### Ideas for Making Bathroom Brighter

HERE are a number of ideas for making the bathroom gay and efficient. There are the shelves over the tub for extra towels and the corner shelves for bath salts or lotions; then there is the extra shower curtain to pro-

tect the wall and the shelves; with roses everywhere—on the shower curtains, the towels and the bath mat.

The shower curtains as well as the window curtains are made of blue sail cloth with roses cut from a remnant of chintz and appliqued with the machine zigzagger, as shown at the lower left. The same chintz was used for rose appliques for both bath and hand towels as well as the bath mat. Here a quarter of an inch was allowed all around in cutting out the flowers and leaves and they were applied by hand, as shown in the upper sketch at the left.

NOTE: The spool shelves shown over the tub and in the corner are made with pattern No. 235. The curtain idea is from the new booklet "Make Your Own Curtains," which contains 32 pages of illustrated directions for making all types of curtains, draperies and valances. The pattern and book are 15 cents each postpaid. Address:
