

SPORT LITES

By J. W. STEWART

Basketball officially opened its doors last Thursday afternoon when Morehead and Harkers Island played on the outdoor court at Harkers Island. Boy oh Boy what a season this is going to be when the final whistle is blown from what has happened since the opening whistle.

Morehead boys and girls defeated the respective teams of Harkers Island, the girls winning 55 to 5 and the boys 14 to 7.

On Friday night of last week Newport opened its season by playing Beaufort at Beaufort. The Newport girls easily won over their rivals by a score of 36 to 7. The Newport boys and Beaufort boys game proved to be the thriller that you truly said it would be and at the end of the regulation game the score was found to be at 16 all. In the extra period Beaufort made three more points and 18 to 16.

On the same Friday evening Smyrna journeyed to Atlantic. A foul throw at the end of the game gave Smyrna boys a win by a score of 17 to 16. The Smyrna girls won over their Atlantic rivals 36 score to 13.

On Monday afternoon Atlantic played Harkers Island on the Harkers Island court and won a double header the girls by a score of 32 to 8 and the boys 28 to 4.

Monday night was the night of nites. Strange omens were cast for the two events held at Smyrna and Newport that night. As was to be expected Smyrna girls won over Beaufort girls 27 to 7 altho a great number of the points scored were foul shots. Then came the boys game. From the outset Smyrna took the lead and kept it gradually adding to the score with a final score of 11 to 5 in favor of the Smyrna boys. The fact that Beaufort had three of its players out doesn't alter things as in all probability the score would have been in Smyrna's favor as the boys were out for a win altho the margin might not have been what it was.

Morehead journeyed to Newport. The boys were listed for a defeat by Newport and received it to the tune of 52 to 15. However as at Smyrna a strange omen was present and Morehead girls who were feated by a score of 25 to 20, favored to win went down to de-

What do the seers hold for this week. Some of the games may be cancelled due to closing of the school due to flu but the schedule calls for Smyrna to play Harkers Island in the afternoon at Harkers Island, Beaufort to play Morehead at Morehead and Newport to play Atlantic at Atlantic, both of these latter games at night. On Tuesday Morehead is to play Smyrna a night at Smyrna, Newport to play Harkers Island at Newport at nite, a change in the original schedule being made here by agreement, and Beaufort is scheduled to play Atlantic at Beaufort on Wednesday but this is probably a typographical error. Best to ask your local coach about this game.

MORE ABOUT SEVEN CASES (Continued from Page 1)

Hill was given 60 days in the County Home, but judgment was suspended upon payment of one-half the costs.

Sam Weatherington was given a suspended judgment when convicted of being drunk on the highway and for having untaxed liquor in his possession.

Van Martin took an appeal to Superior Court when ordered to pay \$2.50 per week towards the support of his child Bobbie Martin. Bond was set at \$100.

John Anderson charged with simple assault was found not guilty. Prayer for Judgment and continuance was ordered in the case of Douglas Hill, charged with assault with deadly weapon.

MORE ABOUT INFLUENZA (Continued from Page 1)

head City School and "almost perfect" in the Newport School. As we go to press no official data has been received as to the situation in the other schools of the county, although last Saturday the situation in the Atlantic and Harkers Island Schools seemed sufficiently satisfactory to evoke no comment from the principals in their conferences with Superintendent Allen. Radical changes in any of the schools could be noted within 24 to 48 hours.

Superintendent Allen's letter to the Principals on this subject under the date of January 14, reads as follows:

"The Beaufort Colored School closed today on account of mounting absences (72 out of 339) due to colds and influenza.

"Some of you will have to watch your Average Daily Attendance very carefully to retain your present number of teachers. I would regret for either teachers or pupils to be inconvenienced, but it

would be far better for a school to close down temporarily than for a near-epidemic of colds and influenza to result in the loss of a teacher that could be retained or gained by acting wisely and promptly in such a situation. Please confer with me if and when such action should be contemplated.

"In the meantime, much of the suffering, expense, and loss occasioned by epidemics or near-epidemics might be prevented by using your assembly hours and Roto-Speeds in instructing pupils and parents as to the prevention and control of these scourges."

