ROTES TO PLAN WINWRIGHT DAY CELEBRATION

Perfect Attendance Club Has Another

Rotarians at a dinner session at the Inlet Inn Tuesday evening discussed a proper Winwright Day Celebration for this bicentennial of James Winwright's first gift to the cause of education in North Carolina.

The Rev. Stanley Potter presented the matter which was received with interest. Committee members were appointed and first steps taken to organize for putting such a celebration across. Hon. Clyde R. Hoey on his recent visit suggested asking help of the State Historical Society and it was decided to appeal to the Society for suggestions and support.

N. F. Eure, Vice President and program leader for the evening, gave a report on the recent Rotary assembly in Goldsboro.

Present at the meeting were all the Rotarians from Beaufort, Karl Ginter of Charlotte, and George Roberts Wallace, Will Webb, and Clyde Jones, of Morehead City as guests.

COUNTY COURT

Durwood Swain and Leonard Carroll (white), Newport, were heard and found guilty Tuesday in Recorder's Court on the charge of drunk and disorderly conduct. Both men have been given suspended sentences before but made emphatic promises of good behavior in the future if suspended again. Each was given a 30-day sentence suspended upon good behavior for two years and payment of costs of \$24.65 each.

Jesse and Carrie Cherry (colored) Beaufort, were charged with sale of non tax paid liquor. Lawrence Sutton (colored) who came here last fall from Virginia testified that he bought a half pint of "white whiskey" from Jesse last Sunday morning for \$1.50 and had also bought from him several weeks ago. Lawrence became in formant after he was under arrest for drunkenness and questioned by Chief Longest. Both defendants were found guilty. Jesse was given a six months suspended sentence and Carrie a 30-day suspended sentence conditioned on good behavior and no further violations. The two paid consolidated costs of something over \$30.

B. H. Dye (white), Bogue Sound, charged with drunken driving was continued from the week before and was continued again on Tuesday for State's witness.

Willie Jones (colored) Morehead City took a battery from Tom Mills and was charged with temporary larceny. He was found guilty and paid costs of \$23.45.

Other cases were minor traffic violations handled in the Clerk's office.

RATION

BRIEFS

GASOLINE
A-11 good through Nov. 8.

SHOES
No. 1 and 2 "Airplane" Stamps in Book III good indefinitely.

SUGAR
Stamps No. 30, 31 and 32, Book IV, good for 5 pounds of sugar indefinitely. No. 40 good for 5 lbs. canning sugar through February 23, 1945. Stamp 33 good Sept. 1.

CANNED GOODS
Blue Stamps, Book IV, A-8 through Z-8 and A-5 through F-5 good indefinitely.

MEATS
Red Stamps, Book IV, A-8 thru Z-8, A-5 through D-5 good indefinitely.

FUEL OIL
Period 4 and 5 coupons good through September. During October unused coupons may be exchanged at Ration Board for new 1944-45 heating season coupons.

Rent Control
All persons renting, or offering for rent, any living quarters whatsoever must register each dwelling unit with rent control office in their rent area. Persons who feel that they are being overcharged for rents may submit complaints to OPA. Complaint forms are available at the local War Price and Rationing Board if your area does not have a rent control office.

NEW PRINCIPALS FOR SCHOOLS AT ATLANTIC AND HARKERS I.

All Schools Plan To Open Sept. 18

County Supt. J. G. Allen sent the following message to the principals and teachers of the county today:

"Providence and the Carteret County Board of Health permitting, and unless you hear further from me, the schools of Carteret County, of whatever size and race, will open Mon., Sept. 18, 1944.

As of today there are no known cases of infantile paralysis in this county. It is my hope, that circumstances will occasion no further delay in the opening of our schools and that the disease will not appear in proportions requiring the closing of the schools."

Only two changes have been made in consolidated principals: Fred Abernethy, of Iron Station, N. C., succeeds S. B. Smith as principal of the Atlantic School, and W. S. Nicholson, of Guilford College, N. C., succeeds W. P. Moore as principal of the Harkers Island School. Mr. Abernethy is well and favorably known not only in Atlantic, where he was a popular teacher coach 1938-41, also throughout the county. His ability, sportsmanship, and good nature have been evident to all those with whom he has come in contact. Since leaving Atlantic, Mr. Abernethy has had administrative experience in good schools and the people of Atlantic look forward enthusiastically to the year 1944-45 under his leadership.

Mr. Nicholson is a graduate of Duke University, received his Masters from Boston University, has had a wide variety of teaching and related experience, and will be well received by the people of Harkers Island, among whom he has already made friends during a recent brief vacation on the Island.

