Paving And Extending Of Route 70 From Atlantic To Cedar Island Sought

SEEKING NEW ROAD IN EAST

Officials Of Road Association In Town Tues.

CIVIC LEADERS ARE TOLD OF PROPOSALS

Members of the Chamber of Commerce and the Junior Chamber of Commerce met here Tuesday with officials of the Colonial Roads Association in the office of Graham W. Duncan, C. of C. secretary.

Objective of Colonial Roads Association is to construct a new route in the East which would connect Carteret and East Craven with a direct route, north through

600,000 Pounds Of Spots Packed By Local Dealer

During the big run of spots on the coast Carteret Fish Company with packing houses in Beaufort, Morehead City and Atlantic handled approximately 600,000 pounds, it was stated by C. G. Holland, head of the firm.

Ordinarily large catches results is a glut of the market but such was not the case recently. The prices paid to fishermen averaged two cents per pound throughout the run and the demand continued.

Washington Merry-Go-Round advertisement with logo and names of drivers.

1941's 'GREATEST TRAGEDY' You don't have to wait for historians to record the fact that the greatest tragedy of the year 1941 as far as this war is concerned is the way the British have twiddled their thumbs, watched the Russians, and done almost nothing except cheer.

Over three months have passed since Hitler sent his mechanized masses hurtling across the Russian border, and in that time the British sent only a trickle of help.

Yet the British knew that prolonged Russian resistance was the biggest chance they had of defeating Hitler. They also knew that Hitler's tactic always has been to pick his victims one by one.

Second Front? Meanwhile, the general staff advisers of both the British and American armies have bluntly warned that the Russians were sure to be defeated unless a second front was created against Hitler.

This second front against Hitler meant, of course, a British expedition. See Merry-Go-Round Page 3

Big Delegation Is Present Before County Board

Cedar Island was represented with many of its well known citizens as another appeal via the Carteret County Board of Commissioners was made on Monday for paving and extending U. S. Route 70 to Pamlico Sound.

It was not the first time that improvements for the road which leads from Atlantic to the communities of Lola and Roe have been sought. The Board passed a resolution about 18 months ago requesting that the improvements be made, but no action was ever taken.

BELL-WALLACE BUILDING NAVY LANDING BOATS

Although just about everyone on the coast had been aware of the fact for several days, publication of the news that Bell-Wallace Company in Morehead City had laid the keels and were making rapid progress with the construction of four 40-foot, 90-man, motor launches for the U. S. Navy was withheld until a Naval constructing official had determined from Washington that it would be alright to release the story.

C. D. Jones Company Is Making Several New Improvements

C. D. Jones Company, leading retail grocery firm in Carteret County has been making improvements costing several thousand dollars in its building here during the past several days. These improvements, now nearing completion have included the installation of the latest model refrigerator rooms and display cases in the market department, new plumbing construction which meets all requirements, a new hardwood (oak) floor in the grocery department and a new storage warehouse on the pier.

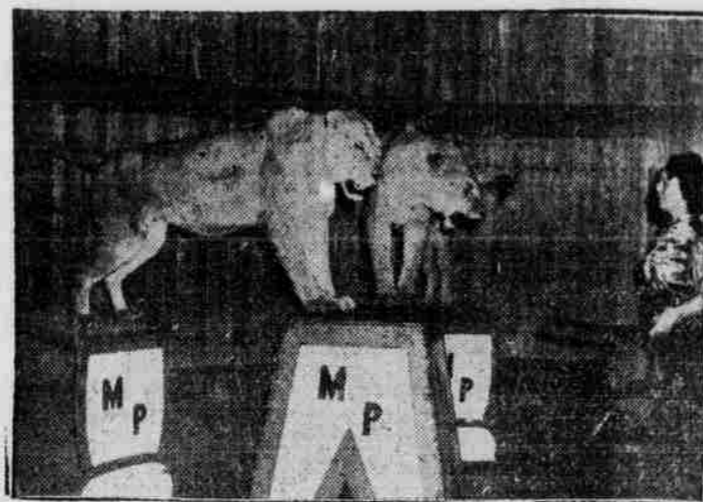

These facilities make C. D. Jones Company equal to and far better than most grocery and market firms in East North Carolina. The work which is now underway is expected to be completed within the next few days. Business at the store has gone forward as usual during renovation and added improvements at the firm.