MORE ABOUT HAL THURSTON (Continued from page one)

Drug Store in Morehead City.

Dowdy Promoting March Of Dimes

Douglas Dowdy, co-chairman with Brooks reports that the "March of Dimes" a feature of the President's Ball each year, is already going strong.

Community Center Auditorium, will be well-heated for the Ball, it was stated. There will be regular and square dancing.

An added attraction will be a jitterbug number by Freeman Johnson and escort. Freeman is the colored delivery boy at Joe House Drug Company.

MORE ABOUT FEDERAL COURT (Continued From Page One)

terers of the tug Espee were made jointly responsible for the claims.

The case involved the largest sum in claims of any maritime case ever originating in Carteret County. The Solvay Process Company and Mallory Transport Lines Inc., were seeking exemption and limitation of liability in the three day hearing in District Court. The case involved the collision between the barge Espee, which was being shoved northward through Adams Creek Canal near Beaufort and the menhaden fish boat "Southland" which was moving southward bound from Ocracoke Island waters with a cargo of fish to the R. W. Taylor fish processing plant in Morehead City on November 18, 1939. Ten persons aboard the Southland were killed or drowned.

Attorney J. F. Duncan was local representative for the Southland interests. The law firm of Hamilton and McNeil were associated

Eastman Employees Attend Kelvinator Show In Durham

It is interesting to know that the Nash-Kelvinator Corporation, Detroit, Mich., makers of Kelvinator products made one of the largest financial gains in the history of the company last year, netting over one and one-half million dollars after paying all taxes and other expenses.

George Eastman and Elmer Willis of the Eastman Furniture Co., returned last week from the Kelvinator show in Durham. Eastman has already for display on his floor most of the new Kelvinator electric refrigerators and will have soon the balance as well as their complete line of electric ranges. Some of the most interesting features in sell of the products that was announced to them that on every Kelvinator range or refrigerator contract a free life insurance policy will be given to the signer of every contract up to \$2,000. In case of death of the wage earner in the family during the life of the contract, the article will be automatically paid in full. Instead of definite terms as they have had in the past the customer will tell them how they wish to pay. The line this year is completely redesigned with the usual 5-year guarantee as in the past, as well as complete fire and other liability insurance.

Will Of Owen G. Dunn Is Probated

The will of the late Owen G. Dunn of New Bern has been probated and his wife, Mrs. Mary Rice Dunn, has qualified as executrix. The estate was valued at \$125,000, of which \$50,000 was real estate and \$75,000 personal property.

The estate was divided equally between his wife and his daughter, Mrs. Charles McCotter, with the exception of \$10,000 which went into a trust fund for the education of his only grand-daughter, Mary Dunn McCotter.

The will also revealed that the life insurance policies were made payable to Mrs. Dunn and Mrs. McCotter.

Subscribe to The Beaufort News—\$1.50 per year with attorneys for the tug and barge owners. Quite a large number of Carteret County citizens were witnesses in the case.

Fred Astaire To Be Featured In Movie At The Bft. Theatre

Fred Astaire and Paulette Goddard are starred together for the first time in "Second Chorus" which opens at The Beaufort Theatre on Sunday for a three-day run. In addition there will be the latest Movietone News and the "March of Time" featuring Britain's Royal Air Force.

On Wednesday, Jackpot Night, Helen Parrish and Donald O'Keefe

President's Speech In Special Newsreel

Manager Perry Reeves of The Beaufort Theatre stated as we go to press today that a special newsreel of President Roosevelt's message to Congress would be presented today (Thursday) and Friday.

will be co-starred in "I'm Nobody's Sweetheart Now". There will also be selected short subjects. Pat O'Brien and John Garfield are co-starred in the dramatic "Flowing Gold" which opens at the Beaufort Theatre for a two day run next Thursday.

On Saturday a double feature will again be presented. George O'Brien is in the Western and the picture title is "Tripple Justice". Richard Arlen and Andy Devine in a dramatic action picture "Devil's Pipeline" will be presented with a new serial "Conquering the Universe" beginning.

METHODIST CHURCH NEWS

Worship with us next Sunday. The new Pipe Organ was dedicated Sunday morning. There was special music by the choir and Mr. Potter spoke on "The Symphony of Life."

