Ten Years Ago THIS WEEK

For the last two weeks progress on the street paving has been rather slow but the indications now are that the work will soon get under way and there is a possibility that it will be finished by July the first. Superintendent Douthett of the Simmons Construction Corporation informed the board of commissioners at a meeting held this morning, that he had telegraphed for cement and brick and that the work on Ann Street would go ahead as fast as possible.

The Norfolk Southern Railroad station has recently been painted and is now looking very fine for the summer. The colors used are red and white. The interior walls are to be varnished also.

Another subscription to the stock of the Beaufort Development Corporation was made this week by Mr. H. K. Fort, of Philadelphia. Mr. Fort sent his check for \$250 for five shares of stock to Mr. U. E. Swann. He stated that he did this more to show his interest in the community and with a desire to help the cause along rather than to seek an investment. Mr. Fort owns a large tract of land in the county and has great faith in the future of this section.

Messrs. P. B. Beard and A. H. Graf, of Salisbury, guests of the Davis House, have been having some very good fishing in local waters every day and have almost invariably come back with a good catch. The fish taken have been of several different sorts, including blue fish, pig fish, sea bass, croakers, perch, sharks and eels.

A few days ago this newspaper carried the information that a clinic for the treatment of school children would be held in Beaufort this month. As it is a matter of prime importance the News calls the attention of its readers to it again.

The State Board of Health will conduct a tonsil and adenoid clinic for the children of Carteret between the ages of 6-12 years inclusive. The emergency hospital will be established at Beaufort the latter part of May.

The convention of the fourteenth district of the Daughters of the Confederacy, which was held in Beaufort Tuesday, was one of the best the organization has ever held, according to the views of many who attended.

There are twelve chapters in the district, all of which were represented at the meeting. The attendance was large and the various addresses were all good and pleasing to the audience. Several Confederate veterans were present.

A six reel moving picture called "Lest We Forget" is to be exhibited at the First Baptist Church here on Sunday evening. A lecture will be given in connection with the picture. This picture is given under the auspices of the Anti-Saloon League and is intended to promote the prohibition cause. It is said to be a picture of very great interest and has attracted much attention wherever it has been shown.

The Methodist Circle of the Ladies Aid will have their annual Church Fair next Tuesday afternoon at 4 P. M. till 11 on the corner of Ann and Pollock Sts. The exhibit is much larger than ever before. The public is cordially invited to attend.

METHODIST CHURCH HAS MOTHER'S DAY SERVICE

An impressive Mother's Day service was presented at the Ann Street M. E. Church here Sunday morning at 11 o'clock. The service opened with the choir singing "Mother's Prayers," which "Love ETAOEM" have followed. A quartet, consisting of Misses Mildred Johnson and Betty Grey Herring, and Messrs. James Wheatley and J. H. Stubbs, rendered special music. The Rev. C. B. Culbreth preached a sermon on "Love," which was well received. The service closed with the choir singing "Tell Mother I'll be There."

This State Selected For Employment Test

Homer H. B. Mask, of the state and federal departments of labor, was in Beaufort during the past week calling on the Relief and Employment offices of this county. Mr. Mask stated that out of the forty eight states North Carolina had been selected as one in which a new program of re-employment and relief would be tested.

This new plan calls for the united effort of all federal agencies in the county working together towards helping the unfortunate "find" himself and making it possible for him to be self supporting. As a result of the conferences here, C. B. Wade, Manager of the Reemployment Office, and Mrs. Malcolm Lewis, Director of Relief were called to New Bern to meet with similar agencies and representative citizens from Pamlico and Craven County.

At the meeting in New Bern it was decided to form a central committee in each of the counties that they might better cooperate with Relief, employment and farm agencies in an effort to place more laborers in jobs especially on farms in the section. Plans as outlined and adopted were comprehensive, and no time will be lost in the meetings of the new committees in each of the counties.

Mrs. Lewis and Mr. Wade were very enthusiastic over the new plan and see in it the possibilities of a great amount of good.

