Carteret Vets Due \$230,000

June 17, To Be Biggest Day For Ex-Soldiers Since Armistice

Final Chapter For Bonus Which Almost Started New War Is Written

Approximately 400 World-war veterans in Carteret county, representing every branch of the service will receive a total of nearly one quarter of a million dollars on June 17, it was announced this week by Legion and postoffice officials here. It is a part of the \$1,891,000,000 soldiers' bonus (which almost started another war) that will be paid to veterans throughout the United States. It has been estimated that approximately 60 per cent of the veterans in the United States will take immediate action towards cashing in on their bonus. The remainder will draw three per cent interest on their bonds. Complete information and instructions to veterans in regard to the arrival of the bonds has been issued by Wiley H. Taylor, Postmaster here; it follows:

ATTENTION VETERANS

"June 17th is the day we expect to have bonds and checks for adjusted Service Certificates ready for delivery.

Information And Instructions

No delivery can be made to any person other than the veteran himself in person.

If you receive your mail by city or rural carrier, do not call at postoffice, but wait for the carrier on his regular morning delivery.

If you receive mail from boxes in postoffice, notice will be placed in box when ready for delivery. Vote-Continued on page four

Opens Laboratory

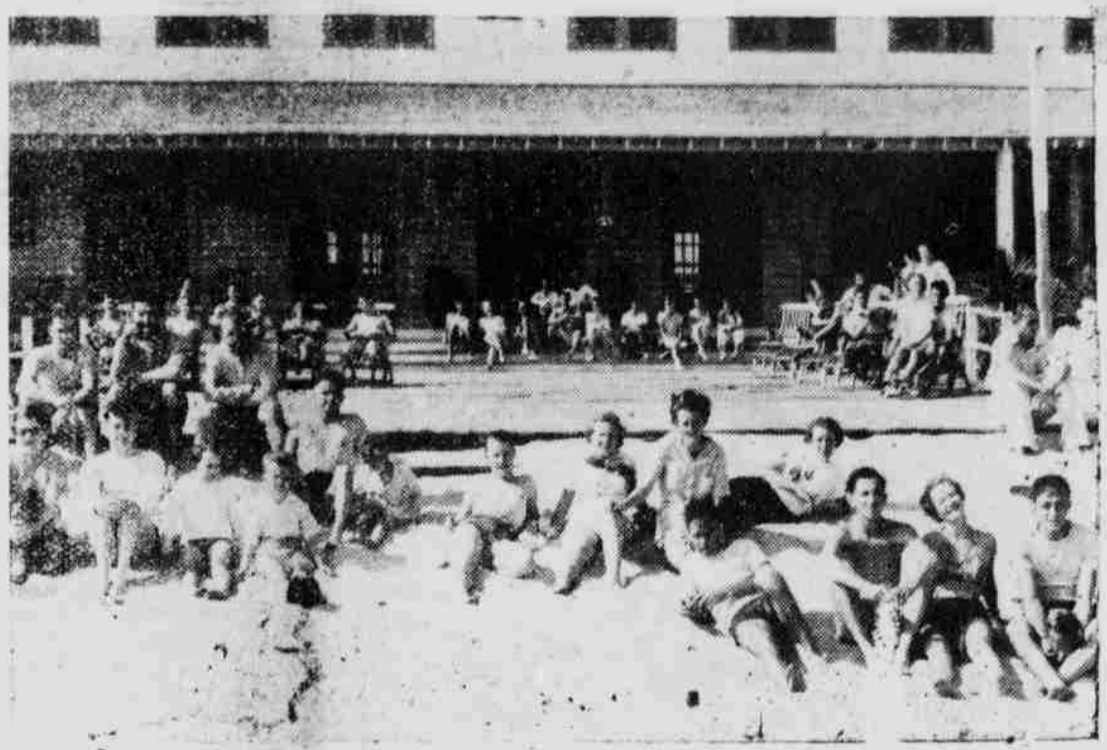

Dr. Archie D. Shaftesbury

Several students of the Womans College, University of North Carolina, Greensboro reached Beaufort this week to begin classes in marine biology at the laboratory at Beaufort Community Center on Taylor's Creek. The structure which was completed last winter is a unit of the biology department of the college and Dr. Archie D. Shaftesbury, associate professor of zoology is the instructor. Here also with Dr. Shaftesbury are Dr. Elizabeth Kingsbury and Dr. Irene Boliek, both members of the Womans College faculty. The first students to arrive were: Miss Elizabeth Anderson, Greensboro; Miss Cornelia Gray, Charlotte; Miss Jessie B Lewis, Enfield; Miss Jessie Parker, Raeford and Miss Dorothy Stephenson of Gumbury. The classes in marine biology is part of their regular curriculum and the laboratory here is the first of its kind to be established along the coast by any college in North Carolina.

SUNDAY MOVIES SOON

Sunday movies (not conflicting with church services) will be presented at Beaufort Theater soon for the benefit Legion Junior Baseball League.

As The Season Opened On Atlantic Beach

They Are Finding Sun-Drenched Happiness

Perhaps you recognize yourself in the above photo. It was made by Roy Eubanks in front of the Atlantic Beach hotel on Sunday, May 24. Since the photo was made a bathers' dining patio has been established just to the right of the boardwalk entrance to hotel. Bob Connell of Palm Beach has arrived to direct the operation of the hostelry. The hotel officially opened last Sunday. (Cut courtesy N. & O.)

BARDEN ESTABLISHES ATLANTIC BEACH P. O.