The New Bern District Laymen's meeting will be held Sunday, Jan. 19th at the church at 2:30 P. M. Mr. N. F. Eure, Lay Leader of Beaufort and Associate District Lay Leader is in charge of the service. You are invited.

The Woman's Bible class held their regular class meeting on Monday evening at the home of Mrs. Ben Jones with Mrs. W. G. Temple, Mrs. Blythe Nix and Miss Lottie Sanders as additional hostesses.

In the absence of Mrs. I. N. Moore, president and Mrs. W. S. Chadwick, vice-president, Mrs. Phil Thomas presided. Mrs. Mary Privette resigned as teacher of the class and Mrs. W. Stanley Potter was elected in her place. At an

NYA Will Sponsor Big Music Project In North Carolina

John A. Lang, State NYA Administrator, announced plans today for state-wide preliminary auditions to be held during the month of February for Leopold Stokowski's All-American Youth Orchestra.

Mrs. Rosa Merrill, county supervisor of NYA activities stated today that she hoped some of the young musicians in Carteret County would take the audition with thought in view of being included in Stokowski's concert orchestra.

Under an agreement which has been worked out by Aubrey Williams, National NYA Administrator and the noted conductor, state and local offices of the National Youth Administration will receive applications from talented young musicians and arrange for the preliminary auditions, in which five of the best musicians in each state will be selected.

Mr. Stokowski himself will make a nation-wide tour starting March 1 from Hollywood to conduct the final auditions, in which he will select the 100 members of the orchestra. This orchestra of "musical ambassadors" will make a tour of cities in Canada, Mexico and the United States, starting in May.

Driskill Flies Sick To Norfolk Hospital

J. D. (Dave) Driskill, ace-pilot of the National Park Service, twice this week flew patients to a Norfolk hospital. Three each on Tuesday and Wednesday, were taken from the Buxton, Cape Hatteras CCC camp, where there seems to be an epidemic of pneumonia among the boys.

Many lives have been saved because of the chance to get to a hospital in an airplane, for the long rough trip over the sands in a car would have killed many a person critically ill. In the smooth, comfortable riding of an airplane, a suffering person endures little more inconvenience than in his own bed, and get to a hospital in an hour, as compared with many hours over rough roads.—Dare County Times.

early date a party will be given for all members since the contest has closed. Delicious refreshments were served.

COLORED NEWS ENTERTAINS IN HONOR OF HER SISTER

On Monday evening, January 13, Mrs. Beulah Pickett entertained in honor of her sister Mrs. Loney Windsor with a surprise birthday party.

Those enjoying the evening were: Mesdames Helen Stanley, Margaret Stewart, Vandy Brown, Marion Henry, David Pearsall, Frad Williams, George Williams, John Jones, John Windly, Charles Hawkins, Lydia Vann, Cecil Stanley, Alice Greene, Rosa Henry, Lydia Forbes, Laura Fulford, N. J. Johnson, Philis Henry, Ester Stewart, Courtney Godett, Mamie Jordan, Sam Chadwick, Sarah Garum, Mattie Stewart, Mattie Williams, Ella Parker, Walter Fulford, G. H. Dennis, Mr. Sam Windsor, Misses Lottie Stanley, Inez Vann, Gladys Pearsall.

A delicious salad course was served with hot tea and cakes. Everyone enjoyed a lively evening. Games were played.

The honoree received many lovely gifts.

Potential Home Owners Can Get Idea From Movie

"Design for Happiness" an all-technicolor short subject presented by the Federal Housing Administration, will be an added attraction at the Beaufort Theatre today.

The picture presents an average young couple of modest income who embark on a modern adventure in home ownership, achieved under the FHA low-cost home program.

In addition to picturing small homes now being built and bought under the FHA insured mortgage plan, "Design for Happiness" presents in amusing and fast-moving action the perplexing problems encountered by a young wife who sets out to prove that a modern new home may be bought safely on an income of \$25 a week.

Preliminary state cotton acreage allotments totaling 26,699,917 acres for 1941, according to a late announcement from the Agricultural Adjustment Administration.