Heavy Rain This Week Benefits Truck Crops

The heavy rains Tuesday, Wednesday and today have greatly helped the farmers of Carteret County, for their crops were in need of moisture, County Farm Agent Hugh Overstreet told a News reporter. So far as he knows, Mr. Overstreet stated that the rain had not damaged any crop.

Carteret has over a thousand acres of Irish potatoes, and the rain was a blessing to these, for without rain at this time the crop would have undoubtedly been smaller than is now expected.

The first carload of cabbage was loaded yesterday, and all of this crop will have to be marketed shortly, because the rain has made the cabbage head almost overnight. Some beets are being moved now also.

RECORDER GIVES ROAD SENTENCES

Percy Marshall Given Two Months and Charlie "Goose" Chadwick Six Months

Recorder's Court was the scene Tuesday morning of the airing of a disturbance between Jack Smith and Percy Marshall, both of this community. The warrant charging Marshall with simple assault and assault with a deadly weapon, to-wit a knife, was issued first; Marshall attempted to retaliate by having Smith arrested for disturbing the peace and the use of profane language in a public place on the 10th of May.

Marshall claimed that his wife came to him late the afternoon of the tenth and told him that Jack Smith had insulted her at noon that day by telling her to take her children and keep away from his home, and that he used profanity in so doing. Marshall further stated that he immediately thereafter accosted Smith at the home of D. J. Godwin, but disclaimed that he assaulted him in any way, and that he did not have a knife to draw on him.

Smith testified that he did not see Mrs. Marshall at noon that day. He said that she had been cooking bread in his stove for some time, and this had been agreeable with all concerned. Smith said that he was sitting on the edge of the porch of the home of Mr. Godwin when Marshall came up and started a fight. As it progressed Smith firmly avowed that Marshall drew his knife and ran him around the Godwin home with it.

Part of the following witnesses testified that they saw the knife, while others did not: Jack Smith, D. J. Godwin, Mrs. John Conway, John Conway, Margaret Conway, Ethel Conway, Percy Marshall, Mrs. Percy Marshall, Mrs. Roberta Lloyd, Mrs. Laura Springle, and Mrs. Lina Noe. Judge Paul Webb seemed to think that there was no insult at noontime, as Mrs. Marshall testified. He apparently believed Smith, when Smith testified that he told Mrs. Marshall to stay away from his home AFTER the fight took place.

Smith was found not guilty. Marshall was convicted and sentenced to serve sixty days in the county jail, to be assigned to work the roads of the state under the supervision of the State Highway Commission and the Public Service Commission. The defendant appealed to the Superior Court, and bond was set at \$200.

Charlie "Goose" Chadwick, one-legged Beaufort Negro, an old-time offender, was brought into court on a charge of having in his possession a quantity of liquor on the 12th of May for the purpose of sale. The defendant pleaded guilty. After hearing Chief of Police W. R. Longest and Charlie "Goose," the court sentenced the defendant to 4 months on the state roads.

The case against Dan Piner, which has been continued for several weeks, was again continued on account of the absence of the necessary witnesses.

James Jordan and Offie Best were scheduled for a hearing on a charge of assault with a deadly weapon with intent to kill and larceny of a sum of money on the 3rd of May. This was continued because of the absence of the principal prosecuting witness.

Mayor Tries Eleven Monday Night Court

Six out-of-town people were brought before Mayor Bayard Taylor Monday evening for failing to stop at the stop corners in the community, but these were released with a warning, because of the fact that they do not live here in this community. They were: Alfred Potter, E. G. Willis, Clyde Morris, Louis Wade, A. U. Wilson and Nathan Franks.

Matthew Marshall and Linwood Taylor were tried for speeding. Judgment as to Marshall was suspended upon condition that he not drive a motor vehicle for the next thirty days. Taylor was fined \$5.

Caesar Hazel, Jr., colored, and Barney Dixon, white, were tried for drunkenness. Judgment in each case was a fine of \$2.50 or five days with the street force.

Ellis Baxter, colored, faced three counts of drunkenness and disorderly conduct. He was given ten days on each count, or a total of 30 days.

