Citizens Of Lukens Want Ferry Service

Transferred To New Post Today

COLONEL GEORGE W. Gillette reports for duty this afternoon at Fort Belvoir, Virginia, and the North Carolina District of the U. S. Army Engineering Corps with headquarters in Wilmington loses one of the finest officers to ever occupy this post.

WASHINGTON.—The figure which defense commission experts have fixed privately for new factories for that new plane production program is \$2,000,000,000.

Present plane deliveries to the army, navy and to the British are around 1,000 fighting ships per month.

Some of the companies already are erecting new plants, in addition to previous enlargements.

But all this is only a drop in the See Merry-go-round—Page 2

Highway Officials Will Be Given Request

COUNTY BOARD IN MONTHLY MEETING

H. T. Banks, prominent citizen of Lukens, appeared before the Carteret County Board at their monthly meeting on Tuesday and presented petition containing over 100 names of residents requesting ferry service from their community to Merrimon.

New Commissioner

The general opinion is that Clerk of Court Lawrence W. Hassell made a wise selection in the appointment of Bayard Taylor of Beaufort to the vacancy on the County Board of Commissioners made vacant by the death of the late W. P. Smith.

vice which is being forwarded the State Highway and Public Works Commissioner.

Mr. Banks has pointed out that not only would the ferry be of general service to the 150 or more residents of Lukens, but that it would provide transportation for a number of school children who are denied the facilities of consolidated schools at present due to the

DECEMBER TERM JURORS DRAWN

Hon. C. Everett Thompson, Judge Presiding

The Jury List for the December term of Court was drawn on Tuesday. Judge C. Everett Thompson will preside over the term beginning December 2. The jurors follow:

Ray Davis, Alex Davis, Marshallberg; Walter Mason, Clyde Morris, Atlantic; C. T. Cannon, T. B. Hall, N. S. Bell, J. R. Ball, Leon Taylor Newport; Thomas Gaskill, Roe; W. E. Baggs, Swansboro; George R. Russell, C. T. Guthrie, H. C. Jones, Beaufort; Jerome Fulcher, Elmer Salter, Stacy; J. Gordie Styron, Mitchell Taylor, Sea Level; W. J. W. H. Ball, H. T. Mizelle, Morehead City; Joe Hancock, Luther L. Guthrie, W. R. Sparks, Harkers Island.

Child Injured As Otway Home Burns

The home of Will Lawrence in Otway was destroyed by fire last Friday night. His son, Will, Jr., was not rescued from the flaming house until he had been burned severely. The youngster is receiving treatment at Potters Emergency Hospital. Origin of the fire was not learned, but Carteret citizens are urged by The Beaufort News to safeguard their own homes against a similar misfortune suffered by the Lawrences of Otway.

Carteret Jail Had 32 Inmates During Month Of October

Carteret County's jail population during the month of October was 32 persons of which 13 were white men, and 17 were Negro men. One white woman, charged with driving an automobile while drunk and one Negro woman, charged with public drunkenness were incarcerated. Practically every person jailed during the month was due to liquor or charges grow out of liquor drinking. The foregoing report was issued by Sheriff C. G. Holland's office.

Brilliant Speakers Here For Armistice Program

DRAFT QUOTA IN CARTERET COUNTY GIVEN

Ninety-nine Men To Be Called During Fiscal Year

Ninety-nine draftees are scheduled to be called from Carteret County to one year of service between now and June 30, 1941, according to announcement made last week by Governor Hoey. In addition to making public the quotas for each of North Carolina's hundred counties. It was not stated whether the Carteret quota would decrease with enlistments in the armed forces of the nation by residents of Carteret, but it is assumed that this will be the case.

Quotas for other nearby counties follow: Hyde, 35; Dare 26; Pamlico, 43; Craven, 82; Onslow 95; Beaufort, (county) 117, and Brunswick, 84. Governor Hoey also stated that 15,613 Tar Heels would be called to the colors during the period ending June 30, 1941.

North Carolina was ordered to supply 49,434 men under the selective service act, the governor said, but this figure was whittled down to 15,613 because the state received credit for men who had enlisted since January 1 and for national guardsmen, who were called to active duty.

Hoey's figures showed that 29,032 men had enlisted and 4,789 had been called out by the guard. The guardsmen and enlisted men were credited, whenever possible, to counties or draft board areas in which they resided. As a result, three counties—New Hanover, Haywood and Hoke—will not be called on to furnish any men in the draft's first call.

See DRAFT QUOTA Page 8

DRAFT

Questionnaires (Form 40) have been mailed to 100 registrants in Carteret County this week, Mrs. F. M. Chadwick, clerk for the Local Draft Board announced today. They are notices to registrants that the process of "classification and selection" with regard to the registrant receiving same has begun. The questionnaires mailed this week go to the first hundred persons in Carteret whose order numbers were drawn.

It is most urgent that registrants fill out their questionnaire and return it to draft office within five days from its receipt. Members of the Advisory Board, headed by F. R. Bell with offices in the Federal Building here will assist any registrant who does not understand clearly how to fill out his blank. In each community of Carteret are associate members of this Advisory Board who will also assist registrants in those communities.

