RESTATEMENT OF MARRIAGE

The News has been requested to make a restatement of the marriage of Scott E. Jones Jr., and Alice Stanley, which took place May 4, 1932.

JUDGE GARLAND E. MIDYETTE DIED SUDDENLY TUESDAY

ELIZABETH CITY, Sept. 20—Judge Garland E. Midyette, of the North Carolina Superior court, died suddenly in a hotel room here late today, from an acute dilation of the heart.

Judge Midyette, presiding over a term of civil court here, ordered a recess shortly after 4 o'clock and he told attorneys he was not feeling well.

He retired to his hotel room and telephoned his brother-in-law, Dr. Claude B. Williams, of Elizabeth City to come to see him.

Dr. Williams went and the two sat down for a chat together.

"I have been holding court for eight years now," Judge Midyette said to his brother-in-law, "and this is the first time I have ever had to order an adjournment an account of not feeling well."

After charging that her husband "celebrated" all holidays by beating her, Mrs. Etakia Klaus, of Belleville, Ill., was granted a divorce.

They were the last words he spoke. Hardly had he finished the sentence before he toppled over dead. It was 5:30 o'clock.

Judge Midyette had recently been under treatment at a hospital for heart disease.

PLAYERS PRACTICING NOW FOR HIGH SCHOOL FOOTBALL

Organizing and training a football team started Monday at Beaufort High School. Athletic Director Gregory informs the News that he has 22 young men in his practice squad and that they are taking much interest in the work. Mr. Gregory thinks he has some promising material and that Beaufort will be represented by a creditable bunch of players.

The Beaufort team will play its first regular game on Friday week with New Bern High School. Other games will be arranged. Mr. Gregory and the players hope that Beaufort people will give the team the benefit of their support. Many of the high schools in the State have football teams and it is believed that Beaufort can and will support one also.

NO COMMUNISTS NAMES ON TICKET

Judge Sinclair Says They Have Not Complied With Law; Appeal Taken

By M. R. DUNNAGAN
RALEIGH, Sept. 19—The Communists have not complied with the statutes of North Carolina to the extent necessary to be recognized as a party in the State and without complying cannot force the State Board of Elections to place the names of their candidates for presidential electors on the ballot with the Democratic and Republican electors, Judge N. A. Sinclair held in an order signed in Wake county superior court Friday.

The matter, started in Forsyth county, was ordered moved to Wake by Judge A. M. Stack, on request of Attorney General Dennis G. Brummitt, who represented the State Board of Elections in the hearing. J. Frank Flowers, Charlotte, who brought the action, gave notice of appeal to the N. C. Supreme Court. The appeal is likely to be heard in the Supreme Court with Seventh District appeals Oct. 4.

Mr. Flowers contended that the statute requiring 10,000 signers to a petition is a part of the primary law and does not apply to general elections. Attorney General Brummitt countered by saying if the Communists had complied with the primary law, they would have been recognized as a party and the names placed on the ballots without further question. He maintained that action of the board of elections was a concession, making it easier for minority parties to get on the ballot.

The time for the filing of the 10,000 names, as the request of Socialists, was extended from Sept. 20 to Sept. 28, in order to give them more time, and the members of the elections board signed the petition. The Socialists are at work.

But the Communists sought to get on the ticket by court action, even though a space was ordered left so any voter could write in any name he desired on the ballot. Members of the election board were made defendants and the presidential electors of the Communists are plaintiffs. By Congressional districts they are: 1st, Fred Lucas, Pitt; 2nd, E. B. Barnes, Wilson; 3rd, John Thigpen; 4th, Buster Moore, Johnston; 5th, C. Ray Swain, Forsyth; 6th, R. M. Hanner, Guilford; 7th, E. M. Roberts, Harnett; 8th, Roy E. Whitley, Cabarrus; 9th, M. E. Aldridge, Union; 10th, Henry Crane, Mecklenburg; 11th, Carl Jacobs, electors-at-large, J. W. Gaymon, Alamance, and William Hodges, Mecklenburg.