Observation Posts For Air Raids To Be Manned Oct. 20

Following a final tryout sometime during the coming week so that Carteret County Air Raid Warning Post observers may be given final instructions, actual manning of all posts will begin on Monday, October 20, and continue through October 25, it was announced today. R. Hugh Hill, chief observer of the local post has received instructions as to procedure.

The local Post, located at Lenoxville (Beaufort Fisheries) and others in the County will be operated from 6 A. M. until 6 P. M. During this first week there will be no night duty. Volunteers for See OBSERVATION Page 8

O. C. BUCK TO PRESENT MANY Big Attractions At Carteret County Fair

O. C. BUCK Exposition Shows, the midway feature at Carteret Fair which begins in Beaufort at the High School Athletic Field on October 20 and continues for one week will present many of the biggest attractions in the show world today. In addition to 12 thrilling rides there will be 12 tent show attractions, something to please every member of the family.

AIR LINE PLAN TO BE SUBJECT OF DISCUSSION

Park Commission To Attend Ocracoke Meet Oct. 18

CARTERET COUNTY TO SEND REPRESENTATIVES

Plans for the establishment of a scheduled air line operating from Norfolk via the N. C. Outer Banks and Atlantic and thence to Beaufort-Morehead City airport here with possible extension to Wilmington, Charleston and Savannah will be discussed at the meeting on Ocracoke Island in Wahab Village Hotel on Saturday, October 18 at 6 o'clock.

Announcement of the meeting which will have committees present from each of the communities in North Carolina to be served, was made by R. S. Wahab, president of the Ocracoke-Manteo Transportation Company's aviation division several days ago. Since the first announcement, Mr. Wahab has notified The Beaufort

Wahab May Start Shark Fishery On N. C. Outer Banks

R. S. Wahab of Ocracoke and Baltimore is planning to start a shark fishery on a rather large scale down on the Outer Banks in the vicinity of Ocracoke and Hatteras at an early date, according to a story published in Dare County Times last week.

There is quite a demand for shark livers at present, and where the industry is carried on properly not only is the oil from livers in demand but there are many other by-products such as skins, fins, annal-gut, teeth and bones obtainable, each of which have a commercial value.

As we go to press today we had not received more complete details from Wahab about the reported enterprise he will establish. The Dare County Times indicated that the Ocracoke native who has made quite a success in life as a business man, had already purchased a net for the shark fishery.

NAVY IS SEEKING CAMP GLENN SITE

A called meeting of the Board of Directors of the State-controlled Atlantic and North Carolina Railroad will be held in Governor Broughton's office October 15. The governor said today that among items of business to be considered was a \$15,000 bid by the navy for the site of Camp Glenn near Morehead City, where the navy wishes to establish a supply base. The abandoned camp used to be a training ground for the national guard.

12TH DISTRICT WOMAN'S CLUB TO MEET HERE

Accept Invitation To Convene Here During 1942

Accepting an invitation of the local Woman's Club, the Twelfth District of the North Carolina Federation of Women's Clubs will meet in Beaufort next year. The state president, Mrs. P. R. Rankin, of Mt. Gilead, the second vice-president and chairman of districts, Mrs. Clarence W. Beasley, of Colerain, and Mrs. George W. Edwards, of Snow Hill, the district president, will be

Swansboro To Get USO Recreational Facilities Soon

Mayor Tom Wade of Swansboro, in Beaufort Tuesday, stated that Representative Graham A. Barden had announced that \$20,000 had been allotted for building a recreational building in the east Onslow community for soldiers, sailors and marines. The building will probably be located near the western end of the bridge leading from Carteret County into the community, it was stated. The building is one of several which will be operated by the United Service Organizations. Such a building for Morehead City will also be constructed. It will cost in the neighborhood of \$75,000.

