Household Hints

Use lukewarm water and borax to wash out your refrigerator. This keeps it sweet and clean, also, a piece of charcoal kept on one of the shelves will absorb all odors.

If peeling onions makes you weep, dip the onions for a moment into boiling water and begin at the root and peel upward.

Waste paper baskets are easily made by pasting wall paper on a cardboard box or bucket.

Potatoes that are to be french fried should stand in cold water at least an hour before cooking.

To remove chewing gum from clothes, apply ice. This will harden the gum and it will peel off.

Fibers are broken in the backs of rugs and carpets when they are beaten. It is better to use a vacuum cleaner on rugs for short periods twice a week than for a longer period once a week.

What Causes Your Constipation?

The super-refined foods we eat these days too often do not give us enough "bulk food." And medical science tells us that lack of sufficient "bulk" is one of the commonest causes of constipation!

If that is your trouble, harsh cathartics and violent purges are, at best, only temporary remedies. How much better to get at the cause and correct it! Why not make sure that you are getting the "bulk" you need by eating Kellogg's All-Bran? All-Bran is a delicious, crispy cereal that millions of folks rely on. Eat All-Bran yourself—eat it daily—and drink plenty of water—not only to get regular but to keep regular. All-Bran is made by Kellogg's in Battle Creek. If your condition is not helped by this simple treatment, it's wise to see a doctor.