Junior-Senior Banquet Given Friday Evening

Friday evening, May 11, the American Legion Hut was transformed into a beautiful scene to represent Sheerwood Forest when the Junior Class (Robin Hood) of Beaufort High School entertained in honor of the Senior Class (Maid Marian). Banked in the beautiful native long-leaf pine, palms, and other shrubs with the rustic ceiling from which festoons of vines formed a fitting canopy, the floor covered in the pine needles, the hut rivaled Sheerwood itself in splendor for the merry feast of the Outlaw Band and guests. The tables, carrying out the Senior Class color scheme of green and white, were also attractive in their rustic appointments. The place cards were miniature hand-painted Robin Hoods in green and white with a real white feather in his hat. Each guest found a hand-carved noise-maker of reed and feathers and the guests of honor were presented beautiful corsages and boutonnières. Mint cups were made of an oak leaf.

While Allan-a-Dale supped with the Band, the Seven Aces Orchestra played very charmingly behind a screen of palms and vines. Toasts and menu were carried out by using characters of the Robin Hood Band and of the Forest, as follows:

ELETED PRESIDENT

Miss Maude Lineberger, of Marshallberg, who is attending Campbell College at Buie's Creek, was recently elected president of the rising Sophomore Class. This is an enviable accomplishment, and the people of Marshallberg and Carteret County should feel justly proud of Miss Lineberger.

By M. R. DUNNAGAN

Raleigh, May 14—Three political cauldrons are heating and much steam is expected in three contests for membership in Congress during the next two and a half weeks until the June 2 primary. Interest is centering in the Third, Fourth and Tenth Districts, while minor battles are being fought in the Second, Fifth, Sixth, Seventh and 11th districts.

Probably in the Third, where six candidates are seeking to unseat Representative C. L. Abernethy, is the contest waxing warmest. Politicians say that Mr. Abernethy, with the large field, is likely to lead the group, but not with a plurality in the first primary. However A. McL. Graham, Clinton, and Graham A. Barden, New Bern, are giving him trouble, and one of them is expected to be in the second primary, unless both are, which is possible but not likely. Luther Hamilton, Morehead City; Hugh Dorth, Goldsboro, and Joshua James are running.

Not far behind and probably as interesting if the Fourth district race for the seat vacated by the late E. W. Pou. His son, George Ross Pou, is seeking to succeed him. His most formidable opponent is Garold Cooley, Nashville, Pou is an organizer; Cooley is a speaker. Both are making intensive campaigns. Jere P. Zollicoffer, Henderson, is expected to carry his home county. His votes are those of W. F. Evans, Raleigh, former solicitor, and Palmer E. Bailey, Raleigh, former secretary to Senator Bailey, are sure to require a second primary.

In the Tenth the race will be decisive, with only two candidates, and either Representative A. L. Bulwinkle or Hamilton C. Jones, Charlotte, will be the nominee. Mr. Jones gave the incumbent a close race two years ago and hopes to profit by his mis takes now. This race is expected to be very close. Congressman J. H. Kerr, Second, is expected to have no trouble from A. O. Dickens, Wilson, and belief is that Mrs. Lily Morehead Mebane, Leaksville, will not be able to "unhorse" Rep. Frank W. Hancock, Oxford. Bruce Carraway, High Point can do very little with Rep. W. B. Umstead, Durham, in the Sixth. Clayton Grant, Wilmington, is fighting hard for the Rep. J. Bayard Clark seat in the Seventh, but probably cannot win, and Rep. Zebulon Weaver is expecting no trouble from the three Asheville men seeking his seat, in the 11th. Lindsay Warren, First; R. L. Doughton, Ninth, and J. Walter Lambeth, Eighth, have no Democratic opponents.

The adjustment of cotton contracts should be completed soon. Early payments of cotton benefits are expected.

TIDE TABLE

Information as to the tides at Beaufort is given in this column. The figures are approximately correct and based on tables furnished by the U. S. Geodetic Survey. Some allowances must be made for variations in the wind and also with respect to the locality, that is whether near the inlet or at the heads of the estuaries.