Within two weeks after the aid of Representative Graham A. Barden was enlisted by Atlantic Beach Management to get the resort an independent postoffice, the establishment of same and the appointment of Newman Willis as postmaster was approved by Washington officials. Residents who signed the petition for the postoffice were high in their praise for the quick work of Congressman Barden in having same established. It will be located in the main office of Atlantic Beach on the boardwalk and nearer the ocean than any similar postoffice along the coast.

Education Officials Approve Senior Prom

Carteret's board of education are enthusiastic in their approval of the first all-county prom presented in Carteret.

THREE MILLION PLANTS SHIPPED FROM COUNTY

Nearly three million tomato plants have been shipped from Carteret county by A. M. Withers during the past few days. They were consigned to the Great Lakes region, where the weather at this season is just getting warm enough to set out plants. Here in Carteret hundreds of acres in tomatoes are almost ready for harvest.

1,000,000 Fish !!

The biggest catch of the season was made today by menhaden fishermen out of here when approximately 1,000,000 fish were taken by seven boats of the Beaufort Fisheries fleet. The boats which shared in the catch were: Reaper, Tampa, Rolena, Mace, Mills, Deutchland and Lloyd T.

DR. MOORE WITHDRAWS FROM POLITICAL RACE

In withdrawing as a candidate for county commissioner in the Democratic Primary, Dr. L. W. Moore today gave the press the following announcement:

"Notice of my candidacy was filed in the late afternoon of the last day for filing and was done at the insistence of my friends and without my having taken time for proper deliberation. Since considering the whole matter more fully I am convinced that it would be a foolish thing for me to neglect my practice and needlessly subject myself to certain criticisms that would follow my serving as a member of the board. I am grateful to my many friends who have assured me of their support but I am confident upon proper reflection they will understand and appreciate my attitude.

Covering The WATER FRONT

By AYCOCK BROWN

YOUR ARTICLE IN News and Observer of April 12, "Port Terminal Built in 1790s," is quite interesting to me as Capt John Wallace was my great grandfather," wrote Mrs M Bradshaw of Durham, to your columnist a few weeks ago. "I feel sure, she added, "I am the only living great grandchild, though his descendants run through several generations. One of his great-grand-sons my son Mike Bradshaw Jr., is on the staff of the News and Observer. I thought this might interest you" . . . and it does. Have never been able to get all the dope I would like to have about Carteret County's first port terminal.

WHILE ON THE subject I am reprinting a letter from Miss Olivia B. Grimes, of Raleigh, written on April 30 which has additional information (Continued on page eight)

TIDE TABLE

Information as to the tides at Beaufort is given in this column. The figures are approximately correct and based on tables furnished by the U. S. Geodetic Survey. Some allowances must be made for variations in the wind and also with respect to the locality, that is whether near the inlet or at the heads of the estuaries.

