco plants from blue mold have caused Columbus County growers to set a large acreage of late tobacco, etc. this season.

Recorder's Court Tries One Triple-Barrel Case

Only one case came before Judge M. Leslie Davis in Recorder's Court Tuesday morning for settlement, but that was a "triple-barrel" case. Everett Stewart, young white man of the Newport section, was charged with abandonment, drunkenness and disorderly conduct, and with resisting an officer. The defendant stated that he was tried by the mayor of Newport on the latter two charges and pled guilty to them. Judge Davis tried the defendants several months ago for abandonment and disposed of the case.

It developed, after examining the wife of the defendant and his father-in-law Fernie Fodrie, that Stewart had done as well as was possible to support Mrs. Stewart and their two children. Judge Davis remanded the drunkenness and disorderly conduct charges to the Newport mayor's court, and continued the abandonment charge with the understanding that Mr. Stewart will do what he can to support his wife and children.

There will be no Recorder's Court next week and the week following due to two weeks of Superior Court. An assault case will be tried in Recorder's Court at 9:30 Friday morning.

MARRIAGE LICENSES

Henry Haynes, Morehead City and Rebecca Stewart, Beaufort.

Walter Guthrie, Beaufort and Ida Neal Wade, Williston.

Jethro H. Quidley, Beaufort and Clara Provost, Morehead City.

MAMMOTH CABBAGE RAISED BY A. M. WEEKS AT OCEAN

A. M. Weeks and son Julian, of Ocean, came into the News office Wednesday afternoon and presented the editor with a thirteen and three-quarters pound cabbage, the largest raised by Mr. Weeks this year and as far as the News knows the largest raised in Carteret County this or any other year. Mr. Weeks said that many of his cabbages weighed from five to ten pounds each this season. A four or five pound cabbage is considered quite a large one. Mr. Weeks is a well known farmer of the Ocean section; he lives just at the end of the hard surfaced road up Bogue Sound. This mammoth cabbage can be seen in the window of C. Z. Chapin's Store on Front Street.

KEEP THE NEWS

Persons who have any interest in politics ought to preserve this issue of the News. The complete vote of Carteret, as to all county officials, the Congressional vote and part of the State ticket, is given by precincts. The table which carries this information represents a good many hours of hard work. Not many weekly newspapers take the trouble to give the election results in such complete detail. A tabulation of this sort has real value and ought to be kept for a permanent record.

RATHER CROWDED WITH NEWS

Owing to the necessity of publishing the tax list and the primary returns a good deal of other matter was crowded out of the News this week. Some of this can be printed next week. By trying to print it all this week the paper would have been considerably delayed and so it was thought best to stick to eight pages as usual.

Marketed 120 Cars of Potatoes During Week

A hundred and twenty cars of Irish potatoes have been shipped by rail and by boat since last Thursday, which brings the total number shipped this season by these facilities up to 202. This does not include those shipped by trucks. Potatoes were quoted F. O. B. here at \$1.50 and from \$3 to \$3.25 in northern markets.

The general yield now is about twelve to one. Gibbs Brothers had the best yield on a large number of acres of any one in Carteret. They dug ten acres Tuesday of this week and made better than twenty-five to one.

More than three trucks of cucumbers were shipped this week. Cucumbers are quoted at \$1.50 a bushel hamper. These grow at the rate of four hundred bushels to the acre. The best crop is being finished this week. The prices for these have averaged from \$1.50 to \$2.25 a bushel hamper.

TWO OFFICIALS LOSE THEIR JOBS

County Farm Agent And Home Agent To Stop July 1st

Fired with the determination to make a cut in the county's operating expense account the Board of Commissioners decided Monday to abolish the offices of County Farm Agent and Home Demonstration Agent. This will go into effect at the end of the present fiscal year which is June 30. The motion to take this action was offered by Commissioner Styron, seconded by Commissioner Chadwick and carried without opposition. Those present at the meeting Monday were Commissioners Chadwick, Carroll, Guthrie and Styron. In the absence of Chairman Webb Vice-chairman Chadwick presided over the meeting.

A large delegation of citizens from the Newport section came before the board and with W. H. Bell as spokesman asked that Mr. Long be retained by the Newport school as teacher of agriculture. County Superintendent Allen also spoke in favor of retaining Mr. Long. The board took the matter under consideration and decided to defer action until after the county school budget has been presented.

A motion was offered by Commissioner Guthrie and passed admitting Edward Day of Morehead City to the County Home.

A motion was passed releasing Irvin Morris of Atlantic from 1931 tax on automobile, his father having listed the same car.

