

Newport Lads Champs At White Lake Camp

By C. S. LONG
The Young Tar Heel Farmers State Camp at White Lake opened June 22 and will close August 28. During this period schools from practically every county in the state spent one week at this camp.

First place in the total scoring of the week went to Newport. From a possible 250 points Newport "piled up" 200 which is also high score for the season thus far.

The following is the high spots of a few events:

- Results of the Swimming Meet
100 yards free stroke, Nick Allen, Newport; 1st place; Time 1'33."
50 yards back stroke, Harry Mizelle, 1st place; time 43."

Newport swept the swimming meet with six first places scoring 37 points to lead the meet decisively.

Volley ball and horseshoe championships also went to the Newport chapter.

Billie Roberts and Nick Allen led the field in horseshoe to defeat all other contestants from 15 schools.

Newport came through to win the championship in volley ball easily. Stars of the team were: Charles Lockety, L. D. Hunings, Harry Simmons, Billie Roberts, Harry Mizelle, and Nick Allen.

Friday night was stunt night and each school put on some original stunt. For Newport, Harry Mizelle, with the assistance of James Quinn and Harry Simmons, gave an impersonation of Zasu Pitts and Stepin Fetchit on a south sea island.

The Newport boys are very enthusiastic over "capturing" the championship and are already planning to repeat the same act next summer.

fracture the X-ray showed, but Dr. Moore believes it is a torn ligament. That is what the fluoroscope revealed—And how it happened I do not know—Maybe during the excitement of the fights in the Casino last Friday—but not the excitement of the bout itself—Because it was uninteresting and unexciting—Equally the slow motion affair carded as the Main event.

THE KNEE MAY have to be plaster casted—it may keep me in dry dock for another week, maybe another month—I had looked forward to getting a rest and I am getting it—except that it is a painful rest. I spend my time on my back with one leg, the injured one, in a horizontal position—When you are