GETTING READY NOW FOR THE NOVEMBER ELECTION

D. E. Langdale, chairman of the County Board of Elections, has been in his office in the Court House Annex this week getting ready for the general election Nov. 8, and this office will be kept open until after the election and the votes are tabulated. Beginning Saturday, October 8th, and each Saturday through October 29th the registration books will be open at each polling place in the county for the purpose of registering any elector who may have become of age or otherwise eligible to register. November 6 will be challenge day.

Largest Enrollment At Newport School

NEWPORT, Sept. 21—The New-

port school got away to a good opening Monday morning with an enrollment of 458, which is the largest enrollment for first day in the history of the school. There are several more pupils yet to come in and it is estimated that when these shall have enrolled, the number in school will be well over 500.

There are eight new members of the faculty this year.

At the assembly exercises the first day of school the new teachers were welcomed to the community by Mayor Herrington who made a short talk. Rev. Mr. Barfield had charge of the devotional part of the opening exercises and made a few remarks appropriate to the occasion. The principal of the school also made a short talk as did Miss Ann Mason, County Home Agent. Several important announcements were made by the principal. There were two very enjoyable musical selections rendered by two new members of the faculty, a piano solo by Miss Mary Sikes, music teacher, and vocal solo by Miss Juanita Snell, teacher of sixth grade.

Reception To Be Given Teachers

The Newport P. T. A. and Womens Club will give an informal reception in the school building Friday night honoring the new teachers and welcoming the old ones back to the community. Invitations have been issued to all adult citizens and patrons of the school to attend.

Announcement Concerning Music

Miss Mary Sikes of Greensboro will teach piano and voice in the Newport school this year. Miss Sikes holds the B. M. degree from N. C. C. W. in last year's graduating class and comes highly recommended. In college she was four years a member of the Madrigal Club, an organization that sponsors musical programs, and she was also a member of the choir of College Place church. She is much interested in glee club work and this year it is planned to emphasize this. Miss Sikes will also teach Public School Music in the school.

There will be individual and class instruction given in piano, the class instruction being for the younger pupils. This will be the first time that class instruction has ever been offered in the school and it is thought that quite a few of the younger pupils will avail themselves of the opportunity to take this work at the greatly reduced prices made possible because of the group plan organization.

Seniors Elect Officers

The Senior Class has elected the following officers: James Mizelle, president; Nick Allen, vice-president; Margaret Bell, secretary; Madie Garner, Treasurer; and Helen Lane, reporter.

Much Interest in Athletics

This year Newport has a man for coach who has had several years successful experience in athletics, both as a participant and in putting out winning teams. The basketball team in the school from which Mr. Pruitt, the new coach, came has won the county championship several years and has also defeated some of the strongest teams in the western part of the State. It is planned to begin work at once on a basketball court and athletic association will be organized to push the athletic program.

MRS. CHARLOTTE HILL DIES FROM AUTOMOBILE ACCIDENT

Mrs. Charlotte F. Hill was fatally injured between 7:30 and 8 o'clock Sunday evening, when she walked into a moving car, at Bettie which was driven by Harold Fulford, of Smyrna. Mrs. Hill was walking along the road with her son, Amos Golden, and it is said that she became frightened by the approaching car and walked against the right side of the car. Her body broke a cowl light and hit the rear fender. Wilson Golden, another son, saw the accident from his front porch.

Immediately after the accident Mrs. Hill was removed to the Potter Emergency Hospital, where she passed away as the result of her injuries about an hour and a half later. She sustained a compound fracture of the right forearm, fracture of left wrist, and fractured skull on right side back of the ear.

Coroner George W. Dill, of Morehead City, was summoned and put the driver of the car, Harold Fulford, into the custody of Sheriff Elbert Chadwick. Coroner Dill swore in a jury Tuesday morning and viewed the scene of the accident at 10 o'clock. The jury then returned to Morehead City where they reached the verdict that the accident was unavoidable. Fulford was subsequently freed. In addition to the two sons of Mrs. Hill, the following testified at the inquest: Mrs. Wilson Golden, Joel Dowdy and Randolph Golden. The following six men composed the coroners jury: O. M. Fulcher, Edwin Reynolds and Mart Davis, of Morehead City, and Henry W. Noe, Grayner Hudgins and S. H. Thomas, of Beaufort.