A motion was passed allowing Mrs. Carthagenia Davis \$1.75 a month from the Poor Fund, the same to be applied to her taxes and the taxes of Robt. L. Davis, heirs. Wright Goodwin was also allowed \$2.05 from the poor fund until December 1932 the same to be applied on his taxes. A motion was adopted allowing Miss Letha Goodwin of Roe and Miss Lilly Larson of Harker's Island \$3 a month each from the Poor Fund.

A motion was passed that the valuation of property of J. Dewey Willis be made the same as years 1929-30.

A motion was passed that a release be issued to Sam Styron, Cedar Island, for taxes paid by him, the same having been paid by J. J. Day.

The board adopted a motion that the land of Dr. George Davis be allowed a reduction in value on account of fire damage, in proportion to the land of I. W. Russell.

The board passed a motion putting the land of Mrs. Sarah L. Hill on an acreage basis so as to show 10 acres at \$3.50 per acre, exclusive of property owned by Mrs. R. H. Hill.

The board will meet again on June 20 when it will sit as a Board of Equalization and Review to pass upon real estate values in the county.

Juniors Attend Service At Harker's Island Sun.

Some thirty-five members of the local Junior Order went to Harker's Island last Sunday afternoon and attended the services at the Harker's Methodist Church at three o'clock. Rev. E. L. Hill, of the Smyrna-Atlantic circuit, preached the sermon on "Citizenship," and subdivided his text into the three cardinal principles of the Junior Order: Virtue, Liberty and Patriotism.

About half of the attending Juniors were from Beaufort; the remainder were from the various communities in eastern Carteret County. The Beaufort members went down on a boat from here; the others went on a boat from Gloucester, which carried the preacher over to the Island.

After the services were over, the Juniors visited the various places of interest about Harker's Island, including historic Shell Point. Some of the Juniors had never been to the island before. Both the services and the trip about the Island were greatly enjoyed by the members of the local Junior Order.

PENDER MOVES TO NEW STAND ON FRONT STREET THIS WEEK

Pender's Grocery Store was moved this week from Turner Street, where it has been since it was first opened here a number of years ago, to its new stand on Front Street in the building formerly occupied by the H. C. Jones Hardware Company. This building has been completely remodeled throughout. New inner walls have been built, the front has been removed and two large windows installed, and both the inside and the front have been repainted.

This store, under the management of L. M. Taylor, will continue to serve its patrons with a complete line of fancy and staple groceries, fruits, vegetables and bakery goods.

DIRECTOR BURKE MAKES ESTIMATE OF N. C. DEFICIT

It Seems Likely That Deficit
Will Approach Six Millions

WILL REDUCE EXPENSES

BY M. R. DUNNAGAN

RALEIGH, June 7—North Carolina's general fund deficit at the end of the present fiscal year, June 30, is expected to be \$5,708,378, of which \$2,332,550 is the amount by which the budget was not balanced for the 1929-31 biennium, and the balance of \$3,375,828 is the result of expending the full amount appropriated for the six months school term without curtailing the amount as were the amounts appropriated for the State departments and institutions, it is shown in a statement issued by Governor O. Max Gardner, director of the Budget through Henry Burke, budget assistant.

"The situation was realized in 1929 and plans were laid and have been executed to gradually reduce State expenses," the statement says.

Reductions against appropriations amount to \$3,561,200 for the two years of 1929-31 and \$2,262,184 for the one year 1931-32 a total of \$5,823,384 it is shown. The potential deficit balance, or deficit, for the three years to June 30, 1932, is \$11,829,762 while the actual deficit is expected to be \$5,706,378 the difference, \$6,123,384, being the reductions in expenditures from the appropriations.

"It is difficult to say now what can be done for the fiscal year 1932-33, but it is expected to reduce expenses in even greater degree. Plans are being worked out to hold the deficit balance for 1932-33 to a maximum of \$1,350,000—and, if necessary on account of continuing distressing conditions, to hold the expenses within the income for the year," the statement says.

"It has been attempted to reduce expenses gradually and to preserve without serious impairment the services and activities of the State government, and to which the people are entitled. Under distressing and difficult conditions, this has been accomplished up to this time."

The budget for 1929-30 was under balanced by \$992,031, of 1930-31 by \$1,340,519 of 1931-32 by \$1,725,149, and of 1932-33 estimated, by \$1,711,598, a total of \$5,769,287 for the four years while revenue for the three years ending with this month are \$10,113,623 less than estimated. Yet the deficit has been held down to \$5,706,378 by reductions of appropriations made to departments and institutions for three years, since no reduction has been made in the school fund, by legislative action, and none could be made in the debt service.

COUNTY DEMOCRATS MEET

The county Democratic Convention will be held in the court-house Saturday morning at 11 o'clock.