ADMISSIONS
No change has been made in the age for admission of beginners in the public schools and in compliance with Supt. Allen's request we quote Section 2236 of the 1943 School Law: "Children to be entitled to enrollment in the public schools for the school year one thousand nine hundred thirty-nine-forty, and each year thereafter, must be six years of age on or before October first of the year in which they enroll, and must enroll during the first month of the school year."

Parents are urged to see that all children of school age are in the county on Sept. 4, or two weeks prior to the opening of the schools, and that they remain in the county until the opening so that there will be no question as to their enrollment on the opening date. Citizens coming from polio infested areas will be asked to furnish proof that they have met the residence requirement.

Supt. Allen stated that the following vacancies remain to be filled: Atlantic — English-French; Beaufort — 4th grade, 6th grade, 8th grade; Cedar Island — all grades; Harkers Island — Home Economics and Science; Lufkin — all grades; Morehead City — 6th grade; Smyrna — 6-7 combination; White Oak — 2-3 combination, 5-6 combination; Beaufort (colored) — 7th grade; Merrimon (colored) — grades 1-6; Morehead City (colored) — 7th grade. Asked if he thought the positions would be filled by the 18th, he replied "Maybe—I wish I knew."

Special Services On Day of Peace

The day peace is declared with Germany, Ann Street Methodist Church will be open all day for prayer, and at eight o'clock in the evening there will be a special service of Thanksgiving.

Orthopaedic Clinic

The State Orthopaedic Clinic will be held Friday, September 1, from 12:30 to 4 P. M. at Pitt County Health Department Office, Third and Greene Streets, Greenville. This Clinic takes all types of cripples, both white and colored, free of charge who are unable to afford private treatments.

Three Willis Brothers in Coast Guard

Three sons of Mrs. Lucy G. Willis of Harkers Island are serving in the Coast Guard: BM 1/c Guy Willis, left, entered the Service two years ago, and is now in training at St. Augustine, Fla.; Chief Motor MM Carl Willis, center, has been in the Coast Guard for 18 years and has recently returned after nearly two years in the Pacific War Zone; Chief BM David Willis, right, has had 19 years in the Service, and has recently been transferred to a Coast Guard cutter. Mrs. Willis also has five grandsons in the Service: Donald G. Willis, USCG, serving in England; David Willis, USN, and Walter C. Willis, USCG, both in the Pacific; Charles C. Guthrie, USA, serving in Italy; and Willard Willis recently inducted in the Army at Ft. Bragg.

LEGION HONOR ROLL OF COUNTY BOYS COMPLETE

2263 Names Appear 25 Have Gold Stars

The Carteret County Honor Roll of Legion Post 46 of Morehead City was completed late yesterday and names of 2263 County boys serving in the USCG, USMC, USN, and USA, have been entered there. Twenty-five of these are starred to indicate that they have made the supreme sacrifice: BEAUFORT: James W. Gillikin, Charles Shackell Rice, Claude Glover, Royal M. Barbour, Frank Robinson, Hugh Allen Jones; BEAUFORT, RED: Charles Wallace Dudley, Hubert Whitley; CEDAR ISLAND: Adrian Daniels; DAVIS: Elijah Glover Willis, Jr.; HARKERS ISLAND: Livingston W. Brooks, Jennie Jones, Walter Moore; MOREHEAD CITY: James Campbell, Douglas H. Dowdy, Harold D. Elliott, Sidney H. Gorham, Ben F. Royal, Thomas Clifford Wade, Robert H. Willis, T. G. Vickers, James Atkinson; NEWPORT: Charles Lincoln Lewis, Quinton Theodore Haskett; WILDWOOD: Bonner McCabe.

The Memorial on the City Hall grounds is of brick and cement standing over nine feet high with a concrete walk leading from the sidewalk. The arched front has semicircular columns on the face and bears the shield of the United States with a golden eagle above. Names are inscribed on paper covered for protection with plate glass but in such a way that new names may be added from time to time.

Judge Luther Hamilton, Col. C. D. Gamble, Casey Mann, and C. R. Davant of the Legion Committee in charge of the project recognize the fact that there are omissions and perhaps errors, but they have made the memorial as thorough and accurate as information available now has made possible. It represents considerable work on their part and is something that could not very well have been accomplished at some later date. People of the County will undoubtedly receive it with grateful appreciation. Judge Hamilton who personally assumed responsibility for collecting the data asked us to express appreciation on the part of the Committee and for him personally of the fine cooperation he received in this undertaking.

