Period of A collection of photographs, taken from stereopticon views of the fort in 1866, have been found useful guides in the reproduction.

Historians record that forts have occupied sites here or nearby for more than two centuries. In 1712 a fort stood here to guard the section from the Spanish raids. Construction of the present fortification began in 1824. It was seized by Confederates in 1861 and held one year, falling then to General Park of the Union forces.

Approximately 412 acres, including the fort site, now comprise a state park, being granted North Carolina in 1924 by Congress.

Terminal Drug Co. Born to Mr. and Mrs. Elijah Dixon Will Open in Morehead