Complete information "Notice to Registrants and to the Public" has been posted at the Draft Board in Morehead City and on the Draft Bulletin Board at The Beaufort News Office on Craven Street.

PTA Meet Tuesday Night To Feature NYA Activities

All patrons of Beaufort School and others interested are urged to attend the next meeting of the Parent Teachers Association which will be presented in the School Auditorium here on Tuesday night, November 19. The program which will include moving pictures of NYA activities, a speaker from the Raleigh office of the NYA and address by Dr. H. F. Prytherch, director of the U. S. Fish and Wildlife Laboratory on Pivers Island will be presented by the Carteret National Youth Administration unit which is under the supervision of Mrs. Rosa Merrill.

Barden And Humber Heard By Large Audience

Commander Ball Presided At Annual Post Banquet

Two of the most forceful Armistice Day messages ever delivered here, the first by Robert Lee Humber, until recently a resident of Paris, France, and the second by Representative Graham A. Barden of the Third Congressional District, were heard by approximately 100 persons at the annual Carteret Post No. 99, turkey dinner on Tuesday night in observance of the World War "recess" which occurred on November 11, 1918.

While the addresses of these two brilliant speakers were the high spot of the program, Carteret Post Commander Raymond Ball called on several persons present for short talks or recognition. These included Mayor-Protem, Grayden Paul, Democratic Executive Chairman Irvin W. Davis, Editor Aycock Brown and others. Special music for the occasion was presented by Mr. and Mrs. Grayden Paul, M. Leslie Davis, Dr. F. E. Hyde with group singing by all present. Rev. Stanley Potter of the Methodist Church delivered the benediction and Rev. S. J. Erwin of the Baptist church dismissed the group with

Red Cross Roll Call

RAIN CHECKS GOOD WORK OF WORKERS

JOIN

In spite of rain and disagreeable weather for the first two days of the annual Red Cross Roll Call the chairman, Rev. E. C. McConnell, reported today that nearly one half of the desired membership of 275 had been reached. Several of the volunteer workers were able to get two or three hours work done before the wet spell started and reported very excellent response this year. The drive for membership will continue when the weather improves.

OCRACOCKE HAS MANY DRAFTEES

Sixty Two Persons There Between 21 and 36

Sixty-two persons between the ages of 21 and 36 are registered on Ocracoke Island for the Selective Draft, according to information received this week from O. L. Williams, of Swanquarter, good friend of the Editor of The Beaufort News who got the data together so this newspaper could supply the information to its readers on Ocracoke.

Hyde's quota between now and June 30, 1941, is only 45 persons so it is unlikely that more than two or three persons from the island community will be called to the colors during the period mentioned. Only 10 of the total have order numbers less than 100. They will be among the first to receive questionnaires which in all likelihood have been received by them this week. When these questionnaires are returned to the Local Draft Board in Swanquarter, those in charge will have an opportunity to determine in most cases whether that person is eligible due to de-

POTTER WILL CONTINUE AS LOCAL PASTOR

Conference Makes Few Changes On N. C. Coast

Rev. W. Stanley Potter was reappointed at the Methodist Conference in Wilmington last week-end to fill the pulpit at Ann Street Methodist Church here. It was good news to local Methodists who have watched their church make real progress under the leadership of the Yale University trained Missourian who succeeded Rev. L. D. Hayman as pastor here last year. The Rev. Mr. Potter is not only active in the religious work of the community and county, but he is also active in civic circles, being secretary of The Rotary Club.

Morehead City residents were equally as well pleased when it was reported that Rev. T. G. Vickers was reappointed to the pastorate of the Methodist Church there and that Rev. M. C. Stephenson was returned to the Morehead City circuit, which includes the Salter Path church.

Popular young theologian C. S. Boggs was re-appointed to the pastorate of Newport Methodist church, and the Rev. Louis D. Hayman was re-appointed to the pastorate of Atlantic Methodist church. Farther down the coast, the Rev. W. H. Brady was re-appointed to the pastorate of Ocracoke Methodist church and he will also supply the Portsmouth church across the inlet in Carteret County.

See LOCAL PASTOR Page 4

LIQUOR CASES AIRED TUESDAY IN COURT HERE

Although there were several cases on the docket for trial in Recorder's Court Tuesday, several were postponed due to the length of time it took to dispose of those heard this week. Judgment was suspended in the case of Zennie Frazier, charged with violating the prohibition law. He was originally sentenced to six months in jail, and will have to serve that time if he violates the law during the next two years.

After hearing the evidence, the Court found Sam Williams charged with assault with deadly weapon, not guilty.

W. H. (Bill) Johnson was ordered to pay the costs of the action and remain of good behavior for period of two years. Isaac Williams was found not guilty on a charge of reckless driving. Prayer for judgment and continued up on payment of the costs was ordered in the case of G. D. Canfield, charged with violating the prohibition law. A similar order was issued in the case of Charles Henry Holland.