Mrs. Hill's maiden name was Charlotte F. Lawrence. She was married twice, first to a Mr. Golden and then to a Mr. Hill. Both husbands died years ago. She was 70 years of age. Funeral services were conducted from the Free Will Baptist church at Bettie at 1:30 Monday afternoon by Elder John W. Sewell, of Beaufort. A large crowd of friends and relatives were in attendance. Interment was in the family burial

First County-wide Teachers Meeting

By J. W. STEWART

The annual opening county-wide teachers' meeting was held at the court house on Saturday September 17th. As usual this meeting was late in starting. Supt. Allen at 10:30 A. M. instructed acting chairman W. E. Powell to get the meeting under way. The Rev. Mr. A. P. Stephens, Baptist Minister of Morehead City read a few verses of Scripture and made a short talk and prayer. Mr. Powell gave the address of welcome to the teachers. Miss Parrott of the Elementary Division of the State Department of Education gave a twenty minute speech concerning the new Handbook for Elementary Teachers. Supt. Allen then took the floor and dealt with the following topics:

1. The redemption of scrip and vouchers already issued and the possibility of the distribution of scrip in the near future.
 2. The expected length of this year's school term.
 3. The compulsory school law.
 4. Routine school matters.
- Mr. Allen interpreted the compulsory school law in a light which many parents may be ignorant of, namely, that a person is subject to this law until he has completed the seventh grade or reached the age of sixteen. Mention was made by Mr. Allen regarding the unethical distribution by him in the past of funds to certain teachers and principals. He stated, however, that in the future his policy was the equal distribution of funds to all teachers.

Election of this year's officers for the Carteret County unit of the North Carolina Educational Association, was had following Supt. Allen's remarks. The officers elected were:

- President—W. E. Powell.
Vice-President: W. E. Eagles.
Secretary-Treasurer—Miss Emma Watson.
Mr. Powell adjourned the meeting at 2 P. M.

NOTICE

C. O. Brown's Art Studio will leave Beaufort after Saturday October 1st (Saturday is last day). We usually have such a rush the last few days that it is impossible to finish work or even show proofs here. It is to your advantage in every way to sit now and save long waiting. Work rain or shine. We thank you.

C. O. Brown.

Economy League's Policy

Frank Page, Raleigh manager for the Wachovia Bank and Trust Co., and former State highway chairman, who was elected chairman of the North Carolina branch of the National Economy League, organized in Greensboro last week, denies that the league is organized solely to oppose bonus demands of the American Legion. "The idea has prevailed that the National Economy League was organized to put a check on legislation sponsored by the American Legion in behalf of the veterans and their families," Mr. Page said. "That is not true. I am a member of the Legion myself and I want to see the disabled veterans taken care of, as well as their families."

Mr. Page said the League is organized to give taxpayers a voice in national, State and local legislation, its main objects being: To revive and restore the American principle of representative government for the common good, and to secure the elimination of wasteful or unjustifiable governmental expenditures. Two to four members of the executive committee will be named from each Congressional district, any citizen being eligible to membership, which carries no fee.

Officers in addition to Mr. Page are Silas J. Bernard, Asheville, vice-chairman; John L. Morehead, Charlotte, secretary-treasurer, and Paul W. Montague, Winston-Salem, executive secretary and national committee man. The national chairman is Commander Richard Evelyn Byrd, frigid region explorer.

The weekly press of North Carolina will be represented in the 1933 General Assembly, with more members than in many years. J. W. Noell Roxboro Courier is Democratic nominee for the Senate; Dan Tompkins, Sylva, Jackson County Journal, and Marshall A. Thompson, Maxton, Scotch Chief, nominees for the House. Messrs. Niell and Thompson are in Democratic territory and Mrs. Tomp-

kins is in a county that might go either way.

Also Capus Waynick, editor of the High Point Enterprise, in the House last time, is candidate for the Senate from Guilford for the 1933 Legislature.

On the other side, Charles H. Cowles, Republican, is House nominee from Wilkes county, and normally will be returned. Wilkes elected one Democratic officer last time, legislator, Mr. Cowles published the Wilkes Patriot for a number of years, but has been out for some time. He is a former member of Congress and the State Senate. He declined to run for Superintendent of public instruction, evidently thinking the House from Wilkes more certain.

At any rate the "fourth estate" will be well represented when the lawmakers meet in January.
