

In The
Realm of Women
Dial-448-1

Dr. and Mrs. W. S. Chadwick have returned from Virginia where they have been for several weeks on account of the serious illness of Mrs. Chadwick's sister, who is reported to be somewhat improved.

Taylor O'Bryan has returned to Asheville where he is in school, after spending several days here with relatives.

Mr. Clyde Moore of Norfolk spent several days here this week, being called here on account of the death of his uncle Capt. Alex Moore of Swansboro.

Mr. Johiah Chadwick spent the week end here, having come to attend the funeral of his uncle Capt. Alex Moore.

Misses Zadie Alligood and Emily Clyde Parkin have returned from New York City where they attended the National Beauty Congress in session there.

Friends of Mrs. W. E. Adair will be glad to learn that she is improved after a recent illness.

Miss Mary Taylor Hinnant of St. Mary's, Raleigh spent several days here this week.

Mr. Copeland Kell has returned to New Jersey after visiting his wife and children here.

Messrs. Rufus Sewell and Jack Neal have returned from a trip to New York.

Mrs. Joe Matthews has gone to Raleigh where she will visit Mr. Matthews' mother.

Mr. and Mrs. Robert Lucas returned early this week to their home in Greensboro after visiting Mrs. Lucas' parents Mr. and Mrs. John Dill.

Mr. Lafayette Howard of Ocracoke passed through Beaufort Wednesday enroute to Philadelphia where he is employed with the U. S. Engineers.

Messrs. Stanley and Clifton Wahab returned to Baltimore this week after visiting relatives on Ocracoke Island.

Dr. Hyde Speaks At P. T. A. Meeting

The P. T. A. of the Beaufort Graded School held its monthly meeting Tuesday evening, in the School auditorium. The President, Mrs. Ed Potter presided over the business during which the officers for the ensuing year were elected. Mrs. David Merrill was elected President.

Miss Holland gave a report on what was being done thru the lunch room for the undernourished children.

After the business session several children from the fourth grade presented very efficiently a Health Play.

The subject "Social Hygiene" was presented by Dr. Hyde. Thru this talk Dr. Hyde brought out some very important facts. He divided the subject in two parts. Mental Hygiene and Physical Hygiene. "Mental Hygiene deals with proper mental care and development," he said.

1. Social Maladjustments do not happen, there's a definite cause.
2. Natural mental developments is a gradual process and must be constantly guarded.

3. Most cases of maladjustment could have been recognized in their incipency and adjusted.
4. There are positive mental health principles.

(a). Environment should be free from strain. (b) relationship of con-

fidence between the child and parent and teacher. (c) an example of constructive integrate and wholesome living by those with whom the child comes in contact with. (d) providing adequate means of development thru playground and community activities. (e) All activities should be systematic.

The physical side of Social Hygiene includes all communicable diseases. There should be no division in communicable diseases. All contagious diseases are social diseases and the U. S. Public Agent Service will go forward in a united attack on all communicable diseases. It is our duty as parents to help our doctors to safeguard our community from these diseases. We need a Health Department headed by a physician trained in Public Health work who can devote his whole time in an organized way.

We as parents and teachers can use our influence in getting a full time Health Officer for Carteret and let's get in line with the other progressive counties of our State.

The P. A. voted to petition the county commissioners for a full time health officer.

Miss Hudgins made a few remarks on the pre-school clinic which will be held in April. All parents are urged to bring their children when notified. Just before closing Mr. Graydon Paul sang An Old Fashioned Locket and A Rangers Song in his usual interesting manner.

Nursery School

Mrs. Copeland Kell has re-opened her St. Paul's Nursery School and is now ready to give supervised recreation to the tiny citizens of Beaufort. In her school, little children are given play time, play space, play equipment and most important of all, playmates. If Beaufort parents give their co-operation Mrs. Kell expects to operate the Nursery School until June. An ad elsewhere in this news paper gives further particulars.

HASSELL-WHITEHURST

In the presence of a few friends, Miss Hilda Mae Mae Whitehurst, and Mr. James Hassell were quietly married last Sunday evening at the home of the Rev. A. P. Stephens in Morehead City. She is the daughter of the late Robbie and Beatrice Whitehurst. Mr. Hassell is the son of Mr. and Mrs. Lawrence Hassell. Both are natives of Beaufort. They are widely known and have many friends here who will wish them happiness. They will make their home in Beaufort.

BOOK CLUB MEETS

The Tuesday Book Club met March 16th with Mrs. U. E. Swann. After a business session Mrs. Charles Skarren Jr., in charge of the program gave an interesting talk on "The Decade Following Poe" and "The Decade of The Atlantic Monthly Under Lowell." Following a general discussion of books of this period the hostess served a delicious salad course.

WOMAN'S CLUB SPONSORS BETTER ENGLISH WEEK

Students of Beaufort Graded School were addressed last Friday morning by Mrs. Blythe Noe, president of The Woman's Club on the subject of "Better English Week." According to all reports her speech has aroused much enthusiasm among the student body and their parents. Excerpts from Mrs. Noe's address as reported by Elwood Warren, follows:

"The local Woman's Club in an effort to promote better English, is sponsoring a "Better English Week" which begins the nineteenth of March and ends the twenty sixth.

Four different phases are included in this "Better English Week Program" as follows:

1. Pronunciation Contest: In order to know how to pronounce words correctly a list of words is put on the boards in each high school classroom with the correct pronunciation beside them. These pronunciations are to be learned by each pupil and by a process of elimination the best pronouncer will be selected from each room. These pupils will enter the finals of the match which

will be held in the auditorium Friday morning, March 26th. The winner will receive a prize.

2. Poster Contest: A prize will be given to the elementary and to the high school grade that exhibits the best "Better English Poster."

3. Written and Spoken English Contest: A medal will be awarded to a high school boy and girl who uses the best written and spoken English from now until school closes. The judges of this contest will be the high school faculty. The medal will be presented to this boy and girl at the Commencement Exercises.

4. New Word Contest: For this contest a prize will not be offered but each pupil is urged to practice the use of new words as nice, grand, or pretty which when used so many times become monotonous. Although there is no possible way to judge this part of the program everyone is urged to keep this in mind and practice the use of new words daily.

The community is invited to attend this program to be given in the Beaufort High School auditorium, March 26th and make the "Better English Week" a big success.