C. M. (Kid) Hill's Annual Barbecue On November 23rd

C. M. (Kid) Hill, farmers' supply merchant of Newport, in Beaufort today announced that the annual barbecue sponsored by himself and the makers of Red Steer Fertilizer would be held Saturday, November 23, instead of Saturday, November 16, as reported earlier. The date is being moved up due to conflict with another event in Newport. The barbecue, one of the most outstanding parties held in the Newport section each year, will be presented at the Hill Farm on Nine Foot Road.

Guests at the Barbecue dinner are invited by card which Mr. Hill is mailing this week. In addition to delicious pit-cooked pig and accessories many prizes are given away free to those attending the dinner. Among the prizes to be given away will be subscriptions to new subscribers to the Beaufort News.

Beaufort High School Graduate— Makes Good In Army Air Corps

SERGEANT HARRY W. Tyler, of the 4th Reconnaissance Squadron, Hickam Field, Territory of Hawaii, made rapid advancement after he enlisted last year. He is a recent graduate of Beaufort High School, and the son of Mr. and Mrs. C. P. Tyler who live at the Davis House Apartments here. In the above picture he is shown standing outside one of his squadron's planes prior to taking off on a photographic mission. He is now rated as photographer and gunner of the combat crew of his ship. Harry's career and rapid advancement goes to show what the government armed forces have to offer a young man today.—(U. S. Army Air Corps Picture.)

HARRY TYLER MAKING EXCELLENT RECORD IN U. S. ARMY AIR CORPS

NOTES OF A NEW YORKER They say it happened in Federal court the other day. A prisoner from the Federal penitentiary at Lewisburg, Pa., was testifying for the gov't in an important case. The lawyer for the defense was cross-examining and said, "You're saying things about the defendant because the government has promised to free you. Isn't that so?" . . . The prisoner replied, "No. I'd just as soon stay right there in pen" . . . "You expect me and the jury to believe that?" sneered the attorney. . . . "Sure," was the answer. "Where else could a mugg like me get a chance to socialize with bankers and corporation lawyers?"

Sibelius, who notoriously dislikes critics (his famous crack is: "They never built a statue to a critic) once was walking in his garden at his home at Jarvenpaa, Finland. It was a beautiful sunny day. The flowers were in full bloom. The birds were singing so very melodiously— See Winchell—Page 2

Cyanamid Method Of Weed Control Is Tried In Carteret

Cyanamid method of weed control in tobacco plant beds is being tried by John B. Kelly of Newport township as a demonstration in cooperation with the Extension Service. On October 28th, Mr. Kelly with the assistance of County Agent J. Y. Lassiter prepared one hundred and fifty yards of ground the same as it would be prepared for seeding the bed in February and applied a pound of Granular "Aero" Cyanamid per square yard over two thirds of the area, leaving one third as a check bed. This material contains 21 per cent Nitrogen and 70 per cent lime, and must be applied approximately ninety days before sowing the tobacco seed.

The Cyanamid has the following advantages in that it controls weeds so well that little or no handweeding is necessary. Through the elimination of handweeding it helps to control the spread of disease in plant beds. The cost is half as much as burning and only a fraction as much as hand weeding and requires no additional machinery or special equipment. The Beaufort News has been advised that interested tobacco farmers may find this demonstration bed on Mr. Kelly's farm on the Deep Creek road approximately one and one half miles from Newport.

School Days' Hobby Let Him Realize An Ambition

As Photographer Has Advanced To Sergeant

When Sergeant Harry W. Tyler, 4th Reconnaissance Squadron, Hickam Field, Territory of Hawaii, son of Mr. and Mrs. C. P. Tyler, 123 Front Street, Beaufort, graduated from the Beaufort High School several years ago, he little realized that a hobby of his, developed around a small folding camera and a makeshift dark room, was later to be a contributing factor in his rapid advancement in the U. S. Army Air Corps. This early hobby of his started him on the path to aerial photography for when he arrived in the Hawaiian Department, he requested that he be assigned to the photo Section at Wheeler Field, one of the largest and finest of the Air Corp's photographic laboratories, and because of his excellent work there he was detailed as a student in the first class of the 18th wing, Air Corps, Ground and Aerial Photographic School, from which he graduated in February of See HARRY TYLER Page 4

TIDE TABLE

Information as to the tide at Beaufort is given in this column. The figures are approximately correct and are based on tables furnished by the U. S. Geodetic Survey. Some allowances must be made for variations in the wind and also with respect to the locality, that is whether near the inlet or at the head of the estuaries.

Table with columns for HIGH, Friday, Nov. 15, and LOW, 1:52 AM, 2:33 PM, Saturday, Nov. 16, 3:26 AM, 3:38 PM, Sunday, Nov. 17, 3:01 AM, 3:45 PM, Monday, Nov. 18, 3:38 AM, 4:24 PM, Tuesday, Nov. 19, 4:19 AM, 5:08 PM, Wednesday, Nov. 20, 5:18 AM, 5:59 PM, Thursday, Nov. 21, 6:07 AM, 6:56 PM.
