Said Chester: "Bet you five bucks." The next time Bob called at Chester's home, Chester greeted him attired in sandals with his toe nails painted a vivid red! Bob paid the \$5.00.

Unusual among gifts to religious institutions was that of the former West Baden Springs 500-room hotel in Indiana, said to have cost seven million dollars to build, presented to the Jesuits to house a new college. Most unusual is the fact that the donor, Edward Ballard, is not a Catholic, and does not attend any church.

DEATH OF INFANT

Roe, Dec. 17—A wave of sadness swept over our community last Wednesday morning when it was learned that the death angel had visited the home of Mr. and Mrs. Dennis Goodwin and had taken from them their darling baby, Dollie Grey.

She was born Sept. 21, 1934 and died Dec. 11, 1934.

She was taken with whooping cough and only lived about three weeks. No pen can express how she suffered. All was done for her that loving hands could do, but none could stay the icy hand of death. It was hard to part with her, but may I say

to the bereaved ones, To weep not as those who have no hope for Jesus said "Suffer little children to come unto me, and forbid them not for of such is the kingdom of Heaven." She was just a young flower plucked from our earthly flower garden, to be transplanted in the garden of God.

Funeral services were conducted Wednesday afternoon at the home in

the presence of a number of sorrowing relatives and friends, after which her little body was laid to rest in the family burying grounds to await the coming of our Lord.

What a consolation it should be to the bereft ones to know she will be forever blest. May we strive to meet her in the glory world.

Written by a cousin.

LUKE RILEY SAYS THE RATS DIE BEFORE REACHING THE RIVER.

Since moving near the river several years ago we've always used BEST-YET. We watched the vicious water rats nibbling at BEST-YET, outside the house. About 15 minutes later they darted off for the river to cool their burning stomachs, but died before reaching it. Kills rats and mice only. Will not hurt cats, dogs or chickens, and there is no smell from the dead rat. BEST-YET comes in two sizes, 2 oz. size 25c 6 oz. size 50c. Sold and guaranteed by C. D.