Airplanes Trucked Thru Town Disrupt Lights and Phones

Two airplanes brought through Beaufort from the Atlantic Airfield by truck enroute to Cherry Point last Friday caused some excitement about 2:50 in the afternoon. At Ann and Marsh Streets one of them caught in a cable of the telephone company taking down two poles of the Tide Water Power Company and breaking off two others causing a short circuit that cut off telephone and electric service in the eastern end of town for the afternoon. An emergency fire alarm was turned in when the spluttering wires fell. Manager George Stovall of the Tide Water Power Company arrived in unbelievable short time and took charge of the situation. A group of children pressing near to see the planes made the incident exceedingly dangerous, but no one was hurt.

CARTERET BOYS IN THE SERVICE

Tommie Avery, A. R. T. 1c, USN, son of the Noah Averys returned to the States this summer after serving in the South Pacific where he took part in the Marshall and Gilbert Islands campaigns. Since vacationing at home he has been in San Diego, Calif., for advanced radar training.

Pvt. Johnnie Willis, son of Mrs. Rachael Gillikin of Fulford Street is serving in France following ten months spent in England.

1st Lt. Moretz and pilots of his Thunderbolt fighter group recently celebrated its first anniversary in combat in the European theatre. They say they have flown nearly 10,000,000 miles or a distance equal to 20 trips to the moon and back. It was one of the original fighter units sent to England in the Eighth AAF Fighter Command. The outfit has scored more than 200 victories over the German Air Force according to an Army news release. Lt. Moretz is the son of Mr. and Mrs. Titus Moretz of Hickory. His wife the daughter of Mrs. Iva Bailey and grand daughter of Mr. W. L. Paul is making her home with him during her husband's absence.

Robert Davis, Cox., USN, stationed at New York while he awaits completion of his ship, spent last week at Davis returning to his base over the week-end.

Pvt. Frank N. Pinner, USA, has been transferred from Ft. Custer, Mich., to Ft. Leonard Wood, Missouri.

Pfc W. M. Norcom, Jr., son of the W. M. Norcoms of Columbia, has been awarded the Purple Heart for an injury received on the 28th of June in the invasion of France. Norcom is still hospitalized in England but writes his family reassuringly. He says he was wounded by a German carrying a white flag in one hand and a grenade in the other. Norcom praises the Red Cross for services rendered him and other wounded men in the hospital. Pfc Norcom is a grandson of "Miss Carrie" Norcom.

Billy Arrington, USN, Little Creek, spent the past week end here with his family.

Word was received Tuesday by the W. T. Glovers, West Beaufort, that their son, Pvt. Robert A. Glover, USA, is serving in France.

Edward Nelson, USNR, is in the Navy Hospital, Norfolk, undergoing treatment.

Sgt. George Snooks has notified relatives here of his safe arrival in England. George was stationed at Camp McCain, Miss., before going across.

Crip Jones, Army Transport Service, Newport News, arrives tomorrow for a week with his family.

Jack Taylor, USN, son of the Wiley Taylors, has been attending school at Adak Island, the Aleutians, since his leave here in May. He recently completed his course. He flew back to Seattle, and is now at Treasure Island, Calif. He has reason to believe that he may be allowed to come home again before he receives his new assignment. These months since May are the first in which Carl Saddle and Jack has been separated since they

THE GOVERNOR INSPECTS N. R. OYSTER FARM

Broughton Reviews Work of Project Created as Result of His Support of Fisheries Program

Governor Broughton with Mrs. Broughton and a party made his first official inspection of the North River Demonstration Oyster Farm on Tuesday of this week.

The farm, the first of its kind in the country, was created following a special conference with the Governor back in 1941 and was made possible as a result of his interest in developing and expanding the fisheries resources of the State. It is a project on which the N. C. Department of Conservation and the U. S. Fisheries and Wild Life Service are cooperating.

The farm, about four miles out on the North River Road consists of a watch house and field laboratory at the shore line around which are 80 acres used for experimental purposes on which Hulley Willis, resident caretaker, works with Vance Fulford of the Laboratory in taking care of experimental plantings.

About the farm 500 acres of bottoms have been leased by citizens of the various beds and sampled by members of the party all of whom were enthusiastic about the quality.

The Governor has been an active supporter of the project from the beginning. His enthusiasm was undiminished by his experience this week. He expressed his intention of coming down again in season, reviewing the operations, and sampling more oysters.

POLIO

Cases of infantile paralysis continue to be reported although the number of new cases is smaller each day than a few weeks ago. The total for the State has now reached 638 as compared with 675 in the 1935 epidemic.

