AROUND Town

—With—
MACK CLARK

Around our town, around Morehead City, and around many other cities of the land we have been observing drivers of taxicabs for a number of years. We realize that many of them are average, honest citizens making a living and their cab is their "hammer and saw" so to speak.

On the other hand, something seems to happen to the mental processes of most of them as soon as they step into their cab. With a crash of gears and a honking of horns they pull out from the curb, take the nearest corner on two wheels and disappear down the street at 50 or 60 m.p.h.

Special Dispensation?

We have never had an opportunity to examine the regulations and ordinances that cover the operation of taxis. But to judge by the driving of most operators it would seem that legislators have exempted them all from obeying the restrictions that govern the rest of the auto drivers—that they have been granted dispensation from regulation.

They seem to have their own See AROUND TOWN Pa 10

'DEER PASTURE' PRESENTED BY JUNIOR GIRLS

Happy Go Lucky Club Presents A One Act Play

Junior Summer Theatre made its advent in Beaufort Friday morning, August 14, at the Recreation Center, when The Happy Go Lucky Club of 15 girls presented a one act play entitled, "The Deer Pasture." The time of the play was during the Revolutionary War. The curtains (improvised in true summer theatre style) were opened on a living room scene. A mother (Janet Davis) and daughter (Elizabeth Willis) in old fashioned costumes were seated by the fireside. Phyllis Britton, as the son, soon joined them. The dialogue discloses the fact that they are in a serious dilemma. Just when their problem seems unsolvable, a neighbor (Margaret Ann Windley) comes in with a letter from the father at Valley Forge—a letter containing the clue to the solution of their difficulty. Janet carried the burden of the dialog ably supported by the rest of the cast.

The play itself was a happy selection. Under the direction of Miss Pearl Bedsworth, WPA Recreational leader, it had been well rehearsed, and was a credit to the club.

Fifty visitors, largely children, made an appreciative audience. They came in casual dress as befits a summer theatre group but were noticeably starchy and clearly regarded it as the occasion it was.

Neva Bell made announcements. Joyce Biggs gave a piano solo and Jimmy Davis a flute solo. At the end all stood and sang lustily, "God Bless America."

Next Friday morning from 10:30 until noon there will be a Bingo party for this group of children of school age. These "Specials" will continue each Friday morning until school starts.

Bay Street U. S. O. Off To Good Start

A new set of soldiers are finding their way to a new U. S. O. Building. The Bay Street U. S. O. was opened for the colored troops recently sent to this community. Sam Brown, Director is going thru the throes of organization and fitting his group into the Morehead City High School Gymnasium which is serving as temporary club headquarters. He seems to like it and gives the impression of being quite equal to the responsibility. A citizen of Petersburg, Virginia, he was educated at Virginia Union, Richmond, where he received his B. S. degree. He later attended Howard University for a year and taught until fourteen months ago when he took up his duties as recreational leader at Fayetteville.

The number of men stationed here and their organization cannot be given out for publication but the director says the Club entertained more than 450 service men during the first week of its existence ending Monday of this week. He speaks highly of the new men, most of whom he says come from Chicago, Michigan, Kansas and Texas with a few from Virginia, North Carolina, New York and Pennsylvania.

A special meeting was held at Purvis Chapel Monday evening for the purpose of organizing recreational facilities for the men in Beaufort. Mayor Paul, Mr. Hugh Hill and Mr. Jake Miller spoke pleading support. Afterwards the Beaufort colored citizens organized with the following officers: Rev. W. C. Cooke, Chairman, Charles Hawkins, Vice Chairman, Mrs. Annie Bell, Secretary; Mrs. L. E. Oden, Assistant Secretary; Leffie Davis, Treasurer.

This evening at eight o'clock there is to be a social and dance at the Community Center to introduce the soldiers to Beaufort.

FIRE DEPT. REORGANIZES

Gehrman Holland Elected Chief

The Beaufort Fire Department met in regular session August 6, 1942, with 24 regular members present and all honorary members were asked to become active during the present emergency.

The reorganization of the Department was the big business of the meeting. The following new officers were elected:

Gehrman Holland, Chief; Gray Hassell, 1st Asst; John Hill 2nd Asst; Hardy Lewis, 3rd Asst; Earl Noe, Secretary and Treasurer; and Charles Hassell, B. H. Noe, W. H. Taylor, and Earl Noe, and G. C. Holland, Trustees.

An excellent spirit was displayed on the part of all the members and there is every reason to believe that Beaufort will be proud of the work of the Department under the direction of the new officers.

Manager Perry Reavis is to be congratulated on the enterprise he has shown in pushing work forward on the theatre. Only 17 days after the front presented a charred, smoked, and water soaked picture he has it ready for opening. The front which presented such a discouraging picture on the morning of the third is now painted a cool green and cream, and the same colors have been used in repainting the auditorium. New carpets have been laid inside and a new phosphorous paint has been used to outline the aisles so that patrons will have less trouble in finding seats in the darkness. New projection equipment has been installed in the operating room to replace the old equipment that was damaged.

Mr. Reavis says that he is not begrudging where he left off before the fire but is opening with a more attractive house and better equipment than ever before. The picture tonight is The Big Shot with Humphrey Bogart and latest News Events plus an Array of Novelties.