Fishing And ALL OUTDOORS

By AYCOCK BROWN

A PARTY OF anglers fishing the fresh waters of South River last Sunday landed four big-mouth bass and shot a 7-foot alligator with a .22 rifle. That is real sport, casting for big-mouths, catching them and on top of that having the opportunity of killing an alligator. It is quite likely that half the folks in Carteret county do not even know that alligators are somewhat numerous in the fresh waters of Carteret county, especially in the semi-tropical swamps and rivers of the eastern section. In the party making this catch and kill were R. Henderson, Beaufort and a Mr. Davis and Mr. Williams of Raleigh.

THERE IS NO closed season on alligators and it is likely that when Carteret county becomes better known to a great many northerners who think the Gulf Stream is only at Miami, that the art of gator hunting will become a sport in this county. It might be a good idea for some one to start an alligator farm as an attraction to vacationists and tourists who come to this area. The alligator farm idea has been put across in a big way down in Florida and it is a paying proposition there.

IN THE GOOD OLD SUMMER TIME

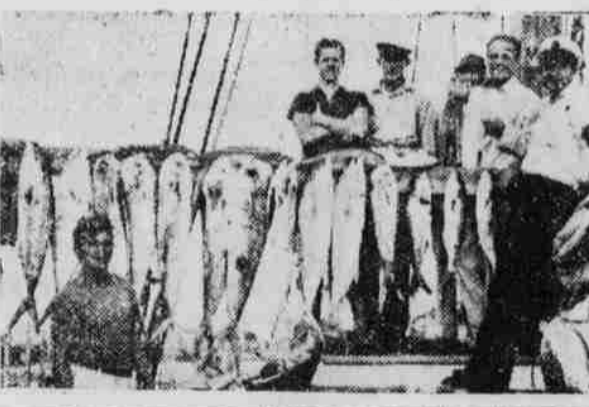

ATLANTIC BEACH

More new attractions than ever before are offered vacationists who visit the 1936 edition of Atlantic Beach, including a boardwalk cafe, kiddies playground, enlarged picnic shelter, colorful concessions, a bathers dining patio, enlarged picnic shelter and many other pleasing delights. On Saturday night Joe Burke and His Orchestra will play for the dancers and Election Returns will be given. On Sunday the A & N. C. railroad is running a special excursion from Goldsboro for beach goers. (Photo courtesy N. & O.)

EDGEWATER CLUB

The dophin and amberjack in the accompanying picture were taken in the Gulf Stream off Cape Lookout last June by a party aboard the Luther M. Werner which was chartered by Edgewater Club for the season and then purchased. The vessel is now named the "Flying Dolphin." The Buccaneer of New Orleans, a similar craft has been chartered for the season, giving Edgewater two boats suitable for Gulf Stream fishing. (Photo Courtesy N. & O.)

LEGION SPONSORS JUNIOR BASEBALL

Carteret Post 99, of The American Legion is sponsoring the organization of a junior baseball league for youngsters who have not reached the age of 17 before March 31, 1936. C. Z. Chappell will be the manager of the team.

All boys who wish to try out for the team are urged to attend an organization meeting in the Legion Hut Monday afternoon at 3 o'clock. Any boy who wishes to sign up may do so at once by contacting Vernon Paul of House Drug Store.

Political Round-Up

The Democrats have their board of commissioners nominated . . . Won't be any need of scratching any candidates in that particular lineup . . . The administration has things sewed up and as a result in November, the Republicans will have a swell chance to be placed in office . . . One guy I know is going to split his ticket when November comes around and vote his choice of Republicans and Democrats . . . A mixed board is what we need, he said . . . And your scrivener agrees with him . . . or that we need something what we have not had anyway . . . There is talk going the rounds that some sell-outs have been made during the past few days . . . and said the Teacher: "Johnny what is the difference if Carteret County owes a million and a half dollars or \$600,000?" Johnny: "None!" . . . which is the same way the present administration has looked at the situation . . . Dr. Moore and Kid Hill unharnessed this week and are out of the commissioner race . . . That leaves five—who are nominated—the reason there is no use of marking an X in the square beside their name . . . (Continued on page eight)
