Lesson for June 26
SHARING SERVICE WITH THE LIVING CHRIST
LESSON TEXT—Mark 16:1-8, 14-16, 19.
GOLDEN TEXT—And they went forth and preached everywhere, the Lord working with them. Mark 16:20.
PRIMARY TOPIC—At Work With Jesus.
JUNIOR TOPIC—Jesus Our Living Lord.
INTERMEDIATE AND SENIOR TOPIC—Making a New World With Christ.
YOUNG PEOPLE AND ADULT TOPIC—Making a New World With Christ.

Easter again? No, the calendar does not say so, nor have we forgotten that we observed Easter ten weeks ago, but quite properly we study the resurrection story again today. Not only does it come in the sequence of our lessons as our final study in the Gospel of Mark, but the fact is that every Sunday is a reminder of Easter. The reason why we worship on the first day of the week is that it is the resurrection day. What life it would put into our Sunday worship if the glory of the risen Lord would shine forth (as it should) each Lord's Day in all of our service and worship.

It is difficult to think or write about the living Christ without using superlatives. Our lesson for today brings before us the most important truth that the world has ever heard—"He is risen"; it speaks of the worst thing in the world—"unbelief"; and it presents the world's greatest commission—"Go . . . and preach."

I. The Transcendent Truth (vv. 1-8).
 "Ye seek Jesus, the Nazarene, who hath been crucified; He is risen. He is not here" (v. 6).

The world anxiously awaits news, and, hoping almost against hope, it longs for good news. This is the good news—the Gospel—the all-important tidings that the Son of God who had taken upon Himself not only the form of man, but the sins of mankind as well, who had tasted the bitter death of Calvary's cross, could not be holden of death, but breaking its bands asunder had risen from the dead.

This truth becomes the chief burden of the messages of the disciples as they soon went everywhere proclaiming the Gospel. See the sermons recorded in the Book of Acts (2:24, 32; 3:14, 15; 4:10, 23; 10:40; 13:30). It was such preaching that was at the foundation of the Christian church. It may be that we should emphasize it more.

II. The Impassable Barrier (v. 14).
 "He upbraided them with their unbelief and hardness of heart, because they believed not," Many are the sins that men commit, but at the root of them all we find the heart of all sin—unbelief. If a man steals he does not believe God's Word about the sanctity of property, nor does he believe that God is able to care for him. If he kills, he does not believe God's Word concerning the sanctity of human life, nor does he recognize that man is made in the likeness and image of God. And so we might go on and show that back of sins there is the sin of unbelief.

The tragic consequence of unbelief is that it shuts the door, throws up a barrier to God's blessing that is virtually impassable until God himself gives grace to believe. The astonishing thing is that the hardness of heart and lack of faith here were on the part of those who had been the disciples of Jesus, to whom He had made known the fact that He was to die and to arise on the third day, and to whom there had now come the word of eye-witnesses that they had seen the Lord.

While we marvel at their short-sighted unbelief, shall we not ask ourselves what hindrances we have placed in God's way in our own lives?

III. The Supreme Commission (vv. 15, 16, 19, 20).
 "Go ye into all the world and preach the gospel to the whole creation" (v. 15). "And they went . . . and preached, the Lord working with them and confirming the word" (v. 20).

The great commission of Christ is still the "marching orders of the church," but how slowly we have marched. The writer of these notes was recently startled by statistics revealing the fact that "Christian" America is rapidly returning to the status of a mission field. It is said that last year 60,000 churches in America had no converts, and 9,000 churches were closed during the year. There are 10,000 villages reported to be without church services, and 30,000 communities without a resident pastor.

The command of Christ is that we should go to these pagan communities in our own land with the gospel, and surely it is our double shame that there are still lands where Christ has never been preached, yes, tribes that do not even have a word in their language for the blessed name—Jesus!

If we will go He will indeed work with us (v. 20) and accompany the message and ministry with divine authority and power. Who will go?

LOSE FIGHT TO RESTORE COMPENSATION
 Representative Lindsay Warren stated today that the appropriation to restore re-enlistment allowance to the Army, Navy, Marine Corps and Coast Guard had failed. Although it was recommended by the heads of all departments involved and had the approval of the Bureau of the Budget and the President, Congress refused to pass it. A fight in behalf of the measure was

made by Representative Scott of California and Mr. Warren, but it was defeated in both the House and Senate. Mr. Warren stated that it was doubtful if this allowance would ever be restored.
 Norman McCall, 4-H club member of Linden, was awarded a pure bred bull calf for proficiency in judging cattle at the recent dairy field day held at Cottonade Farms in Cutherford County.

With plenty of green vegetables available 141 women studied "Salads and Salad Dressing" at May meeting. Miss Madis Dickinson, local leader, gave the demonstration to the Core Creek women and the Agent, assisted by local leaders, presented the lesson to the remaining groups. Miss Mary E. Thomas, State Extension Nutritionist, trained nine leaders in the lesson, "Easy Guest Meals."

The two Canning Contests to be held in September were discussed by each local Food Conservation and Garden leader and Club members are now preparing to enter same. The first and second winners of the Fall and Winter Garden Contests, Mrs. Paul Beacham, North River, and Miss Madis Dickinson, Core Creek, were awarded five dollars and two and one half dollars respectively, by a fertilizer company. Mrs. Beacham is using her prize money to remodel her kitchen.

Mr. T. T. Brown, Extension Poultry Specialist, gave a very helpful demonstration, Egg Grading and poultry dressing, to twelve interested Curb Market members. As a result, Mrs. Bessie King North River, is now candling eggs for incubation by using an oatmeal box and an electric light bulb.

The North River Club enjoyed a picnic lunch at the home of its hostess, Mrs. S. E. Hayne, on the scheduled Club day, before the meeting hour. A kitchen orchestra is being organized by this Club and the Crab Point Club has organized a chorus.

OLD-AGE INSURANCE CLAIMS CERTIFIED FOR PAYMENT IN THIS SECTION

Wilmington, N. C., June 20, 1938.—An actual count of the number of claims for lump-sum payment of old-age insurance shows that 271 claims, amounting to \$4,890.06 have been certified for payment to claimants in the Wilmington field office for the first of January. For the first of January, 1938, the number, 26, amounting to \$6,287, were certified during the month of May. This statement was made today by George Jeffrey, Manager of the Wilmington Social Security Board, which serves the counties of Anson, Brunswick, Carteret, Columbus, Craven, Cumberland, Edge, Jones, New Hanover, Onslow, Pamlico, Pender, and Robeson.

Mr. Jeffrey said that 319 claims of old-age insurance, amounting to \$7,951.12, were certified for payment during May in North Carolina, and during the first 17 months' operation of the old-age insurance, amounting to \$866,535.05, were certified for payment to citizens of North Carolina. "That means," he said, "that most of the claims filed in this State for lump-sum payments of old-age insurance have been approved by the Social Security Board and forwarded to the United States Treasury for payment."

Mr. Jeffrey explained that there are two types of lump-sum payments that can be made at any time after January 1, 1937. One is the death benefit which the Federal Government is paying to relatives or estates of insured workers. The other type of lump-sum benefit, now payable, is for the insured worker who has reached the age of 65 since the first of January 1937.