TIDE TABLE

Information as to the tide at Beaufort is given in this column. The figures are approximately correct and are based on tables furnished by the U. S. Geodetic Survey. So allowances must be made for variations in the wind and also with respect to the locality, that is whether near the inlet or at the head of the estuaries.

Table with columns for HIGH, LOW, and days of the week (Friday, Saturday, Sunday, Monday, Tuesday, Wednesday, Thursday) with corresponding times.

BEAUFORT HIGH WON GRIDIRON GAME FRIDAY

Locals Touchdowned Twice In Second Quarter

By A. R. RICE It was homecoming for Beaufort High last Friday and they made it a memorable one with a 20 to 13 defeat of Lagrange High, so now they have a victory and tie in two starts. The locals touchdown twice in the second quarter. Austin intercepted at the visitors 45 and with plenty blocking went across. Sadler kicked for, but missed, the extra point. Austin passed from his own 25 to Davis who caught it at the Lagrange 45 and dashed to six points.

Schedules Abandoned In Morehead City

Principal Joslyn of the Morehead City school announced this week that due to lack of interest on the part of players and citizens of the port city, that the football schedule there would be abandoned this year. In the past Morehead City has had some very good football teams and the clash each year between Beaufort (which has played two games and lost none so far this year) has been an annual classic.

The pass carried 30 yards. Austin then drove over for the extra singleton. Score: 13 to 0. Lagrange put on a last ditch score thirteen seconds before the half ended. A pass from midfield to the ten was caught and run across. They plunged over for the point. Score: 13 to 7.

In the third quarter Austin aerial one to Rogers for 20 yards and the latter scooted the remaining 20 to the goal. Williams place kicked point and the score stood 20 to 7. In the last quarter Lagrange made the final accounting stand 20 to 13 when on third down and nine to go their quarterback rifled one to his left-end in the end zone. They missed the point try.

Mosquitoes Give Deer Break From Carteret Hunters

Tom Gibbs shot and wounded a fine 165-pound buck last week which was killed a few minutes later by a news photographer from Raleigh who had come to the coast to shoot pictures of local big game animals. The photographer, whose name was not learned, was with Game Warden Leon Thomas.

Those in the party at this first kill of the season were Gibbs and his brother Ben Gibbs, L. D. Springle, Robert Willis, Murray Thomas and Tom Tosto.

Hunting activities have slowed down temporarily, not due to the lack of game, but due to great hordes of mosquitoes which harass hunters when they go into the woods. Thus, the mosquitoes are giving the deer on the coast a real break.

A Community Beautification Program Is Planned Here By Junior Chamber Of Commerce

Senator May Become Bridegroom Today

IF SENATOR Robert R. Reynolds becomes the bridegroom today of Miss Evelyn W. MacLean, as was indicated in the morning news dispatches from Washington, he will have many friends on the Carteret Coast who will extend their congratulations and wish him happiness on his new matrimonial venture. Despite the fact that the junior Senator has received criticism from various sources for his stands on Lend-Lease and other measures of national interest, he has friends throughout the country and especially in Carteret County who like him because he is a "regular fellow."

Local Committee To Greet New Arrivals

Members of the newly-organized Junior Chamber of Commerce here are sponsoring a movement to have a committee call on and greet all new residents to Beaufort. The main objective is to make the newcomers feel at home by this hospitality, and to help them get acquainted. In announcing this new hospitality service Jay-Cee President James Potter III stated that Mrs. W. L. Woodard of the Woman's Club has agreed to act as chairman of the committee. Several well known local persons have agreed to serve with her on the committee.

Monthly Clinics To Start Monday At Health Department

On Monday afternoon, October 13, from 2 to 3 P. M. and each month following there will be held a clinic for the colored, for the care of pregnant women, and infants under 18 months, who cannot afford such care from a private physician. During these clinics proper feeding and habit training of the babies will be taught the mothers. The prospective mothers will receive physical examinations, and have blood tests made. On Tuesday afternoon at the same hour a similar clinic will be held for the white. Those persons attending these clinics are urged to be prompt. Anyone coming late will not be able to register.

Resources Survey Of Carteret Is Also Planned

Representatives from the Junior Chamber of Commerce appeared before the Board of Town Commissioners at their regular monthly meeting relative to a community beautification program the newly formed organization is sponsoring. The Board assured every cooperation insofar as funds would allow for same. The Jay-Cees during their meeting on Monday night also discussed and agreed to sponsor a proposed Resource Survey for Carteret County under the direction of national REA officials. Objective of the proposed Resource Survey is to make a complete record of all utilities, commercial enterprises, census of all types of workmen, types of soil, water facilities, transportation facilities, and just about everything else that a person could ever want to know about a county. The

COVERING THE WATERFRONT

By AYCOCK BROWN

I HAVE COVERED just about every foot of ground in Carteret County, but so far I have never been to Lukens. Sometime I hope I can visit that community. Despite the fact that Mr. Banks, the post master over there, comes to town often, it is still a mighty hard place to reach unless you make arrangements for a boat to ferry you across South River from Merrimon. Dr. Maxwell was over at Lukens recently, considering the purchase of some cattle. He said that there was about 300 head of cattle over there which, although privately owned, are permitted to roam in a semi-wild state—much like the cattle of the Outer Banks.

WHILE INSPECTING the semi-wild herd he ran into a very interesting story as told by the young man who was showing him the cattle. On part of what is known as old Perquimans Plantation, there is a grove of huge Live Oaks. There are two tombstones under the trees which date back to early 1800s. Whose graves they are, Dr. See WATERFRONT Page 8

Walter Winchell advertisement with portrait and 'WNU Service' logo.

The Village News-Press (Prop. and Editor, Walt Winchell) Right smart remark by Ed Cantor on his radio hour. Said to Carol Landis that she must excuse Joe DiMaggio for never hearing about her as he never seen any movie shows. "Then what is he doin' on the N. Y. Yankees?" Carol said back. "He should be with the Washington Senators!"

Extra Stone, according to reliable report direct from his camp, is to drill in double time last week 'cause his gun was dirty.

Yestiddy in 1938 Olsen & Johnson's op'ry came to town. Three years old goin' on 4 million dollars. Oley and Chick sent ye ed a telegram, sayin' "Thanks for what you wrote about it to make it an all-time annuity for two lucky and appreciative Scandinavians." How about a couple passes, fellers?

Ye ed sure wishes his detractors would hold a rehearsal of something. In a magazine piece it was claimed we ain't never had no scoops on the Hauptmann case. But in a new book (The Bunk of the Month); ye ed is criticized for spillin' secrets about the case! The secrets (scoops) came from New York policemen workin' on it.

How come those famous speakers and lawmakers get \$600 and more from the America Firsters to make those "patriotic" speeches? See WINCHELL Page 3

Hallowe'en Festival

Delegates from each civic club in Beaufort met at the American Legion Hut on Tuesday night and completed plans for the most elaborate Hallowe'en Festival ever attempted in Beaufort. Members for each organization were appointed on a Youth Welfare Committee to make the event a success. James Hollister Potter, president of the Junior Chamber of Commerce was appointed chairman of this committee. The Festival will be held on Friday night, October 31.

The program, according to Mrs. Tom Potter of the P.T.A. who reported the story to The Beaufort News, follows: Carnival (for younger children) at Beaufort School Gym, between 7 and 9 o'clock; Parade of School Band and Boy Scouts and others in business section between 9 and 9:30 o'clock for competition of prizes. (Two business blocks will be roped off during this period); Awarding of prizes in front of Beaufort Theatre, 9:30 o'clock; A

special movie, co-sponsored by The Beaufort Theatre and Parents Teachers Association will begin at 9:30 o'clock. Tickets to this event which will rival the New Year's Eve parties will be sold by members of the P.T.A. Mrs. Martha Loftin has been named publicity chairman for the event. Civic clubs taking part in the sponsorship of the first BIG Hallowe'en Festival for Beaufort include: Junior Chamber of Commerce, Rotary Club, Woman's Club, P.T.A., American Legion, American Legion Auxiliary, and the Chamber of Commerce.
