"Prove All Things," 1 Thess. 5:21

Winter Grazing Crops Reduce Feed Costs.
Currituck hog growers will plant an enlarged acreage to winter grazing crops so as to reduce feed costs and prevent internal parasites in pigs. In the Grandy community over 1,000 pounds of crim-

son clover seed have been ordered to date.
Peanuts that have been dusted with sulphur in Northampton County are greener and are holding a higher percentage of their leaves than undusted plants. The sulphur treatment seems to be controlling the leaf spot disease.

Lesson for September 25

DAVID: TRIUMPHANT FAITH

LESSON TEXT—Psalms 23 and 27:1-6. GOLDEN TEXT—The Lord is my shepherd; I shall not want, Psalm 23:1. PRIMARY TOPIC—The Song of the Shepherd. JUNIOR TOPIC—The Song of a Shepherd Boy. INTERMEDIATE AND SENIOR TOPIC—Songs of Faith and Courage. YOUNG PEOPLE AND ADULT TOPIC—A Steadfast and Triumphant Faith.

What a fitting conclusion to our three-month study of Old Testament characters it is to sound the note of "triumphant faith." The life stories which have passed in review have been true to life, as they have shifted from strength to weakness, from fear to courage, from moral responsibility to moral weakness. But God is the one who changeth not—and we would not close our series properly without the encouraging reminder that the man who truly believes God may know strength out of weakness, courage in place of fear, may like David rise out of degrading sin and defeat into the joy and victory of faith.

Two elemental needs are common to all mankind—provision for the maintenance of life, both physical and spiritual, and protection from the enemies of soul and body. Our first Scripture portion declares the faith of David in God as his providing shepherd and the second as his security from fear.

I. Provision (Ps. 23).
"The Lord is my shepherd." Putting God first in every detail of life means that there will be
1. No want (vv. 1-5). "My cup runneth over," and surely then there can be no lack of any good thing. God is able and willing. We, like David, should trust Him.
2. No weakness (v. 3). "He restoreth my soul." The world is puzzled by the rejuvenating power of the grace of God in the Christian's soul, but it becomes very real to us through the Word, through prayer, through the indwelling Holy Spirit Himself.
3. No wandering (v. 3). "He leadeth me." In an unknown or dangerous country the essential thing is to stay close to one's guide. In the wilderness of this sinful world, we must keep close to our divine Leader. He knows where the still waters and the green pastures are to be found, even in wildest and most barren land.
4. No worry (v. 6). "Surely goodness and mercy shall follow me all the days of my life." It was true of David, it is for should be, pre-eminently true of the Christian. Someone has said, "If we trust we do not worry; if we worry we do not trust."
5. But—blessed assurance. Not only will the goodness of God follow us all our days, but we shall "dwell in the house of the Lord forever."

II. Protection (Ps. 27:1-6).
"The Lord is my light and my salvation"—could there be any greater certainty that we shall be delivered from every danger and difficulty? To the one who walks in that light there can be
1. No fear (v. 1). "The Lord is the strength of my life, of whom shall I be afraid?" He is the perfect and final answer to all the fears of life.
2. No failure (vv. 2, 3). "Though an host should encamp against me, in this will I be confident," that they shall but stumble and fall. One of the fears that dogs the footsteps of a man is that after all his effort and labor some enemy will come in and destroy. The Christian must often meet wicked and troublesome enemies—but though they be a host, he may be serene in his soul, knowing that if he is right with God the devices of man or devil against him shall only fail.
3. No falling (vv. 4, 5). "He shall set me up upon a rock," and that rock is in "the secret of his tabernacle." The assurance of the believer in Christ is in Him, His work upon the cross and His certain word of promise.
David longed for the house of the Lord; he wanted to return to the temple from which his many wanderings so often separated him. How blessed is our lot as Christians for we have in our own bodies the temple of the Holy Spirit (1 Cor. 3:16, 6:19); we have Christ in us as the hope of glory (Col. 1:22). We also long to be in God's house (that is if we really love Him), but if we are born again we have the temple of God wherever we may be.
4. No fainting (v. 6). "Now shall mine head be lifted up above mine enemies round about me." Just when, humbly speaking, we would faint because of the enemies all around us, or by reason of the heat and pressure of the fight, then God causes our heads to be lifted up and in the moment of apparent defeat there is victory.
5. But—a song. "I will sing praises unto the Lord." The atmosphere of praise is one which the enemy of our soul cannot stand. It is too rare, too pure, too holy for him. Next time he tries to defeat you—why not "Try Praise"? It works!

Weekly Market Report On Feeds And Livestock.

Raleigh, N. C., Sept. 20.—Feed-stuff markets firmed during the second week of September influenced principally by advances in feed grains. Wheat millfeeds were in better request and averaged about 75c per ton higher. High protein feedstuffs were irregular. Cottonseed and linseed meals were slightly lower. Soybean meal sold higher for immediate shipment but held unchanged for deferred delivery. Gluten feed and meal were quoted lower. Changes in other feeds depended mostly upon local conditions of supply and demand. The index of wholesale feedstuff prices advanced to 90.4 (1935-36-100) compared with 89.4 a week ago and 95.5 a month back, according to the N. S. and North Carolina Department of Agriculture.

Best grades of beef cattle were stronger than last week while common and medium grade steers were weaker. The extreme top for fed steers was 13.35. Receipts were larger than last week but grassers loomed large in the run. Fed heifers, cows and vealers were stronger while bulls were about steady. In the hog division most packing sovs were steady to slightly higher. The top for the week in Chicago was 9.45, the highest in 3 weeks. An increased supply of sheep and lambs and a weaker dressed meat trade forced prices down on spring lambs, yearlings and sheep. The closing top at Chicago was 7.90.

The fall crop of turkeys is beginning to appear on some of the markets. In New York, turkeys were in a very light supply and the market was slightly higher. At Washington, young hens, 10 to 12 lbs. were quoted at 24 cents per pound while young toms of 15 lbs. and up brought 25 cents. Other live poultry was about steady except chickens which were slightly easier. The egg market continued firm and the statistical picture remained unchanged, (smaller supplies, lighter market receipts and smaller storage stocks than in 1937.)

This week's wholesale Dressed Meat Market at New York, was featured by price losses in all classes except top prime Steer and Kasher, Steer Chuck, and Plates which were steady. The latter closing strong. Other grades of Steer beef were .50 to 1.00 lower; Lamb opened the week steady to .50 cents higher but closed the period 1.00 to 2.50 below the opening. Pork Shoulder cuts opened .50 to 1.00 higher and closed barely steady to .50 cents lower while Loins opened .50 to 1.00 higher and closed .50 to 1.00 lower on 8's to 12's and steady to slightly lower on others.

Practically no Farmers' Stock Virginia Type Peanuts are now moving to the mills. However, nominal prices are slightly weaker than they were at this time last week. Nominal prices on a delivery point basis are about as follows per lb: Jumbos, best 4-4 1-4 cents. Bench, best 3 3-4 4 cents. Best shelling stock, 3 1-2 to 3 5-8 cents.

Railroad's Sale Seen As Opposed

Wilson, Sept. 19.—The people of Morehead City are opposed to the lease of the Atlantic and North Carolina line to the Southern Railway, according to John D. Gold, veteran editor of the Wilson Daily Times in a signed story in his paper tonight.

Gold has been active in seeking to improve and make the Atlantic and North Carolina Railroad successful and is very much interested in the port terminal in Morehead.

The veteran editor said tonight that in interviews with various people in Morehead he had found that they are "opposed to a lease or sale of the Atlantic and North Carolina railroad to the Southern Railroad or any other interests that will not seek the development of the Port of Morehead and the promotion of the welfare of the entire State."

The article goes on to state that "the people of Morehead City declare that so far they have never been able to see where the Norfolk-Southern or the Southern Railroad have sought to build a port in North Carolina but have sent traffic originating in North Carolina through the ports of Norfolk, Charleston and Savannah, and the Southern, so far, has not promised, if it takes over the road, to do anything for the port of Morehead City."

Eastman Attends Philco Meeting

On Wednesday of last week, George Eastman, owner of Eastman Furniture Company of this city, carried to Greenville, Mr. James Davis, as his guest to attend the annual Philco meeting held by the Philco factory. Both Mr. Eastman and Mr. Davis witnessed one of the newest inventions in Radio history—The new Myster Control recently announced nationally by Philco. They placed orders for this and other models also introduced with expectations of having them in Beaufort on display in the very near future. On its arrival, the Eastman Furniture Co. will extend an invitation to everyone to see this new marvel through an early issue of this paper.

Superphosphate-Lespedeza An Excellent Combination
Lespedeza and superphosphate makes an excellent combination for corn, says B. F. Byrd, of Swain County, who finds his crop following these two is 100 percent better than it was before he applied the phosphate and grew the lespedeza.

Pre-School Group At Recreational Center

As a part of the WPA Recreation work to be carried on this year at the American Legion Hut, beginning September 26, a class for the pre-school children, ages four to six years, will be held each morning except Saturday from ten to twelve o'clock.

All children of the ages specified will be eligible without cost other than such material as the child may need. This work will be under the direction of Mrs. Edith Stevens and Mrs. Vera Stubbs, and has the support of the local school board as well as the local Council of Recreation. Parents interested in this phase of the Recreation work may see the supervisors for further information.

Attractive, interesting and beneficial programs will be arranged, so that valuable service to the community can be rendered in this way.

The Durham Farmers Mutual Exchange did a \$500,000 business last year under the leadership of Manager C. W. Tilson. The Exchange has been organized for eight years and serves farmers of Durham, Orange, Chatham, Person and Granville counties.