No cases have developed in Carteret and Onslow reporting but one case is still the only adjacent county affected. New Hanover now has six and Wayne but the two reported some time ago.

Dr. R. K. Oliver, County Health Officer, reports excellent cooperation in the observance of the police control regulations throughout the County.

Elon Opening

Opening date for Elon College has been moved from September 6 to September 18 in cooperation with the N. C. State Board of Health. The regular orientation program, planned for September 8, will start at 8:00 o'clock on the 18th. Eight actual school days lost will be made up on holidays during the regular college year.

Your War Bond Investment Is Your Investment In America . . .

DUKE OUTDOOR SUMMER SCHOOL CLOSED TUES.

Marine University On Piver's Island Completes 7th Year

The seventh season of summer school at Duke Marine University, Piver's Island, under the direction of Dr. A. S. Pearce, came to a close this week.

The six weeks course of instruction for graduates and undergraduates ended August 28th. For the three weeks since, graduate students have been looking into the private lives and habits of the blue crab, the razor clam, wharf crabs, and barnacles gathering material in preparation of theses on these subjects for advanced degrees.

Informal manner in which classes assemble for study in Duke Marine University. A group preparing to go out collecting specimens in the boats tied to the Duke pier which looks across to Front Street, Beaufort.

Except for Katie Lou Jones of Beaufort, ETC; Laura Couch, University of S. Car., and Kathleen Sample, Florida; all the summer students were members of the regular Duke University student body. Undergraduates dismissed three weeks ago are enjoying a vacation, graduates who left this week went from here to Durham to continue work without interruption.

Nancy Barber holds a pair of kings With Dr. Pearce and the last student gone, the Island moves again at fall and winter tempo with only the H. F. Pryntherchs, the Harold Humms, the John Pearsons, and the James Noes to carry on.

Small Valuables May be Sent to Servicemen by Registered Mail

Small articles of intrinsic value may now be sent by registered mail to servicemen and women at APO addresses outside the continental United States, says Major Robert H. McCormick, Fourth Service Command assistant postal officer. New postal instructions require that registered articles weigh no more than eight ounces and that they be specifically requested by the addressee. Valuable or important papers may also be sent overseas by registered mail. The registration service is intended principally to cover watches, eye glasses, fountain pens, and other items not readily available overseas. Request from addressee are required to the volume of registrations limits imposed by the available overseas postal personnel. Men being asked to hold their requests for registered mailings to a minimum.

SAINT PAUL'S UNDERGOING RENOVATION

Extensive Repairs Being Made to 87 Year Old Structure

Saint Paul's Episcopal Church and Parrish House are undergoing complete renovation. The church structure which was erected in 1857—87 years ago this summer—stands practically as it was when completed under the leadership of the organizer of the Parrish and first Rector, the Rev. D. D. Van Antwerp.

The building has been repaired from time to time, but no changes have been made except for the addition of the memorial windows. The T. A. Loving Company is butressing the building with four concrete pillars on each side to give additional support to the roof after which it will be covered with asbestos shingles and repainted. A concrete wall is also to be built around the Cemetery at the back of the church. The Parrish House has already received a coat of white paint.

Something like between \$8,000 and \$10,000 worth of improvements are underway which will probably require another two months for completion.

Jobs For Civilians At Fort Bragg Now

Fort Bragg, the largest Field Artillery post in the country, is engaged in preparing men and equipment for overseas shipment. Civilians are urgently needed to repair and prepare tanks, tractors, trucks, jeeps, and other motorized equipment so that General Eisenhower and General MacArthur will have the tools with which to defeat our enemies. Every civilian at Fort Bragg is directly helping to bring the day of victory closer.

The Civil Service Commission announces that there are many good jobs available at Fort Bragg immediately. Anyone not engaged in war work at his highest skill should apply at once to the nearest office of the United States Employment Service or write to the Civil Service Commission, Bldg., 310, Fort Bragg, North Carolina.

MR. C. H. BUSHALL MOVES HIS OFFICE

The office of Mr. C. H. Bushall, Real Estate and Insurance, was moved this week from the one story building at 108 Turner Street to the second floor of the building on the opposite side of the street occupied by the REA offices.

NEW SIGN

The G and W. Dress Shop erected a new neon sign to their shop this week adding brightness to Beaufort's Great White Way.

TIDE TABLE

Information as to the tide at Beaufort is given in this column. The figures are approximately correct and are based on tables furnished by the U. S. Geodetic Survey. Some allowances must be made for variations in the wind and also with respect to the locality, that is whether near the inlet or at the head of the estuaries.
